A SPRING FAVORITE
Possibly all of you have either cooked or eaten some fresh rhubarb already this Spring. It looks so good even though we pay about twice as much for it now as we will have to later, still we buy some of the attractive pink stalks and all almost its weight in sugar.

After cooking it we think it really was worth it after all.
If you have your own garden and can raise rhubarb you are fortunate as it is a fruit which is excellent. Later of course there are other fruits to be substituted occasionally the summer through.
Rhubarb is especially valuable

for its mineral content and is of value in our diet also for its laxative qualities. Containing the same vitamins found in both oranges and lemons, it rises higher in estimation. Many who cook rhubarb use it in but two ways—stewed or in the form of pies, how ever there are many excellent

ways it can be served. Try baking it next time instead of stewing. A good combination when rhubarb is both scarce and high in price is baked rhubarb and apples. Prepare as for baked rhubarb quartering the apples, and mix with the cubed rhubarb. Another good suggestion for the use of rhubarb is in this recipe for rhubarb puffs:

the well beaten whites of the eggs and beat the mixture until it is smooth and thick. Serve cold.

A Delicious, Inexpensive Dessert.
Bake a loaf of soft gingerbread, split and spread while hot with warm apple sauce, having a layer of the sauce on top. Serve either plain or with whipped cream. It's delicious.
For Crispy Potato Chips
Slice potatoes very thin, cover with cold water and let them soak for two or three hours. Dry them well before frying and you will find they will be more crisp, as the starch has been soaked out.

Silverton Police Chief Shows Courtesy to Cow

SILVERTON, Ore., April 17.—"Kind to Animals" week was observed at Silverton this week when Chief of Police Gaines proved the fairly godmother to a cow which had been left in an automobile on the street for sometime. Her head was tied in an uncomfortable manner. The cow had been purchased by a Portland man and left in an automobile on North Water street at about 10 a. m. Mr. Gaines noted that she had been standing there for some time, and then moved her to a nearby barn where he unloaded her. The owner returned for the cow at 3 p. m. He failed to appreciate the courtesy shown his
