### Salem Registers Two Wins in the Intercity League; Play Papermakers Next

Two of the fastest teams in the Interstate baseball league have been defeated by the Salem Senators this season with the Vancouver, Wash., team going home Sunday with the small end of a 11 to 3 score.

Three more runs were annexed in the fifth when Keene lopped the pill over the fence and cleared the bases, bringing in Coleman and Steers ahead of him.

### ILLIHEE GOLFERS BEAT VANCOUVER

Interoity Match Is Won Sunday by One-Sided Score of 32 to 4

One of the greatest days of the year was observed at the Illihee Country club Sunday when the Vancouver turt-raisers came out for the inter-city meet, dropping the contest 32 to 4. Many of the visitors were here with their families.

It was a sort of home-coming for many of the Vancouver people, because they know Salem very well, having been here on several occasions. They even commented upon the turf.

Fred A. Williams, local attorney stated: "Even the fairway reminded one of a home-made haircut, with cat-steps, gouges and bumps. It looked like a cowpuncher had dragged a lawn mower over it and smoothed it down with a maverick, but the greens stood out like an oasis on the Sahara desert. The Vancouver boys say they have been playing on a pasture at Vancouver, so that did not bother them much.

### Game Called For 4 O'clock; Three Straight College Games Are Won

The Willamette university baseball squad will meet the Oregon Aggies on the Willamette diamond at 4 o'clock this afternoon. This is to be one of the big games of the year, for OAC is considered to be one of the best college teams on the coast. The Bearcats have won three straight college games this year and have lost only to the Oregon state prison, so they must be considered as a comparatively strong squad.

The Willamette team has improved greatly over their showing of last year and should be able to furnish competition for any college team of their standing on the coast. The squad has emphasized hitting and bunting in the practices and consequently they are stronger than usual in this department. The infield has been playing good ball in the last four games and will play almost errorless ball if they can continue their
