AGGIE-BEARCAT GAME POSTPONED

Teachers Will Play Today Sweetland Field if Weather Permits

The Willamette University-Oregon Aggie baseball game scheduled to be played at Corvallis yesterday was called off on account of rain. The Bearcats will cross bats with the Oregon Normal school, of Monmouth, on the Willamette diamond at 4 o'clock this afternoon if the weather is favorable. The Bearcats have been having an exceptional run of hard luck these last few days in trying to find some day in which they could crowd in a game without getting wet. The game this afternoon will be the first home contest of the season for Willamette.

LAUREL FOR INDIAN AS A WHEAT GROWER

GLACIER PARK, Mont., April 22.—Middle Rider, an Indian, won the blue ribbon award for the finest wheat raised on the Glacier national park reservation in 1923. The award was made at the mid-winter fair of the Blackfoot valley held at the agency town of Browning, Mont., recently. Superintendent Campbell's five-year educational program among the Indians of the Glacier park reservation resulted in so much wheat being raised by the Indians that the government erected a second flour mill to take care of their grist.

Early Opening McKenzie Pass Is Object of League

Efforts are being made by local members of the American Legion post to have McKenzie Pass opened up in time for the Oregon state convention of the organization, to be held at Prineville.

A big caravan is planned by the posts of Southern Oregon, who are to gather at the summit for a barbecue feed put on by the Eugene post. Great times are to be held at the convention, according to the plans being made by all posts.

Efforts are to be made by the state highway department in getting the pass open, as several departments of the federal government are anxious to get the way clear for early mountain work.

INDIANS BEATEN BY HIGH SCHOOL

The Salem high school nine took a bundle of surprises to the Chemawa Indians yesterday afternoon and trimmed them by a score of 7 to 4.

The Indians made three runs in the last half of the ninth inning, when they took three hits. Nevertheless, the Salem players had the advantage of the whole game. In every branch they took them to task and brought out the merit of their own playing.

Fabry did the work in the pitcher's box, with Kelley in the hole.

The Indians used George at the pitcher's box and Atkins at the home plate.

The all around team work of the Salem players was responsible for the victory, a complete surprise to the Indians, who hold two defeats over the local nine, during the past two years.

The two teams are to meet again on May 2.
