

CASEYS TRIM THE BANKERS BY A SCORE OF 5 TO 2 WEDNESDAY AFTERNOON

TWILIGHT LEAGUE PLAY IS GETTING GOOD START

Several High School Players Participate; Mechanics to Meet Grotto

The Knights of Columbus defeated the United States Bankers in a crackerjack baseball game last night by a score of 5 to 2 at Oxford park. The Bankers were expected to be of championship calibre, but the Caseys trimmed them easily. The well organized team of the visitors was supported by several of the high school players.

When Blumenberg went up in smoke in the fourth inning, the KC players brought in five runs. Weeks went in, however, and it looked like a rally.

Heenan turned the tables by walking three men which brought in two men, giving the Bankers a chance to score. Heenan brought in the first run for the victors.

Heenan and Gould acted as battery for the winning team and the Knights of Columbus had Smith, Hughes, Hall, Green, Gould, Barr, Jackson, and the Heenan brothers. The Bankers had Fish, Weeks, Humphrey, Barrick, McFarland, Thompson, Lucas, E. Thompson, Hammond, Wilkinson and Blumenberg.

The next contest will be between the Valley Motor and the Grotto teams Friday afternoon. The Mechanics are supposed to be one of the strongest aggregations in the league this season.

BASEBALL IS POPULAR; ANOTHER LEAGUE SEEN

Three Teams Are Lined Up; Games Could Be Played Twice Each Week

Baseball is becoming so popular in Salem that another Twilight league may be organized. Fact of the matter, just one more team is needed to start things on the way. The Portland Electric Power company players, Woodmen of the World and the Brik Hagedorn's All-stars are running around rarin' to go, if another team or two can be arranged. With another team a four-team Twilight league can be formed, which can furnish good games alongside the other league.

This league can play on Tuesdays and Thursdays of each week. Here is a chance for a team of the Twilight league to come in, that is, playing Monday, Wednesday and Friday at the Oxford park diamond.

At the end of the season the two leagues can get together for a world's series, so to speak. Last year the Yeomen had an excellent team and they might be induced to organize again to come in for the second Twilight league. Salem can sponsor the world's series event.

Anyone wanting to come in will see or call Bob Boardman at the YMCA, or Dr. Barrick at the Masonic Temple building.

NONE OF RUGBY'S ROUGHNESS LACKING WHEN PARIS GIRLS CLASH ON GRIDIRON WITH LILLE'S FEMALE PLAYERS

This photograph was taken during a football match played in Paris by the Lille and Femine Sports elevens. The female rugby players are shown tearing after the girl who is carrying the ball. The girls show the same ability as men and they lack little of the roughness of the men players. The Paris girls won.

COUNTY ATHLETES TO VIE HERE SATURDAY

More Than 150 Entries Assured for Annual Event Here on May 16th

The Marion county track meet, including students from all the public grade and high schools in the county will be held here next Saturday, starting at 9 o'clock. It will be the biggest school event of the year.

Over 150 entries have been made for the events, which include all lines of athletic endeavor for boys and girls. Grades from the fourth grammar to the fourth high school are included, with the county divided into five districts.

It is believed that county, and possibly state records will be broken during the meet. Several schools have entered men having 10 flat records for the 100 yards. Pole vaults of 10 and 11 feet have been recorded, and a heavy shot has been sent 38 feet. The 220 yard run is expected to bring out some speedsters, with several entrants capable of doing it in 23 seconds.

Three beautiful silver trophy cups are offered to the winners in the different branches, with other prizes to be given to runners up. The idea of the meet is not so much to develop wholesome rivalry among the schools as it is to accentuate the value of physical training in student life, the county school superintendent states.

Features of the event will be the 50, 100, and 220 yard dashes, the 440 yard run, the 1 mile run, the 75 yard hurdle, the 880 yard relay, broad jump, high jump, discus, javelin, shot put, and pole vault. In the girls' meet, 50 and 100 yard dashes are scheduled with a 440 yard relay and baseball throw.

The meet will be held on the Willamette field, with an admission charge of 25 cents to cover expenses. A complete record will be retained of all the events, with the records of other counties, to determine honors for the state. Following the match, the school principals of the state will hold a banquet at the Gray Belle, to talk over different things conducted by the principals' association, and to outline policies for the next year. There are 65 principals in the county.

BEARCATS DROP GAME TO STATE UNIVERSITY

Score Is 13 to 3; Baseball and Track to Round Out Week's Program

The Willamette university baseball squad lost to the university of Oregon Tuesday by the score of 13-3. Robertson pitched the first inning for Willamette and Ellis finished the game. The feature of the game was a home run hit by Poling and a two base hit by Kalahan. The Oregon batters were unable to get more than single base hits off of Ellis although they scored consistently.

The Bearcats will meet the Pacific university men at Forest Grove Friday and will play two more home games this season. One with the College of Puget Sound May 19, and will play their final game with the College of Seattle here May 22.

The track squad under Coach Leslie Sparks will meet the Pacific team at Forest Grove Saturday.

LIONS PLAY KIWANNIANS

Inter-Club Baseball Game to Be Staged This Afternoon

The Lions have a real surprise for the Kiwanis club for their baseball contest tonight on the Oxford field diamond. Stanley Lainson, manager, has worked up a team from the ranks of the Lions that will surely take away the victory, he states.

Hard Times in Scotland Strip Famous Castles

ABERDEEN, Scotland—Many of the picturesque castles of Scotland are gradually disappearing, or at least being stripped of their articles of historic interest, despite efforts on behalf of various individuals and organizations to preserve them for future generations. The most recent to be invaded by the auctioneer is Slains Castle, on the Aberdeenshire coast, where the Earls of Erroll, heritable high constables of Scotland held their state. Most of the castle owners aver they have been forced to sell the ancient dwellings because of high taxes and the cost of upkeep.

Before the war Clains Castle counted among its visitors the Earl of Oxford and his family, who spent a summer there. In 1914 Dame Clara Butt and her husband made a stay of several months. Recently, however, the castle has been uninhabited, and now the last of its furnishings have been sold under the auctioneer's hammer. At one time the art treasures of the castles were worth thousands of pounds and its library consisted of more than 6,000 volumes. Among its manuscripts were the charters of Bruce and the paintings included works by Vandyke, Reynolds, Gainsborough and others.

England Studies Routes for Aviation Over India

LONDON—Sir Sefton Bracher, director of civil aviation, returned to London recently after having completed in four months a 17,000 mile journey by air to India and back in the same airplane in which he started. The machine made the entire flight without a single mechanical breakdown.

The purpose of the trip was to investigate the possibility of commercial aviation under tropical conditions. Sir Sefton declared upon his return that there should be no difficulty in crossing India by air, the route to be followed being up the valleys of the Indus and the Ganges, all flat country and where the conditions were not at all bad for flying.

Sir Sefton said the actual flying time of the plane was 210 hours from London to Rangoon and back. He has reported on sites for airship masts at Calcutta, Colombo, Delhi and Rangoon.
