THE WOMAN'S Evangelistic Prayer league will meet at 9 o'clock this morning at the home of Mrs. C. A. Clark, 638 North Church street. Mrs. George L. Lovell will be the leader.

A musical and social evening was enjoyed on Tuesday by the Salem Arts league at the Woman's club house, the occasion being the closing general meeting of the year. The program, given by the music section of the league, opened with two well-chosen numbers by Mr. R. D. Barton, who is possessed of an exceptionally rich baritone voice. Miss Claudine Gerth, who is a promising young student of violin at the Sacred Heart academy, gave splendid interpretation in her numbers. Mrs. Monroe Gilbert, who is gifted with many versatile talents, was at her best on Tuesday night in her bright, spring songs. Mrs. Martin Fereshethian, another welcome vocalist heard on the program, has a contralto voice that has pleased Salem audiences many times. Miss Helen Sellig, one of Salem's most attractive musical personalities, delighted with the style and finish of her violin numbers.

Mrs. John P. Lau's contralto voice was well adapted to the number she sang and admirably complemented with the viol obbligato played by Mr. Lau. Miss Frances Virginia Melton, head of the piano department at Willamette university, is always a welcome and gracious addition to any program. Her word-pictures, preceding her numbers, add much to the interest. Mrs. Harry M. Harms, a soprano with a voice of unusually pure quality, was again heard to advantage. Earl Kennell is a new soloist to Salem audiences, and from the reception his splendid tenor voice was given on Tuesday evening, he

will soon be one of the most popular ones. Interesting on the program was "Azure Wings," an attractive, lilted composition of which the words and music were both Mrs. J. M. (Isabel-Gray) Clifford's own. A candelabra of pink candles on a mirror-circled with smilax centered the table which was arranged by Mrs. John R. Sites. Dark glass bowls of tulips were used on either end. Presiding at the urns were Mrs. G. Ehsen and Mrs. E. I. Doan. Miss Marie Roberts had charge of the refreshments.

The Willing Workers' class of the First Christian church will meet on Friday afternoon at the home of the teacher, Mrs. Will May, 445 South Capitol street, for needlework and a social time. The Zena Community club will enjoy one of the most interesting meetings of the season on Friday night at the school house. J. P. Smart will sing a number of Scotch selections and Mrs. Mercer of Salem will entertain with readings. The program promises to be replete with wit and humor. The committee in charge of the program includes: Wayne Henry, Roy Barker, and Vivian Cochran. Refreshments of ice cream and cake will be served at the close of the evening. The following will be the program: Song, "America." Recitation, Ellis Walling; Piano duet, Hilda and Frank Crawford; Recitation, Elaine Worthington; Solo, Donald Scott; Recitation, Eloise Cochran; Scotch solos, J. P. Smart; Reading, Mrs. Mercer; One act comedy, "The Census Taker".

Lavender lilies were arranged about the rooms in appropriate baskets. Special guests invited to meet with the club included: Mrs. David Eyre, Mrs. Orris Fry, and Mrs. Hollis Huntington. Mrs. Huntington was winner of the guest prize for the afternoon.

church. Lloyd Waltz gave a number of splendid readings. A business meeting followed the dinner.

The social committee in charge included: Mrs. Cecil Hawley, chairman, Mrs. Lola Cook Bellinger, Mrs. Carl Abrams, Mrs. Daniel Mosher and Mrs. Charles Roblin. Red tulips were used attractively on the tables.

The newly formed French section of the American Association of University Women will meet at 7:15 o'clock this evening at the home of Dr. and Mrs. Fredrick Hill Thompson, 351 North Summer street.

Among the out-of-town guests who attended the vocal concert given by Miss Naomi Phelps on Tuesday evening at the First Christian church were Mr. and Mrs. James Leach and daughter, Virginia, and Mr. and Mrs. Walter Young of Dallas. So enthusiastic was the group over the concert that was inimitably artistic and yet absolutely free of all that was "high-brow" that they made immediate arrangements for a similar concert in Dallas. The fact that Miss Phelps has her mother, Mrs. Guy Fitch Phelps as accompanist lends a charming note to these recitals, with the readings of Mrs. Chase adding an agreeable versatility.

Hal Hibbard Auxiliary will meet tomorrow for their April social afternoon at the home of Mrs. John Seymour, 1425 N. Winter street.

The home-coming meeting of the Mizpah and Men's Bible classes of the Jason Lee Methodist church will be an event of Friday evening at the church for 7:30 o'clock.

Mrs. George King is entertaining as her house-guest, Mrs. F. H. Carter of Pendleton.

Among those spending the Easter vacation at Newport were Elizabeth, Ellen Jane, and Bina May Shanks.

The Thursday club will meet this afternoon as the guests of Mrs. E. C. Cross, Mrs. Russell Catlin, and Mrs. H. B. Thielsen, at the Cross home, 1185 Chemeketa street.

A post-lenten dance sponsored by the L. J.'s of St. Paul's Episcopal church school will be given Friday evening, April 17, in St. Paul's parish house. The affair is to be in the nature of a benefit—the proceeds going toward the church building fund.

The young people in charge compose one of the most active organizations in the church. Each year they have sponsored some large affair—and this year they have arranged a dance to which the public is cordially invited.

The Pied Piper orchestra, a splendid five-piece organization, will furnish the music. A feature dance is also being arranged. The hall will be decorated in keeping with the springtime season by the committee in charge.

Miss Nancy Thielsen and Mr. Jack Spong, assisted by other members of the class, are making the complete arrangements.

Professor and Mrs. Donald W. Riddle are leaving at noon today by motor for Modesto, Cal., where Professor Riddle will conduct classes for the Standard Training school of Religious Education under the Methodist Sunday school board. Professor Riddle will return to Salem a week from Sunday while Mrs. Riddle will go to Los Angeles where she will be the house-guest of a friend who was bridesmaid at her wedding. The following week Professor Riddle will return again to California to conduct a second session of classes in Oakland, and return home with Mrs. Riddle early in May.

Mrs. R. Simeral was hostess at a delightful affair of Tuesday afternoon when she entertained guests at four tables of bridge. Tulips in shades of lavender and old rose were attractively used in the floral motif. Mrs. Earle Daise won the high score of the afternoon, while the consolation award went to Mrs. Karl Chapler. At the tea hour the hostess was assisted by Mrs. Borgenson and Mrs. Carl Armstrong.

Mrs. Simeral's guests for the afternoon included: Mrs. Lawrence Oberer, Mrs. Earle Daise, Mrs. Otto Hopper, Mrs. Carl Armstrong, Mrs. Merrill Ohling, Mrs. Earl Paulsen, Mrs. Karl Chapler, Mrs. Jesse George, Mrs. Arthur Borgenson, Mrs. Edwin Armstrong, Mrs. Reed Rowland, Mrs. E. C. Purvino, Mrs. James Teed, Mrs. George Nelson, Mrs. Oscar Zeller, and Mrs. Armin Berger.

Hofer was the guest prize of the afternoon, with high score among the members going to Mrs. J. C. Griffith.

Rev. and Mrs. Fred W. Taylor of Sioux City, Iowa, accompanied by their family, are expected to arrive in Salem today to take up their residence at the First Methodist church parsonage on State street. It is probable that Mr. Taylor will be in attendance at the church prayer meeting this evening.

The Salem high school will be ably represented in the inter-state high school musical tournament to be held at Forest Grove Friday and Saturday of this week. SCHOOL FUNDS ARE FINANCIALLY GOOD

Trial Balance of March 31 is Made by Associated Student Body

The trial balance of March 31 for the Associated Student body of the Salem high school, as shown by Edgar A. Tibbets, chairman of the financial committee, shows that money affairs are going fine.

Besides allowing \$500 to be used in the construction of the athletic field for the high school, the associated student body has a budget allowance of \$14.80 for tennis; baseball, \$200.75; basketball has no budget allowance, but is \$545.55 to the good; football has an allowance of \$300, but according to the statement, show there is left \$134.65 of the budget allowance, with several outstanding bills.

In order to pay for the coach's salary \$325 will have to be advanced from the funds of the basketball, which will leave \$220.55 in the general account. In addition, the senior class of 1924 is to contribute possibly a sum of \$170 to be used in beautifying the grounds of the new field.

Debate has \$63.65 left in the budget allowance, with the debaters ruled from the state contest. Track has \$146.75 left in the allowance, which will be used.

The general account has but \$1554.69 to meet the deficits accrued and amounting to approximately \$1,000; in addition the fund must be used to meet the deficit of the Clarion or the Clarion annual. The annual has present a budget allowance of \$200 and a credit balance of \$1241.95 to apply on an estimated cost of between \$2700 and \$2900.

The Clarion has no budget allowance, but a credit balance of \$745.48.

M'NARY BELIEVES SUCCESS IS DUE

Nothing Certain But Death Declares Attorney But Flax Looks Good

"There is nothing certain but death," declared John H. McNary, prominent attorney, before the Rotary club at their regular meeting Wednesday in explaining the linen mill project to the members.

"Observing certain economic principles I am led to believe that it will be a success. The climatic conditions are extremely favorable and are better in some respects to the conditions in Canada and in Europe. Our water is free from minerals, and in addition we have well known and successful men offering to assist us in the organization of the \$540,000 linen mill in this city.

"Flax growing is an established fact for the Willamette valley. Ever since the organization of the pioneer oil works we have been experimenting with flax and have demonstrated that it can be grown here. It is on a par with flax grown in other parts of the world.

FASHIONS & FOIBLES

The softer styles that Paris offers for Spring and early Summer make use of the cascade jabots and fuller sleeves admirably suited to light silks and cottons.

JAISOT is a word that one hears often in connection with Spring styles. Sometimes it is only a tiny frill below the V of a neck opening. Sometimes it is the more or less inaccurate name for a cascade drapery at the front of a dress. Or again, as in the frock illustrated, it is a shoulder-to-hip frill at the side. Like the new full sleeve it requires the lighter touch of Georgette or chiffon on printed satin, crosswise printed silks, etc. On crepe de Chine, silk crepe and Georgette both jabot and sleeve cap be made of the dress fabric.

and superior to any product of the North American continent," continued the speaker.

"When people dig down into their pockets it is a fact that they are interested in the development of their city. It is for that reason that Salem people are promoting the new industry here. It is a good investment. We grow our raw materials here, which can be converted into the best possible grade of linens and we have a market that consumes more linen than any other two countries in the world. The product is imported into the United States to the extent of 25 million dollars each year. Every one in the United States can afford linen—the working man as well as the professional man—and we will be the only domestic mill to supply the demand of this country.

"This is the first opportunity Salem has ever had to go ahead. It is a turning point in the history of the city, and the opportunity, if not seized, will not be presented again within the life-

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe for Bringing Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or straggled, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

time of many of the men present here today.

"I for one am willing to see Salem take her place among the cities of the west and from the bottom of my heart I fully endorse this project. Words are extravagant, and I will not tell you fully how I would feel if this opportunity was turned down. I would lose many friends in Salem."

Miss Helen Jones of Hood River who is appearing at the Oregon theater this week, favored the Rotary club with a solo and encores.
