Though pursuit was started within five minutes, one man was caught that night, one the following night, two Tuesday night and the fifth Thursday night. The sixth man is still at liberty. ## WRINKLES

Wrinkles are not always the penalty of advancing years. The muscular strain and fatigue resulting from defective vision are worse offenders in this respect than Father Time.

No amount of cosmetic treatment or massaging will eradicate these wrinkles. The only effective way to erase them is to restore the proper balance of the features by corrective glasses.

And today our best skill and imagination are devoted to the task of making eyeglasses personal ornaments of real beauty.
