

HENRY'S DELEGATION TRIUMPHS OVER GUARDSMEN BY SCORE OF 6 TO 5

VALLEY MOTOR TEAM SHOWS REAL STUFF

BEST CONTEST OF TWILIGHT LEAGUE IS PLAYED

Real Baseball Material In Evidence; Overthrow at Wrong Time Is Costly

The Valley Motor baseball team triumphed over the ONG last night by a score of 6 to 5. It was the best game played in the Twilight league and showed up real baseball material. The fireworks all happened in the last inning with two outs, and the bases full. The score stood tied at five.

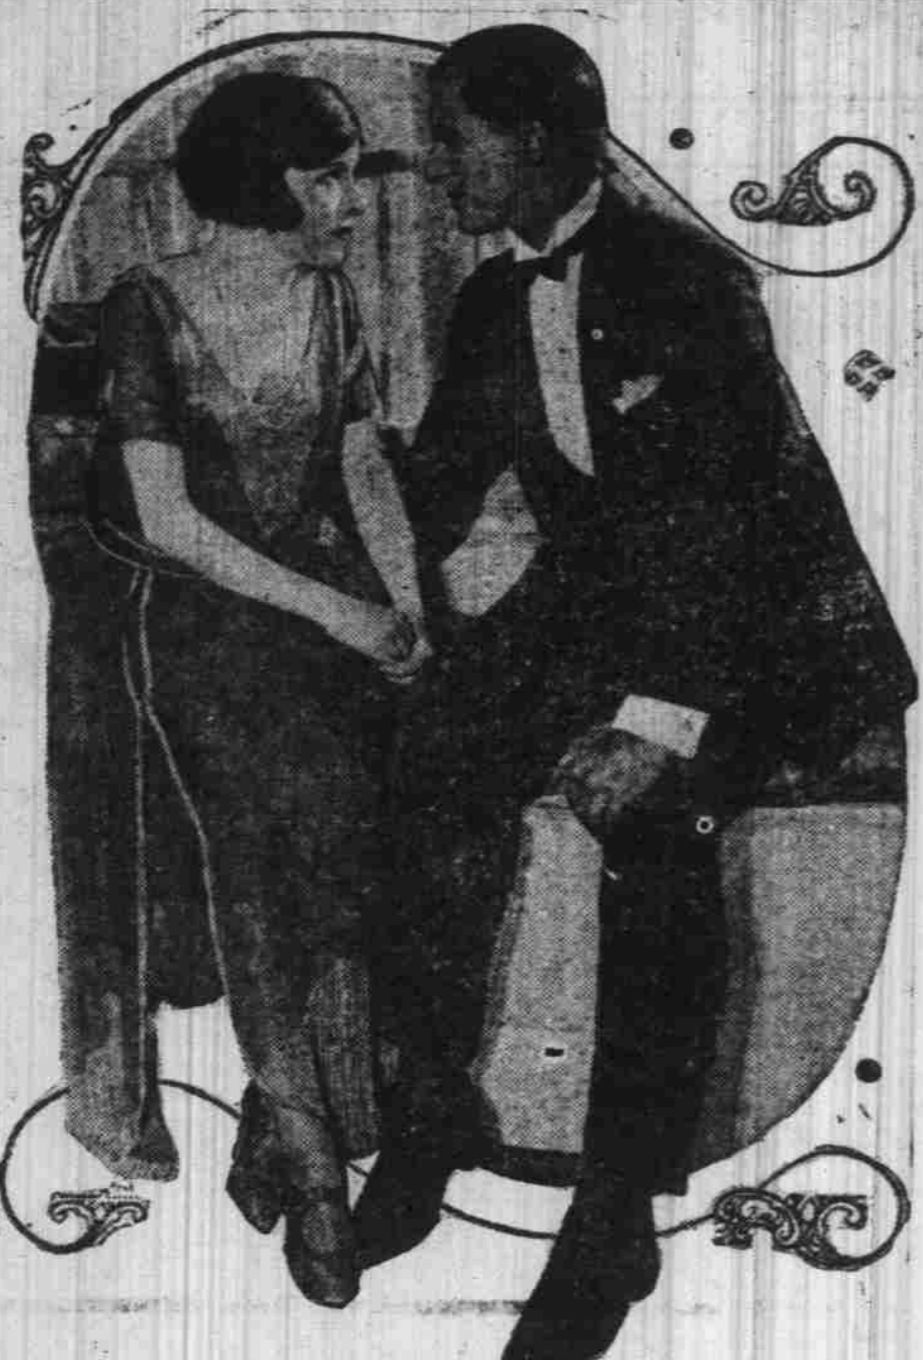

An overthrow by Kruger, the Soldier pitcher, let in Holman for the Ford people, which won the game.

The Guard has an excellent team, but Lankee, their pitcher was off-color and walked a good number of the Valley players, and consequently gave them a good lead.

The feature of the game was the work of the one handed catch of the Valley Motor team, Dodge at first base. He was running backward and reached out and made a one handed catch. Mission of the Motors made a home run.

Mason and Edwards umpired. The line-up is as follows: ONG: Moorman, Drager, Young Melchion, Bates, Rogers, Ellis, Kruger, and Lanke.

Valley Motor: McLeod, Dodge, Race, Proctor, Holman, Brown, Mission, Schindler and Snyder.

PAPER MEN ORGANIZED

ENTER SUNDOWN LEAGUE IN NEW SUITS TUESDAY

The Oregon Pulp and Paper baseball team has been organized to enter the Sundown league, which was recently organized as a part of the Twilight league. Officers have been elected with Robert Gross as manager, Jack Simpkins, captain; William Shippling, treasurer and L. W. Bell as secretary.

Tryouts for positions on the team are to be held at an early date, to select from the many candidates making application. Interest is keen among the applicants and one of the best teams of the city is expected to be organized.

New uniforms and new equipment has been purchased for the players when they are organized. The Papermakers are to make their debut Tuesday.

JERSEY CATTLE MEN WILL GATHER TODAY

SEVENTH ANNUAL JUBILEE IS BEING OBSERVED HERE

Nearly 700 Attend Affair Held at Canby Wednesday; Much Interest Shown

Jersey owners are gathering at the state fair grounds today in observance of the seventh annual jubilee which is being celebrated in various parts of the state during the week. The jubilee marks the event of Viva France, Oregon Jersey, who won the world record seven years ago. The jubilee this year consists of a series of spring cattle shows.

Some of the finest cattle in the state were exhibited at Canby on Wednesday, with M. J. Buxton, secretary of the Clackamas county unit, giving the address of welcome and E. A. Rhoten, Salem, the response. I. H. Loughery, western representative of the American Jersey Cattle association, was the principal speaker. A memorial for the late R. B. Seeley, Clackamas county Jersey breeder, was held by Horace Adlis, editor of the Oregon Farmer and members of the state fair board. M. C. Jamison, dairy expert of OAG, talked on judging. The boys' and girls' club members were on hand. Nearly 700 persons attended the meeting.

CHAPMAN PETITION DENIED BY COURT

declares, an unwarranted hardship would be worked on the referendum petitioners, which would force them to discard all their signatures, and would not give them time to provide others. In this way, it is said, the downfall of the whole referendum law would be brought about.

Judge McMahan's decision follows: "It takes time to get signatures on an initiative or referendum petition, and the legislature evidently had this in mind when it provided that the appeal must be filed within twenty days and that there could be no appeal from the decision of this court.

"In this case the relator failed to file the appeal within the time allowed by the code, and by those proceedings attempts to secure an

DOUBLE SPORTS EVENT WILL BE HELD FRIDAY

BASEBALL GAME TO CLOSE SEASON FOR BEARCATS

College of Seattle Plays Here; Track Team Will Meet Linfield College

The Willamette University baseball squad will meet the College of Seattle Friday afternoon on the Willamette field at 4 o'clock in the final game of this season for the local squad. At the same time the track squad will meet the Linfield College men on the Willamette track. This will be the first double event of the year to be held here and will be of a great deal of interest to the fans of both sports as it is expected that the teams will be fairly closely matched for the dual contest.

The Bearcat baseball men have made a great improvement this year over the showing they made last season for, although they have lost a number of games, the scores have been close and the games interesting. Willamette got an even break with the Pacific University men this year by defeating them once and losing once which is much different than the two slaughters of last year.

The track men will make a good showing against Linfield and are expected to bring in the required number of points to win the contest. Coach Sparks has developed a number of good men this year although the squad is not large enough to take in a large number of entries in the events.

order of injunction, which if allowed at this late date, would render all signatures now obtained by the proponents of the measure valueless, and deprive them of the opportunity to complete their petition within the time proscribed by law. If this can be done in this case it can be done in all cases and every attempt to invoke either the initiative or referendum could be defeated by such proceedings and a complaint judge.

"To grant the prayer of the petition would establish a precedent which would within itself constitute the gravest assault ever made upon the principle of direct legislation. It would give into the hands of the judge of this court the power to defeat every attempt of the people to enact or repeal laws by the initiative or referendum. The people never intended to place such power into the hands of any official. For these reasons the petition is dismissed."

Annual Plunge Is Taken by Frosh in Mill Creek

The Willamette university sophomore Tug-O-War team took the freshmen representatives through the mill race in the second contest of this kind to be held at Willamette this year. In the first contest held May Day the rope broke so that another pull was necessary to decide the outcome. All of the men of the freshmen class are now required by school tradition to take a swim in the mill race.

Under the law county commissioners, upon sufficient petition, may designate a roundup foreman, who organizes the drive, impounds the horses gathered, record their brands, if any, and causes the publication of a notice under which owners may redeem such stock as they wish by payment of a small fee. The remainder are destroyed.

There is a market for about 8,000 head of these horses annually. They are bought by an eastern concern to be slaughtered and

Again the U. S. navy has shown the world the way in aircraft design. Much interest is being evinced by other nations in a new type of hydro-airplane cruiser developed by the naval air service. It has a cruising radius of 3,000 miles, travels at 128 miles an hour, and has a gasoline tank capacity of 1,285 gallons. Naval officers hope to get official consent to make a non-stop flight from San Francisco to Hawaii in it. The plane is seen taking the water at League Island Navy Yard, Philadelphia.

NEW MONTANA LAW PERMITS KILLING OF WILD RANGE HORSES

HELENA, Mont.—Wild horse roundups, planned under much the same system as is used by some western states for jackrabbit drives, are being organized in several sections of Montana under a law passed by the last legislature.

The law, which was hard fought on sentimental grounds by old-time stockmen and ranchers in the legislature, is designed to rid sections of the state of the small, wild range horses, commonly designated as cayuses, which are considered by stockmen as utterly worthless.

Farmers complain that bands of these horses, when range feed gets poor, sweep down upon the unfenced pasture lands in the agricultural districts, break down fences and damage growing crops. The livestock department estimates that there are 400,000 head of these wild horses on the Montana ranges.

Under the law county commissioners, upon sufficient petition,
