Buy Better Used Cars From Powell
THE GOLDEN RULE is the foundation of our business and it applies to our method of merchandising used cars, as well as it does to the sales of a new Packard, Hudson or Essex car.
We are just as deeply concerned in the welfare of our used car patrons as we are in our new car customers.
Before a car is offered for sale by us it is thoroughly overhauled. Every operation performed rebuilding our used cars is done with the thought in mind, viz: that when the car is sold it must be a credit to the house of POWELL.
We stand squarely behind each and every one of our used cars for ninety (90) days from date of delivery with the same warranty that you get on any new automobile.
You owe it to yourself to see our cars before you decide a purchase. You will find our prices are no higher than you will elsewhere for the usual AS IS CAR, and our terms are liberal.
Late model Velie sport touring fully equipped with extra tire complete, side wings, front and rear bumpers, two spot lights, fog light, automatic windshield swipe, motormeter on barcap, and rear-view mirror. Top, upholstering and finish are just like new. Tires 90 per cent of original value.

NATION HONORS GENERAL

PRESIDENT COOLIDGE TO LEAD IN TRIBUTE TO MILES

WASHINGTON, May 18.—(By Associated Press.) — President Coolidge will lead the nation tomorrow in paying tribute to the memory and achievements of Lieutenant General Nelson A. Miles.

Arrangements for the famous soldier's funeral in which all branches of the nation's armed forces will form part of the cortege, were completed tonight with the arrival in Washington of Major Sherman Miles, his son, from Constantinople. He was at sea en route home at the time of the general's death here Friday.

Veterans of the Civil War, of the Indian campaigns, the Spanish War and the World War, all will have a place in the solemn procession from St. John's church, where brief services in the Episcopal ritual will be held to Arlington cemetery. Within the mausoleum there beside the body of his wife, the dead warrior will be consigned to a last bovouac with a salute of three rifle volleys.

The place of President Coolidge in the cortege will be in the section reserved for members of the family and close associates following immediately after the caisson bearing the casket. In this section also will be the pall bearers, high officers of the army and nacy.

Following, in order, will be contingents of the military order of the Loyal Legion, which selected General Miles as its commander in chief last year, the Grand Army of the Republic, Indian War veterans societies, United Spanish War veterans, military order veterans of Foreign Wars, American Legion and Dames of the Loyal Legion.

WANT TO BUY BOAT? GOOD ONE FOR SALE

"RELIEF" IS UP AT PUBLIC AUCTION WEDNESDAY

Judgment of $3300 Must Be Satisfied; Money Is Due For Salvage Work

The ill-fated steamer "Relief" will be put up to public auction Wednesday morning, May 20, to satisfy a judgment of $3300, which was expended in raising her from a watery grave. The claim is made by the insurance company which is stated to be connected with a London firm.

"The vessel went to the bottom last winter when her hull was pierced by the ice that coated the Willamette river. The insurance company raised the boat, after which suit was brought to collect $20,000, the estimated value of the vessel. The company fought the suit to avoid paying the money and to collect for raising the ship.

Judgment was awarded to the company some three months ago and the sale here will be to satisfy the action. Federal authorities will be present, it is stated.

DEBT FUNDING PROMISED

SECRETARY MELLON EXPECTING DEFINITE PROPOSAL

WASHINGTON, March 18.—(By Associated Press)—Secretary Mellon, as chairman of the American debt commission, is expecting soon to receive a definite proposal from the government of Esthonia for a funding of that nation's debt to the United States.

It was made known today that Minister Piip of Esthonia had been carrying on intermittent conversations of the funding question for several weeks and that the exchanges had brought the two governments nearer to a settlement.

Minister Piip soon will confer again with the secretary and on the basis of memoranda passed between the two officials heretofore it is believed a concrete proposition will be worked out.

It was declared today, however, that there was no connection between the discussion of a funding arrangement with Esthonia which owes the United States $17,794,020 in principal and interest and the recent move of the American government to expedite consideration to terms with its foreign debtors who have not yet made a move in that direction, although Esthonia was one of the nations officially listed among those to whom this government had made known its desire that funding proposals be no longer delayed.

ESTATE VALUED AT OVER $120,000, IS DISCOVERED

PORT TOWNSEND, Wash., May 18.—A sister in Albany, N. Y., and a nephew, Laurence W. Smith in Henderson, Ky., it was learned today, survived Loren Smith, who attempted the appearance of poverty here until his death Saturday but who left an estate exceeding $120,000.

Smith came to Port Townsend, seaport of former greatness, in 1872. He sold meat for a time, but acquired a ranch called China Garden, on the outskirts of the city. In a boom he sold the ranch on installments and when the boom died the farm reverted to him.

He lived the rest of his life in a cabin on the ranch, but did not work. Early in the World war he reported that his all had been stolen. This was $6,000 in liberty bonds, but they were found sewn into a pillow on the ranch. He left $100,000 in government bonds and $20,000 in cash and the ranch. He thought everybody was after his money, and was wont to meet callers with a rifle.
