Buy Better Used Cars From Powell

THE GOLDEN RULE is the foundation of our business and it applies to our method of merchandising used cars, as well as it does to the sales of a new Packard, Hudson or Essex car.

We are just as deeply concerned in the welfare of our used car patrons as we are in our new car customers.

Before a car is offered for sale by us it is thoroughly overhauled. Every operation performed rebuilding our used cars is done with the thought in mind, viz: that when the car is sold it must be a credit to the house of POWELL.

We stand squarely behind each and every one of our used cars for ninety (90) days from date of delivery with the same warranty that you get on any new automobile.

You owe it to yourself to see our cars before you decide a purchase. You will find our prices are no higher than you will elsewhere for the usual AS IS CAR, and our terms are liberal.

Late model Velie sport touring fully equipped with extra tire complete, side wings, front and rear bumpers, two spot lights, fog light, automatic windshield swipe, motormeter on barcap, and rear-view mirror. Top, upholstering and finish are just like new. Tires 90 per cent of original value.

Crop life insurance—

That's what irrigation in the Salem district means—

Or being ready to irrigate when the crops need it to save them.

Let's irrigate; that invitation means something different from what it used to signify in the pre-Volstead days.

This is the day the news of the completion of the Salem quota to the second linen mill is to be broadcasted to the wide world Glorious news!

James T. Bennett, Jefferson, route 2, sent to the office of The Statesman yesterday a sample of flax of this year's planting that measures 28 inches in length. It looks to be not more than half grown. It was planted March 24, on river bottom soil. If it keeps on growing at the present rate it will make long line fiber that will establish a record.

If we got no more rain at all from now on, the yield of long line fibe in the Salem district would be double that produced last year; perhaps more than double. Especially as there is a lot of the flax, in the Turner and Aumsville and West Stayton districts, that can be irrigated this year—a great deal more than was irrigated last year.

Experience teaches us that two can at least live as cheaply as four did a few years ago.

Many a man gets stoop-shouldered from carrying around a feeling of responsibility for things that are none of his business.

The man who loses his temper may console himself with the thought that he has lots more.
