Flush Your Kidneys Occasionally By Drinking Quarts of Good Water.

No man or woman can make a mistake by flushing the kidneys occasionally, says a well known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constinution, dizziness, sleeplessness, bladder disorders often

come from sluggish kidneys, The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive; full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and -take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity; also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder

disorders. Jad Salts is inexpensive and can not injure; makes a delightful motored to Silverton Sunday and effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney who have been sick with the flu, complications. By all means have your physician examine your kid-The fruit trees are nearly all neys at least twice a year. - Adv.
