Many Cities in Oregon and Washington Hear Willamette Songsters

The Willamette University mens' and womens' glee clubs are now back on the campus after their annual tour. This year the clubs made their trips by motor bus and covered a large portion of Oregon and Washington. The women's club gave 12 concerts on their tour and covered over 900 miles, the men gave 14 concerts and covered about 1000 miles. One of the features of the trip was the joint concert given from the Oregonian Radio station KGW.

The clubs gave programs in a number of different places ranging from high schools to churches and theaters. The audiences were different in a great many cases although a full house attended the concerts.

The feature stunts attracted the most attention for the women's club, "Three Old Maids," and "Dutch Love." One of the interesting portions of the men's trip was their visit to the Bremerton navy yards.

The trips were a financial success as there is enough money left over from the financing the trip to pay for a joint banquet to be held some time soon.
