Czecho-Slovak Men Are Here on Another Visit

R. F. Hnizda, field representative for the American Czecho-Slovak Chamber of Commerce, and Adolf Eilers of Milwaukee were in Salem Tuesday in the interest of the Czecho-Slovak land settlement scheme for Oregon.

These gentlemen are inspecting farms with a view to their purchase for colonization purposes. The part performed by Mr. Hnizda is the appraisal of property, while Mr. Eilers obtains the options. These men claim they have options on lands which will be occupied by Czecho-Slovak colonists in the near future. Two thousand of these people, they say, are expected this summer, the first section of which will start from Chicago May 16.

The worst thing about leading a double life is the tremendous overhead.

How To Solve Cross Word Puzzle
Each number is the start of a word. White space represents a letter. Look at the key printed and see the definition for the word you seek. Select a word that has the right number of letters for the space allowed. It horizontal or vertical, as the case may be. Remember the word ends in the square just before the first black square you reach or at the border of the puzzle. After you have found one or two words you will have clues to still others.
