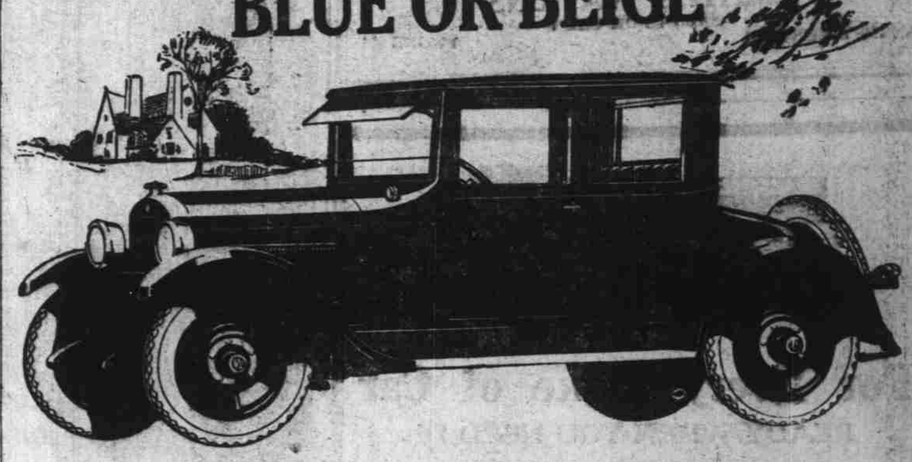
A BEAUTIFUL MODEL IN BLUE OR BEIGE



A ride in his compact four-passenger Hupmobile coupe will make it clear why it is so much used as an individual car.

Its color of blue or beige greatly enhances its appearance. And the Duco finish retains that new car look indefinitely. Balloon tires are available at slight extra cost as are natural wood or disc steel wheels.

The fourth seat is full-size, with thickly-padded spring cushions. Space behind the driver's seat offers a convenient place for parcels.

The capacious rear deck compartment accommodates suit cases, golf bags, and so on.

Most important of all, this car assures you of the kind of behavior, the long life and the daily service which have brought thousands of the keenest motor car judges to the conviction that no other car can possibly match the Hupmobile in these qualities.

We urge you to let us demonstrate this handsome model. A phone call will bring one to your door—and the obligation will be entirely on our part.

A Few Short Years Ago

"Western Auto" opened its first store on the Pacific Coast. From this humble beginning has grown the largest organization of its kind in the world, operating 120 stores, located in the leading cities of nine western states.

The motorists of the west were quick to realize the many advantages of buying at "Western Auto." They were quick to sense the security of doing business with a store that guarantees satisfaction. They were quick to appreciate the savings which "Western Auto" offered them. They knew that "Western Auto" carries the most complete stock of dependable Accessories, Supplies and Parts. They learned to look upon the "Western Auto" salesmen and managers as their friends—men that they could trust—men always ready and happy to serve in the full meaning of our slogan, "Saving and Service with a Smile."

Last year, five million individual sales were made in "Western Auto" stores. You will better understand the reasons for "Western Auto's" tremendous growth and the reasons why so many motorists have designated their "Western Auto" store as "Auto Supply Headquarters," if you will visit the store in your locality and make the acquaintance of the store manager.
