

# LEWIS TAKES DECISION OVER DAWSON AT ARMORY LAST NIGHT

## EUGENE BOXER IS OUTPUNCHED

Billy Gardeau Challenges Winner for Last Card of Season April 24th

Frankie Lewis of Eugene hammered Charlie Dawson of Eugene for 19 heartrending rounds last

night and won a decision over his opponent in the second to the last card to be offered at the Armory this season. Both men announced their weights at 137 1/2 pounds. In the semi-windup Billy Robbins of Portland knocked out Kid McCormick of Oregon City in the fifth round. The two lads fought at 105 pounds each.

Billy Gardeau was on deck to challenge the winner of the main event and will meet Lewis on April 24, this card to close the season, according to an announcement made by Matchmaker Harry Plant.

When Lewis objected to the amount of tape Dawson had on his hands before the fight started, Dawson left the ring and returned with his hands bare.

Dawson took the first and his only round, landing more blows than the Indian. The Indian, with some mighty wallops, proceeded to wade into Dawson for the remainder of the fight, trying his best for a sleep-producing punch. Dawson was floored in the fifth and again in the eighth, when Lewis launched a heavy offensive. Both times he took advantage of the count.

Lewis was the aggressor throughout the 10 rounds, coming in fast on top of Dawson. The Eugene boxer missed several swings and failed to take advantage of several opportunities and did not follow up.

Billy Robbins had the reach on Kid McCormick in the six-round semi-finals, and had the Kid hanging on the ropes several times. McCormick was floored four times in the fourth and fifth rounds, and in the fifth, after being wuffed to the canvass, his seconds tossed in a towel and picked the Kid off the floor.

One round was sufficient for Pee-wee Bond of Eugene when he met Eddie Sanderson of Chemawa. Bond walked into one of Eddie's fast ones with the result that he was up-ended shortly after the first tap of the gong. Eddie weighed 118 pounds and Pee-wee 110 pounds.

Eddie Patzer got booted in his appearance in the ring with Shadow Gretz. He got tapped on the chin, started to get up, then changed his mind and sat down until after counted out. Eddie weighed 150 pounds and Gretz six pounds lighter.

Two eggs, both soft-boiled, gave a "love-bird duet" and an excellent imitation of what a fighter "aint." Before the fight was many seconds old it was stopped by Referee Tom Louttit of Portland, who had warned them several times to mix things a little bit. This brilliant pair was Jack Roberts, 140 pounds, of Albany, and an apple-knocker named

## BEARCATS REVIVE TRACK PROSPECTS

Finances Are Provided for Season by Executive Committee Friday

Track prospects at Willamette university are again revived after the almost fatal blow dealt them a short while ago by the athletic council. The matter was taken up by the executive committee and it was voted to turn over a sum of \$200 of the school athletic fund for the financing of track. Of this fund at least \$50 must be spent for improvements and repairs on the track. The other \$150 will, in all probability, be spent for financing a number of meets.

The set-back given track by the action of the athletic council will prevent the men from doing any heavy squad work before next week, but as a meet is scheduled for May 9, Coach Sparks will try to whip the squad into form as rapidly as possible.

A number of men reported Friday afternoon, including Joel Berreman, member of the men's debate team. Berreman will be used in the distances, along with Crawford, Hammond and Kutch.

There is a large number of weight men on the field this year, including the veterans Stolzheise and Adams. Wyman and Mudray are among the new men who are

showing up well in this activity. Henry Hartley, basketball center, is reporting and will be used in the jumps and hurdles. Keith Rhodes and Leroy Walker are showing up well in the sprints and will soon be in condition. About 25 men will be reporting on the field by next Monday afternoon.

## Salem Business Men Win in Volley Ball

Salem business men came off victors in the volley ball contest staged in Corvallis at the OAC gymnasium between four teams. Teams competing were the OAC faculty, Corvallis business men, Salem YMCA and the Eugene YMCA.

In the first round Salem defeated the Aggie faculty by a score of 3 to 0, while the Eugene team defeated the Corvallis team, and in turn the Salem business men trounced the Eugene players by one point, thus winning the district championship in volley ball.

The Salem team was composed of Dr. Barrick, captain; N. Hillborn, Si Eakin, Fred Aumensen, P. H. Acton, W. Race, Byron Wright and R. R. Boardman, manager. A feed was served afterward to the visitors.

## INSECT BITE SERIOUS

BEND, Or., April 10.—H. L. Neel of Fort Rock is in a Bend hospital the victim of a sage tick, a carrier of the greatly feared spotted fever. Neel was bitten by the tick more than a week ago. His fever today reached 103.

## BEARCATS PLAY CONVICTS TODAY

Baseball Season Opens Officially Against Pacific College Tuesday

The Willamette University baseball team has been working out regularly during the past week with special emphasis on batting and bunting practice. The pitching staff is apparently strong this year as the veterans, Ellis, Robertson and Poling, are back in school. The staff has been strengthened by the addition of Charles Reeding, member of the debate squad and an experienced hurler from Ft. Dodge high school.

Poling is a versatile man and may be shifted from the mound to second base if conditions warrant. Fasnacht has been removed from third base to short and Isham will probably be used on third. Herman has the edge on the first base at present. Other infield men who have shown up well are Roundtree, Walsh, and McAllister.

Nakano, Johnson, and Hanson are showing up well in the outfield.

The spring sport schedule is by no means complete although several events have been scheduled. A practice game with the state prison team will be played today and the season will open with Pacific College Tuesday. Linfield will be played here April 25 and

a return game will be played there May 2. The squad will meet Pacific University here May 8 and the return game will be played there May 15. On May 19 the squad will meet the College of Puget Sound here. Other games will be played with Monmouth, Albany College, and a two-game series will be played with OAC. The track squad will meet Linfield and Pacific University, with a probable additional meet here for May Day.

The tennis squad will meet Lin-

field on the same days as the baseball games are played. Additional meets will probably be arranged with the College of Puget Sound, Pacific University, and the Oregon Aggies.

## MILL CITY VICTORIOUS

Mill City took a victory from the second team of the Salem business men by a 2 to 1 score last night on the YMCA floor. The local boys did not get warmed up soon enough and the visitors were able to smother them up, before they got into action.
