Denial is Made By Administration
 (Continued from page 1)
 reports gleaned from campus gossip. The actual facts are these: "I have received reports, from sources outside the institution, leading me to suspect that certain students have been frequenting pool halls about town, going to dances, and indulging in various petty vices of a similar nature. These things are not positively forbidden by our regulations, but they are frowned upon by them, and I considered it my duty to investigate. I did so. "With the exception of one girl, whose name I am withholding, I have not received the name of any Willamette student from a student in this connection. I consider that I have a perfect right to use in-

formation against her, but I do so. "If anyone on this campus really does entertain a sincere belief that he has been requested by this administration to spy upon other students and report offenders, I want him, as well as the public, to understand clearly that such is not the case. I am not discussing whether or not I have a right to employ such methods—I am merely making this statement to clarify the situation. "It would seem that some of our students have the idea that they can go into pool halls and other places not of highest repute and not be seen by anybody but other Willamette students. The fact is that many others know about it, and for the good of the university and of their own accord, have given definite information. "No one has been expelled from school because of going into pool halls, but our general attitude is that we do not care to have such types among our students, and would rather that they go somewhere else."

FIGHTERS READY FOR COMING BOUT
 One of Best Cards of Season Will be Staged at Armory Friday Night

Two fast preliminaries have been lined up by Matchmaker Harry Plant for the next boxing card at the armory, to be offered Friday night. Both Frankie Lewis, of Salem, and Billy Cardeau, of Portland, are in good condition for their meeting in the 10-round main event. Lewis is taking no chances and is working out nightly at the armory. Lewis and Cardeau met in the ring once before, the meeting resulting in a draw. Both are out for the decision this week. In the semi-finals, Big Bill Hunt, Salem fireman, will meet "Speed" Murphy of Portland. Hunt is coming to the front in the heavyweight class and will give the fans their money's worth. Matchmaker Plant will admit a lady with each of the downstairs general admission tickets.

NORMAL BASEBALL TEAM DUE MONDAY

Game With Willamette Bears is Hinging Upon Weather Conditions

If weather conditions are suitable the Willamette University baseball squad will meet the Oregon Normal School of Monmouth on the Willamette diamond at 4 o'clock Monday afternoon. This will be the first home game for the Bearcats this season and their second game. The Willamette men got off with a good start this year by defeating Pacific College of Newberg to the tune of 11-1 in the initial game played there recently. The Bearcat spring sports men have been seriously handicapped by bad weather for the past week as it has been impossible for any of the squads, track, baseball, or tennis to work out to any great advantage on the field. All of the men are trying to keep in condition however by working as best they can under cover.

OLYMPIC CHAMP DEFEATS MAURUS

Robin Reed, UOU, Takes Best Two Out of Three Falls at Albany

Robin Reed, wrestling instructor at OAC and Olympic champion successfully defended himself against Johnnie Maurus, of Oakland, in the Pacific welterweight belt at Albany Friday evening by taking two best out of three falls. Wrestling fans got one of the best exhibitions of bone twisting that has been offered in Albany for many a day. Maurus and Reed were evenly matched, each one entering the ring weighing 140 pounds. The first fall went to Reed, who secured a wrist lock and arm hold on the Oakland body and made him pat the mat in 58 minutes. The second fall went to the visitor, who placed Reed in a precarious crotch hold, and pinned his shoulders to the mat. The last fall was holly contested and was brought to an end with the same kind of a hold as used in the first fall. So quickly did Reed pin his adversary to the mat, that there was confusion among the fans, as the referee began to untangle arms and legs of the two men. Not until the official announcement was made that the matter was explained. Reed was determined to get the match and put every thing into it. His remarkable speed placed him far ahead of Maurus, who being ringwise, made most of the rest (at came his way. Due to the training necessary to get down to weight, Reed was weakened and had lost some of his speed. This however, did not keep him from placing gruelling holds upon the opponent. Maurus wriggled out of several difficult holds, only to fall into the wrist and arm hold that made him pound the mat with his fee hand.

Inter-City Match Play is Postponed in Golf Tourney

Fred A. Williams, chairman of the tournament committee, announces that the match play between Vancouver Country club and Illihee Country club has been postponed until next Sunday. The excessive rain during the past

week has softened the greens so that it would be permanently injurious to play on them at this time. The semi-finals for the Al Krause trophies, however, will continue and Hixson will play MacLaughlin and Sanford will play Woods in the cup flight. Olinger will play Kay and Farmer will play Locke in the trophy

flight, subject, of course, to changes to suit the convenience of the contestants. It is hoped, however, that the club members will all be out to practice and as many temporary greens will be employed as is necessary. The farmer is saved for the moment. Congress didn't do anything about him.
