It is desired that owners of private buildings avail themselves of the opportunity to secure the threading of their water pipes in order that confusion may not result in case of an emergency, which might arise when the two sizes of hose connections used by the city differs from that of private owners.

Why Endure That Bad Back?

Is a constant backache keeping you upset? Feel all tired out—so nervous and dispirited you can hardly keep going? Then look to your kidneys! Your kidneys rid the body of poisonous waste. But if they lag, impurities accumulate and cause slow poisoning of the whole system. Then one is apt to suffer backache, stabbing pains, headaches, dizziness, getting up at night and other annoying kidney irregularities. Don't risk neglect. If your kidneys are sluggish, help them with a diuretic. Use Doan's Pills. They are praised the world over. Ask your neighbor!

Here Is Salem Proof:

Mrs. L. A. Barwick, 1257 Hines St., says: "My kidneys were weak and at times I had severe backaches and felt dull and languid. I frequently had nervous headaches, and my kidneys wouldn't act right. I used Doan's Pills and they soon put my kidneys in good order, the backache left and I felt better in every way."
