ALBERT LEA KITCHEN KOOK
THE IDEAL COOK STOVE
The service you want in a kitchen stove you get in the Albert Lea KITCHEN KOOK. It brings you all the convenience and cleanliness of city gas with greater speed at less cost. The Albert Lea KITCHEN KOOK is entirely different from other liquid fuel stoves and from 50 to 100 per cent faster, by actual test. Makes its own gas from common motor gasoline. The master burner may be turned on full force within two minutes from the scratch of the match. Additional burners turned on or off like city gas. No delays, no smoke, soot or odor. Has no wicks nor chimneys, requires no cleaning. Let us give you a demonstration. No obligation.
