

WOODBURN HIGH SCHOOL TAKES HONORS AT COUNTY TRACK MEET SATURDAY

SILVERTON BROTHERS ARE HIGH POINT MEN

MANY FIRSTS WON BY DWIGHT AND LOYD KIRCHER

Field Wet and Track Slow; No Time Kept on Events; Loving Cup Awarded.

With a sloppy field and a slow track, the county public school track meet was run off yesterday, despite the severe weather handicap. High honors went to the Woodburn school, together with a beautiful cup.

In spite of the fact that Woodburn carried off the victory, Dwight Kircher of Silverton stood out as the greatest individual entrant. His brother, Lloyd, came a close second.

Dwight Kircher took first place in the 50 yard, 100 yard and 440 yard dashes, as well as in the hurdles. He also tied for first place in the pole vault, and came out second in the broad jump. Lloyd Kircher took the mile run by a large margin. Due to the slow condition of the track, no records were kept of the time made in the runs and dashes.

Woodburn carried off every point in the baseball throw for girls, producing the winners in all six divisions. In the F class, or highest grade, Margaret Webrum won decisively when she hurled the spheroid 188 feet, 3 1/2 inches. Mildred Sandberg won in class E with 176 feet, 10 inches. The other classes were as follows:

Joyce Franam, D, 147 feet, 5 inches; Dolores McKinnon, C, 152 ft.; Irene Wolf, B, 125 feet, 10 inches; Cecelia Van Hamme, A, 103 feet.

A summary of some of the events follows:

50 yard dash—Class F, Dwight Kircher, L. Kircher and Addie, all of Silverton.

50 yard dash—Class E, Weaver, Pomeroy of Woodburn, and Boyer of Stayton.

50 yard dash—Class D, Van Cleve and Hulander of Woodburn.

100 yard dash—Class F, Dwight Kircher, Lloyd Kircher, Silverton; Van Cleve, Woodburn.

100 yard dash—Class E, Pomeroy, Weaver, Woodburn.

100 yard dash—Class D, Van Cleve, Dietz, Allen, Woodburn.

Mile run—L. Kircher, Silverton; Norton, Woodburn, Blance, Woodburn.

High jump—Baltimore, of Stayton; Weddle, Silverton, Wilson, Woodburn.

Broad jump—David, Woodburn; Catherwood, Stayton.

NURSE AIDS WAR VETS

Assists in Untangling War Record for Disabled Soldiers

Tangled threads in their war records which the government is not in position to unravel hold many disabled world war veterans outside the reach of governmental relief, according to Miss Jane V. Doyle, executive secretary of the American Red Cross. Credit for unraveling these threads in many cases under her observation and bringing to the disabled men the aid to which their services entitled them is given by Miss Doyle to the American Legion.

The five million dollar endowment fund which the American Legion is raising, will enable it to continue and put on a permanent basis its work for the disabled former service men. It will assure those who gave their health and strength for their country there always will be a helping hand for them in times of need. Earnings of the fund will go also to care for orphans of former service men and assist in placing them in good homes.

The game was the second intercollegiate polo contest ever played in the Pacific northwest.

WALKER PUTS COOPER IN DREAMLAND IN 1 MINUTE

MICKEY WALKER, CHAMPION WINS IN FIRST ROUND

Cooper Is Helpless Against Superior Fighting Ability of Opponent

SAN FRANCISCO, May 16.—One Virgil Cooper of Minneapolis, known in the ring by the less classical but more appropriate title of "Lefty," stayed a single minute with Mickey Walker, the welterweight champion, in an outdoor bout here this afternoon that was scheduled to go 10 rounds.

About one-third of the first round had been fought when the champion ended it. Cooper was game and willing but helpless against the two-handed assault of the Elizabeth, N. J., mauler. Lefty's cause was hopeless from the bell. Walker started pounding Lefty's body. Cooper could not land, and in less than half a minute he fell under a series of terrific rights and lefts to the face. He got up at the count of nine, only to drop again under another assortment of hooks, reinforced by a final right that carried oblivion.

STEPS ARE TAKEN TO COLLECT DEBTS

(Continued from page 1)

eral debt move was regarded as not without some significance. The French debt appeared to be the hub about which a gigantic debt wheel revolved. Simultaneously with the disclosure of the move to develop action on the part of the foreign nations, an expression emanated from official sources that the American government could not permit a distinction between loans for prosecution of the world war, those for post war relief or unpaid bills on the sale of surplus supplies. This was regarded as an answer to the several statements in European capitals in which mention was made and differences set down between the various kinds of loans.

While details of the government's move remained undisclosed, there was evidence—the information given the foreign powers was tantamount to a circular note, reminding them that the American debt commission was created in February, 1922, for the purpose of negotiating funding settlements, and that only five nations had availed themselves of the privileges that existed.

Affair Is Ended—The Salem high school youths who were involved in the escapade concerning the Marcus cottage at Neskwon, have arranged a settlement with the owner by paying A. F. Marcus \$150 for the damages done during an alleged party last week. Mr. Marcus wanted \$150 each from the 18 boys present and threatened legal action against the members of the Julius Caesar club, the organization of the boys. In addition the boys have agreed to discontinue their club house at Salem. In which they have held their meetings. The house is located in north Salem near the mute school.

SENATORS MEET FAST BASEBALL TEAM TODAY

RAIN ONLY BAR TO GAME WITH HILLSBORO HERE

Visitors Are Tied With Camas for Second Place in Interstate League

What may be considered one of the classic games of the baseball season will be played on the Oxford field diamond this afternoon between the Hillsboro nine and the Salem Senators, if weather permits. The visitors are credited with having one of the strongest teams in the Interstate league and are tied with Camas for second place.

A good game is assured, according to Frisco Edwards, field manager, who states that the Hillsboro team took a victory from the Oregon City papermakers without much trouble, while the Senators had to work real hard to nose out a single point victory. The local team, however, is credited with winning every game played this season and they have promised to put up a good fight for this afternoon.

Asby and Edwards will probably be the battery for the Senators, while Barham and Barr will be in the reserve. Hillsboro will probably put in Stonesbury and Myers as their battery.
