

# INTERSTATE BASEBALL LEAGUE WILL BE ORGANIZED TODAY

## SIX TEAMS IN PLAY TOGETHER

Four From Oregon and two From Washington Planned; Reorganize

Organization of an inter-state baseball league will be perfected at a meeting of a board of directors at the Chamber of Commerce at 10 o'clock this morning. Teams to be included in the league are Salem Senators, Hillsboro, Oregon City, the Lukenbeck ship company team of Portland, Camas and Vancouver, Wash. The season is scheduled for April 12 to July 19. Members of the board of directors are Roscoe Shelton, Clifford W. Brown, Joseph Adolph, Cuyler Van Patten, August Hucklestein, George Riches and Carl D. Gabrielson.

It is planned to run the Senators on a business-like basis and for that reason the directors were appointed. They in turn will elect a manager who is to be in charge of the activities. The directors, however, will arrange the schedule, arrange games and to aid in the management as much as possible.

One of the first steps the board has taken is the appointment of a delegation for the purpose of attending the meeting of the inter-state committee in Portland

## Kills Catarrh Germ In Three Minutes

Chronic catarrh, no matter how bad, and cases of bronchial asthma now yield instantly to the amazing discovery of a French scientist. This drugless method called Lavez kills the germ in three minutes, yet is positively harmless to the most delicate tissues. Your head and lungs are cleared like magic. Sufferers are relieved in a single night.

To prove it and to introduce Lavez to a million sufferers in one month, I offer to send a treatment free and postpaid, to any one who will write for it. No obligation. No cost. If it cures you, you can repay the favor by telling your friends—if not, the loss is mine. No matter what you have tried, just send me your name and address for this generous free treatment and prove that you can be rid of catarrh.

W. R. SMITH, 1845 Lavez Bldg., Kansas City, Mo.

## BOXING

Wednesday, March 25, 8:30 p.m.

- CHARLEY DAWSON vs. JOHNNY GOGGINS  
Ten Three Minute Rounds
- BILL HUNT vs. CHAN BUTLER  
Six Three Minute Rounds
- KID McCORMICK vs. BILLY ROBINS  
Six Two Minute Rounds

Tickets at Smith's Cigar Store

## ONLY PACKARD CAN BUILD A PACKARD

The Packard Six five-passenger sedan, \$2585 at Detroit

## The Packard of Today—Scion of a Distinguished Family

Many a Packard owner remembers, as a child, standing wistfully, watching a Packard roll by—and hoping that some day he, too, might own such a car. Perhaps a "24", a "30" or an "18". What memories the names recall! And later, the "38's", and "48's" and then the mighty Twin Six, which reigned for eight years—truly a distinguished family. And now, today, the finest and greatest Packards of them all—the Packard Six and the Packard Eight—alike in beauty, in quality and in distinction.

A liberal monthly payment plan makes it possible for you to immediately enjoy Packard distinction, quality and beauty—purchasing out of income instead of capital.

Motor Cars  
Corner Cottage and Ferry Phone 2126

Monday night. Interest in baseball is running high this year and the Salem Senators expect to get a strong team together. They have some good timber in prospect and will be ready to practice soon. Aspirants and others interested in baseball will have a slumbering up at Oxford park this afternoon.

## NOTED LINEN MAN TO SPEAK MONDAY

D. M. Sanson, of Canada to Talk on Linens at Chamber of Commerce

The Chamber of Commerce will be privileged to hear one of the outstanding men in the linen manufacturing field, D. M. Sanson at their meeting Monday noon. Mr. Sanson is of Toronto, Canada, and is recognized as one of the leading linen men. He has brought a number of samples of linens with him to be displayed at the luncheon. All of these samples have been manufactured in the United States. Of course, his subject will be on "The Manufacture of Pure Linen Goods in America."

He will draw from years of experience in the business field, as his present connections will testify: President of Dominion Linens, Ltd., operating two linen mills in Canada; President of Flax Spinners, Ontario, Canada; vice president of Donegal Linen Mills of Lockport, N. Y.; vice president of William Neilson company, Toronto, the largest manufacturers of chocolates and ice cream in the British Empire; vice president of Ross Can company of Brownsville, Ontario; vice president of Graham, Sanson & Co., bankers of Toronto.

COPENHAGEN, March 14.—This is the mildest winter Denmark has known in three centuries. Not once has the temperature fallen below the freezing point in the daytime, and the nights when this has been the case have been exceedingly rare.

Chan Butler

From the first of the two snappy preliminaries until the final tap of the gong Wednesday night there will be entertainment of a high class offered Salem fight fans at the arena, according to the card. Matchmaker Harry Plant has arranged. Charlie Dawson, of Eugene, will meet Johnny Goggins, of San Francisco, in ten 3-minute rounds unless one of the lads connects at an earlier time.

In the semi-finals, Bill Hunt, the husky Salem fireman, is scheduled to go six 3-minute rounds with Chan Butler, a clever fighter from Portland. Hunt has it on his opponent by about 10 pounds. As a special event Matchmaker Plant is offering Kid McCormick a clever and snappy fighter from Oregon City and Billy Robbins of Portland.

The fight is under the sanction of the Salem boxing commission, and will begin promptly at 8:30 o'clock. Tickets are on sale at Smith's Cigar store.

## Coast Tourney Planned For Salem Next Year Is Idea

An attempt will be made next year to stage the Pacific coast interscholastic basketball contest in Salem next year, according to the statement of Guy L. Rathbun, mentor of Willamette university. Arrangements will be made so that the state tournaments will not interfere with the intra-state contests.

Even if the tournaments are \$800 R. S. Howard Player \$295 This player piano can hardly be told from new; has bench and over 25 rolls of music. Terms \$10 a month Geo. C. Will, 432 State

staged, the Willamette gymnasium must be made to hold a larger crowd. The way the interest is growing in the game means that some method of caring for the crowds must be worked out. One method offered is the building of a gallery around the inside of the Willamette gymnasium, which could be completed at a nominal sum. It is predicted that some attempt would be made to build the addition.

## Willamette Girls Start Tour Today

(Continued from page 1) next stop where the club will sing in the evening. The following Sunday will be spent at Yakima where a morning service will be given at the Methodist church. A special concert will be given the following evening.

Teiton, Wash., will be visited March 31. Two high schools will be visited in the first two days of April. Whapito high the first and Goldendale high the second. The club will arrive home on the evening of April 3, after giving a concert at Newberg. A home concert April 11 will close the season. The club will travel by bus to all points visited. Ruth Heinick, manager, reports that good guarantees have been secured at most points so that the financial outcome of the trip is secure.

## ENGINE PROVES TO BE INNOCENT

(Continued from page 1) play on the address on the paper. Written in most ordinary handwriting, with a pencil. "Ah, the postmark? It was totally obliterated. Identification was impossible. No return address appeared on the paper. To the most casual observer, dirty work at the cross-roads seemed to be indicated.

And the lid of the tin appeared to have been jimmied up. After a cautious trial, something rattled ominously inside. Bert Macy reached for the telephone. No, the postoffice did not keep a record of insured packages; only of registered mail. Indeed? Was it an ordinary tin? Could Mr. Macy bring it to the postoffice at once? He could.

A conference was held behind one of the wicker windows. Four pair of eyes peered at the tobacco tin from every angle. Nothing happened. Cautiously, and at arm length one of the clerks slowly

pulled back the lid of the tin. The others ducked, and shielded their faces with their arms. Then they looked at each other again; nothing had happened. The inside of the can appeared to be filled with brown paper. Displaying a certain bravery, considering the gravity of the occasion, Bert Macy reached in and slowly pulled the paper out. A pair of false teeth dropped out of the tin onto the table with a clatter.

The mystery turned out to be a whizzer. A few weeks ago Mr. Macy was the attorney in a divorce case. The woman left her husband—and she also left her false teeth in a cupboard. She wanted them, and Mr. Macy wrote for them. The man sent them—in a tobacco tin.

## Tornado Path Is Cleared By Heroic Efforts

(Continued from page 1) ed. De Soto with 71 dead. Gorham with 64 killed, and Parrish with a loss of 43 lives were almost annihilated. Griffin was the heaviest loser in Indiana and in fact in the whole storm, for only a building or two were left standing and of its meager population 58 were crushed to death and 200 were injured. Yet even this town will rebuild, the few survivors said today. And Griffin is still in the throes of death for it reported four dead tonight to add to its previous total of 54.

## Call Is Issued For All Willamette Sport Men

All Willamette university men interested in spring sports that have not left Salem during spring vacation will report at the Willamette gym at 2 o'clock Monday afternoon. It is expected that the question of what sports the university will engage in for the season will be settled at that time. Willamette has a number of veterans back from last year's track, tennis and baseball squads and it is expected that a successful season will follow.

## Daniel Boones Defeat Leaders by 11-10 Score

The Daniel Boone Pioneer club beat the Leaders at the YMCA on Saturday by the score of 11 to 10. Hobson and Houton, forwards, tied for high point man with 4 points each. The game was the snappiest of the season and the defense of the Daniel Boones the best seen at the YMCA for some time. Ahdy Byrd was high point man for the losing team.

## Two Champions of World Meet When Nurmi and Behring Meet

ESTHER BEHRING and PAAVO NURMI

"A thrill that comes once in a life time," is the way Esther Behring, captain of the Prudential Insurance A. A. relay team and American champion woman shot-putter and basket ball thrower, described her experience of being photographed with Paavo Nurmi, of Finland, the world's champion runner.

The photograph was made during an athletic meet in Newark, N. J., where Miss Behring is employed in the home offices of the Prudential. "Some girls," Miss Behring said, "would have been more enthralled by going to luncheon with Rudolph Valentino or being seen with Doug Fairbanks or Jack Dempsey, but I don't hope ever to be more excited than I was when I was invited to pose for a picture with Nurmi before six thousand excited track followers. It was a big surprise to me when I was told that I was to be introduced to Nurmi and to be the first and only American girl photographed with him since he arrived in this country."

## GRANGE BACKS CO-OPERATION

### Resolutions Are Passed at Monthly Meeting Saturday; Delegates Named

At the monthly meeting of Salem grange No. 7, held Saturday afternoon, resolutions were presented favoring cooperation among farmers. The resolution will be officially acted on at the next meeting of Salem grange to be held April 18. The committee offering the resolution included J. J. McDonald, F. A. Myers, W. D. Mohney and Milton Brown. Another resolution on proportional representation was offered at the request of the state grange. This will also be acted on at the next meeting.

Delegates to the state grange meeting to be held in June at Dallas, were appointed. These were Mr. and Mrs. C. H. Taylor of Turner, Alternate, Dr. A. Slaught. Announcement was made that invitations had been received from the Woodburn grange to attend the April meeting and also one from Stayton, when the Salem grange will be asked to confer the first and second degrees on five candidates.

At the meeting held yesterday Mr. and Mrs. Edward Dencer of

the Liberty district were initiated. Also Mrs. Elsie De Vine, who transferred her membership from Colorado. Memorial services were held for Miss Ella Smith and Jas. R. Gibson.

The address of the afternoon was delivered by Clarence W. Noble, owner of the famous Skyline walnut orchards. Mr. Noble has just returned from a six months visit in Japan and China. He told many interesting facts regarding agriculture and industries in those two countries.

An invitation to attend a meeting of Pomona grange, which will be held April 15 at Turner, was accepted.

## RICKEY

Rickey is among the first of the schools. Ten have an examination conducted by the Marion county child health demonstration. All parents are asked to bring their children to the schoolhouse Thursday or Friday between 9:30 and 3:30, where they will be examined by Dr. Elnora Thomson, a child specialist. No child will be examined without the consent of the parents and no child under 6 years unless a parent is present. A special request is made that the babies be brought.

Mrs. T. Wallace has returned from a visit with relatives at Eugene.

Miss Hazel Harris and Allen Van Cleave of Portland were week-end guests of Mr. and Mrs. D. A. Harris.

Mr. and Mrs. A. W. Binegar spent part of the week in Portland.

Mary Mae Parsons who was quite ill is much improved.

DOCTOR HELD SANE DENVER, Colo., March 21.—Dr. Harold E. Blazer, 61-year-old physician, accused of killing his 32-year-old "child woman" daughter, Hazel, today was declared by alienists to be sane at the present time and on February 24, the day of the alleged slaying.

## CORNS

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn. Instantly that corn stops hurting, then shortly you lift it right off with fingers. Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.—Adv.

## Rickenbacker A CAR WORTHY OF ITS NAME

## "Three Flags" Record Broken 1,558 Miles, in 40 Hours, 47 Minutes Elapsed Time!

And now, Rickenbacker Six with Cannon Ball Baker at the wheel, lowers the longest North-South road record.

This is the famous "Three Flags" run from the Canadian Border to Tia Juana, Mexico—British Columbia; Washington; Oregon; California; Mexico.

Same car, same driver, which made the great Coast to Coast drive—3106.5 miles in 71 hours 33 minutes, actual driving time—did it.

1558 miles, in 40 hours, 47 minutes—elapsed time!

Consider that, since 1911 when the first "pathfinder" took weeks to make the drive, one car after another has gone after this much coveted "Three Flags" record.

As roads improved and cars improved still more, each in turn clipped a few minutes off. This record has been lowered and lowered, until finally the time came to be computed in hours.

Seemed as if no car—no driver—could lower the record as it has stood for some time now—52 hours 41 minutes.

Remember, this route crosses three mountain ranges—Cascades, Siskiyou and the Tehachapi. And the road zig-zags back and forth as it climbs—switches back and forth hundreds of times as it descends with steep inclines on the other side.

It's a gigantic game of "crack the whip." Only a car that is a phenomenon in stamina—easy steering and positive in control could stand the strain. "4-wheel Brakes made this record," says Baker.

Only a car that could take the steepest up-grades at 45 miles per hour—and 50 on down-grades; brakes that could decelerate so quickly as to take the hair-pin turns, in safety, then get away again.

If brakes failed—the precipice was the only alternative. Rickenbacker mechanical brakes never fail. But this great car wasn't content to shave seconds or clip minutes off the former record.

It chopped hours off—11 hours and 54 minutes! Let what car can, lower that! It will have to be some automobile.

Does not this test prove that this car possesses all the qualities you desire in your next car?

Power—sustained power; Speed—sustained speed; hill-climbing; wonderful acceleration and deceleration. Perfect brakes.

Drive this Rickenbacker Six yourself—it will be a revelation to you.
