

# LINFIELD IS BEATEN 9 TO 4

### Kalahan and Robertson Occupy Mound; Tennis Stars Also Come Back Winners

The Willamette university baseball squad secured their fourth inter-collegiate victory Thursday afternoon when they defeated the Linfield squad by the score of 9-4 at McMinnville. The tennis squad also defeated the Linfield representatives by a decisive average at the same time the game was played.

Kalahan pitched the first part of the game for Willamette and Robertson took the mound for the final part. Isham, Herman, and Ellis were the batting stars for Willamette and contributed a great deal to the Willamette victory.

The Bearcats played good ball during the entire contest and gave promise of being a strong squad and competent to meet the heavy schedule that they will have before the end of the season. The men are all fielding well and have improved wonderfully from the showing they made last year.

Coach Rathbun has spent a great deal of time and effort in developing the ability of his men along these lines and the effects of the extensive batting and bunting program have begun to show to a good advantage.

The Bearcats will probably play a return game with the Oregon Aggies, meet the University of Oregon, and are scheduled to take on the College of Seattle some time soon. The C. of S. team is rated as especially strong as they have met and defeated a number of professional and semi-pro teams.

The varsity tennis squad is slated to meet the University of Washington here and that will probably be an interesting contest. The Bearcats have always rated high in this activity and the U. of W. is especially strong this year. They are carrying on an extensive tour of the Oregon and Washington colleges and are to stop off here for a match soon.

The first game is scheduled on May 12, to be played on the Oxford park diamond with strong batteries for both teams. Fred Brewer, captain of the Kiwanis team, is to be in the box, while Carl Gabrielson is to don the catcher's mask. Dr. Alfred A. Bates will leave the pill for the Lions, while Stanley Lainson will captain the team. Ray Felker will catch for the Lions.

Bates and Brewer are over six feet in height, with the former a shade the taller.

A complete schedule is to be arranged at a future meeting of the two committees.

## Oregon Aggies Win From Whitman; Score 4 to 3

CORVALLIS, Or., April 30.—The Oregon Aggies won their third ball game of the season from Whitman college today by a score of 4 to 3. Whitman held a two-run lead until the last of the eighth, when Loris Baker knocked a three-bagger, letting in another runner and coming in for a run on a grounder that the catcher missed.

Even so, the score was only tied and when Dick Young, pitching for the Aggies held Whitman down in its part of the ninth Coach Borleske sent in Louis Beck to relieve young Joe Webster, the Whitman freshman, who pitched a remarkable eight innings. The Aggies cracked out some of Mr. Beck's offerings and Wes Schumlicher came in from third on a sacrifice hit, with the winning run.

## BICYCLE PARADE INTEREST GROWS

### Event Opened to Old and Young; Many Prizes Offered for Winners

The good old faithful bicycle is expected Saturday to occupy a commanding place in Salem spotlight, when a real enthusiastic bicycle parade will be staged, according to an announcement made today. That it surely will be ushered back into its rightful heritage with much gusto is evidenced by the fine array of prizes gathered to serve as a magnet to draw into the event every cyclist from miles around. The prizes range from a large attractive silver loving cup down to the useful bicycle bell, with a couple of gold watches included.

The parade and subsequent rally of cyclists has been arranged by the local bicycle dealers in cooperation with the Cycle Trades of America, of New York, and will start at Waverley between Court and State streets.

It will be a combined sociable bicycle ride and decorated wheel parade and is open to all who have bicycles and can ride them.

The fundamental idea of the event will be to interest and secure the participation of all bicyclists, young and old. It will be open to everyone, from the smallest lad, who has mastered the art of preserving his equilibrium on the two-wheeled machine, up to the oldest man and woman who wishes to demonstrate that he or she has not forgotten the accomplishment of youth.

John Rodda travels all over the country preaching the gospel of good cycling, educating young folks into the proper way to ride a bicycle for health and pleasure, and giving demonstrations in correct cycling as well as talks on road deportment. All these will be given at the end of the parade Saturday.

The parade will have its ending at Willamette Athletic field, through the courtesy of Willamette university. Here the prizes will be given to the riders in different classes such as riders with decorated wheels, Boy Scouts in uniform making a neat appearance, and the schools with the greatest number of riders in line, will also compete for awards.

As a concluding feature to the bicycle rally, riding on a plank 150 feet long, 5 inches wide and one inch high, a novel and exciting event, will take place in which all riders may compete with perfect safety. Three prizes will be given for the best performances on the plank. The first will be a gold watch valued at \$25.

There will positively be no racing allowed along the route of the parade and all riders will be expected to observe the rules of the road. There is no charge whatsoever to get in the parade; all that is needed is to have a bicycle and an inclination to ride it. It looks like a big come-back for the bicycle and Saturday will be Bicycle day in Salem.
