Your Eyes

YOUR EYES are your most important possession. Nearly all information comes through the eyes. Your pleasures, your success in school, in your chosen profession in life, and your earning capacity are all dependent on good, strong, healthy eyes. Any thing that is worth having is worth caring for. Your eyes are entitled to conscientious, careful thought. Such care implies an accurate eye examination periodically, lenses fitted carefully to correct sight where it is defective, and eye health habits that will prolong keen vision. We are always glad to advise you.
