President Doney Fails to Notify Trustees if Will Return to Campus

At a news conference today, Dr. Doney announced that he will return to campus within two months. He said that his decision was based on the fact that the university can function effectively without him.

The trustees were informed of Dr. Doney's decision by letter yesterday. They said that they were pleased with the announcement and that they look forward to working closely with Dr. Doney to ensure the continued success of the university.
