### 30 CHERRIANS ANSWER ROLL CALL AT DRILL

### GOOD SHOWING ANTICIPATED FOR ROSE FESTIVAL

Local Organization to Appear June 19; More Practice Slated This Week

Thirty Cherrians snapped into an hour's drill last evening under the command of Captain Carl D. Gabrielson and his first lieutenant J. J. Elliot, as the first evening of practice parade, preparatory to the big event when the Cherrians will appear in the Rose Festival parade Friday June 19. With this most favorable turnout for the first drill and considering the unfavorable weather, J. C. Perry, King Bing, says he feels assured that the Cherrians will make a most favorable showing when the big day arrives and the Cherrians appear before the reviewing stand in Multnomah Field.

Quite a number of Cherrians reported to King Bing Perry their intentions of attending the pageant "Rosaria" at Multnomah Field Friday evening, June 19, and all indications are that the Cherrians will secure a good block of seats that evening. The order for the Cherrian seats will not be sent in until this evening and Mr. Perry suggests that the members wishing to be with the Cherrians that evening should send their checks to him today.

The next drill of the Cherrians will be Thursday night at 7:15 o'clock at the city hall, Captain Gabrielson announced. Then again next Tuesday evening after the regular monthly dinner at the Chamber of Commerce.

Last night the following responded to roll call at the drill: George Arbachuck, William Bell, Lee Canfield, Ellis Cooley, Ralph Cooley, Elmer Dane, Jack J. Elliott, O. L. Fisher, Bert Ford, Carl D. Gabrielson, L. W. Gleason, C. S. Hamilton, Otto A. Hartman, E. H. Kennedy, C. E. Knowland, S. A. Koser, Al Krause, K. B. Kugel, Harry Levy, O. J. Myers, Donald W. Miles, Dr. O. A. Olson, J. C. Antonia Rowan and Sophia Zarsadiaz are from the Philippine Islands, while the third, Cedric Chang, is from China.

Cedric Chang has been awarded a fellowship from the YMCA college at Springfield, Mass., and plans to secure his master's degree before he returns to his home in China.

Chang has won much comment by his literary work here, being mentioned in national publications for his poetic creations.

Rowan and Zarsadiaz have done outstanding work as students, although at first handicapped because of a lack of understanding of the English language.
