AGGIES TRIM BEARCATS 13-2

Six Runs Are Gained in Second Inning; Three Pitchers Given Opportunity

The Willamette university baseball squad met their first intercollegiate defeat of this season at the hands of the Oregon Agricultural college by the score of 13-2 in an interesting game played on the Willamette diamond yesterday afternoon.

walk given by the Aggie pitcher when the bases were full. Ellis scored the other run when an over-throw was made to third by the visiting catcher.

The comparative score shows Willamette to be about the same strength as Pacific university and the other small schools of the coast and the Bearcats are expected to rate fairly well in the final collegiate standing.

The infield played creditable ball with the exception of a few errors including the one made by Fasnacht, short stop, which resulted in an extra run for the Aggies.

Lineups were as follows: Willamette (2) OAC (13)

BIKE PARADE IS TO BE HELD HERE

Safety First Program Outlined For Bicycle Riders; Many Entries

Got a bike? Well, get it out and oil it up. You'll want it Saturday forenoon when the "Sociability" ride and decorated wheel parade takes place under the auspices of the local bicycle dealers.

The affair will start from Waverly and Court streets, giving the boys and girls (and grown-ups, too) a chance to fix up their bikes in the morning and be prepared for the occasion in the forenoon.

The main object of the sociability runs, Rodda said, in an interview yesterday with a reporter of The Statesman, "is to increase interest in bicycle riding. Since the advent of the automobile the good old two-wheeler lost a great deal of its popularity.

When asked if many school children had a leaning toward riding bicycles to school, Rodda replied: "School children find a great deal of pleasure in riding bicycles to school, for it enables them to gain a great deal of healthful exercise, brings them to school on time and permits those who live too far away to walk to home for a hot luncheon instead of eating the cold food carried by the average youngster."

The ride Saturday is open to all sexes and ages. The distance will not be great and the pace so slow that the youngest rider will be able to keep up with the leaders. There are no strings attached to the invitation, nothing sold. Everything is free. It is simply a ride for health and pleasure, and everybody with a bicycle is welcome.
