

SOLDIERS GRAB GAME FROM GROTTO BUNCH

FINAL TWILIGHT LEAGUE SCORE STANDS 7 TO 6

Losers Draw First Blood in Contest; Kelley Retaliates With Long Swat

The Soldiers snatched a victory from the Grotto last night by a lone point and left the score at 7 to 6 in a twilight league baseball game. It was one of the best played and well matched games of the season. The score saw-sawed back and forth several times, but the ONG managed to nail the hide to the side of the house.

In the first inning the Grotto made two scores and put another across in the third. The ONG took the bat in the second inning and whiffed down one and put four boys across the plate in the third inning. This put a slump in the paper of the Grotto and they tried their best to stage a comeback.

Kelley, however, knocked this out of the way by sending the apple across the back fence for the soldiers. He made it around to home plate without any trouble at all.

In the attempt to stage a comeback the Grotto put in two pinch hitters, Simeral and Jackson, the latter managed to elude the pill, thus enabling his team to put across one more score.

Larkey and Jennings formed the

battery for the Grotto, while Lanke and Kreuger handled the pill for the Soldiers. Frisco Edwards was the official umpire.

ELECTRIC CODE SOUGHT

ORDINANCE MAY BE READY FOR COUNCIL MONDAY

Plans are underway at present by which an electrical code for the city may be introduced at the next meeting of the city council, according to Chris Kowitz, city attorney. The ordinance will be designed along lines of the plumbing ordinance, which was recently acted upon by the council.

It will be necessary to employ an electrical inspector, if the measure is passed, but the bill will carry a clause with it, giving the duties of electrical inspector to the plumbing inspector, who is to assume his duties soon.

The object of the ordinance is to standardize the electrical work of the city, as well as the plumbing work that is being done. In this way, dangers of fires can be reduced to a minimum, as many configurations result from defective wiring in homes and other buildings.

WITNESS HALTS TRIAL

SEATTLE, June 4.—Mrs. Anne R. Webber, a witness in disbarment proceedings against Tom D. Page, Seattle attorney, which opened here yesterday, created a general disturbance today.

SPEIGHT READY TO SUE CITY FOR RAID

OBJECTS TO METHODS USED BY POLICE OFFICERS

Maintains That Desk Sergeant Not Qualified to Hold Position on Police Force

Declaring that his premises had been subjected to a raid by police officers a few months ago, E. Speight, proprietor of Scotty's Market, 1106 South Twelfth, is contemplating suit against the city and has placed the matter in the hands of an attorney.

The warrant specified 1126 South Twelfth instead of the address occupied, Mr. Speight maintains. Not only was his store and living quarters searched for liquor (which was not found) but his barn as well. The latter was not mentioned in the warrant, he alleges. Furthermore, Mr. Speight claims, the officers waited in an automobile until he and his wife had retired and then made the raid.

Mr. Speight contends that Det. Sergeant Edwards is not qualified to hold the position as he has not lived in the city the necessary three years, according to a city ordinance which specifies the qualifications of a police officer.

Records at the police station show that the warrant was issued by Martin Paulsen, city recorder, on March 15, and that the raid took place at 10:30 o'clock.

HEARING DATES FIXED

RATES AND WATER SERVICE TO BE INVESTIGATED

Dates for six hearings have been set by the public service commission. These are: June 15—Gardiner; investigation of rates and water service. June 16—Lakeside; elimination grade crossing in Coos county. June 18—Klamath Falls; overhead crossing in Klamath county. June 23—Portland; housewives' council vs. PRL&P. June 25—Cornelius; telephone connection with Hillsboro exchange. June 25—Cornelius; investigation of rates and water service by Puget Sound Power & Light company.

Court Protects Authors Against Radio Broadcasting

BERLIN, June 3.—Broadcasting a writer's poems, essays, or other literary productions is subject to the same copyright provisions as is the publication of such works in print, according to a decision of the Berlin courts.

Gerhart Hauptmann and Hugo von Hoffmannsthal, two of the best known authors of Germany, filed suit against a Berlin radio sending company for broadcasting their works without their permission and without paying the authors any royalties.

In the case of Hauptmann the court issued a preliminary injunction restraining the radio concern from broadcasting his works.

GRADING RULES GIVEN BY SALEM CANNERIES

FRESH FRUIT GROWERS GET PRINTED PAMPHLETS

Improvement of Industry Is Object; Strawberries Grouped Into Classes

Grading rules for fresh fruit has been issued by the Northwest Canneries association, including all of the Salem canneries. They include a new set of rules in pamphlet form for fresh fruits and berries for canning purposes. Rules governing care of raspberries, loganberries, fresh red raspberries, fresh black raspberries, fresh strawberries, fresh gooseberries, fresh cherries, fresh sour cherries, fresh pears and fresh prunes.

The booklet is prepared for the guidance of growers, to give him knowledge whereby he can get better fruit, which would be better suited for the canneries, and improve the industry.

Strawberries for canning purposes shall consist of berries that are of class A, Eitersburg 121 or Clark.

Class B, Marshall variety, seedling variety.

Class C, Trebla or Wilson varieties.

The berries should be firm, ripe and of good color, and in good condition for canning, free from molds, decay, worms, cracks, split pits, scales, fungus, bruises, or other imperfections.

The berries must be field run,

leaves and dirt, with hull, unless otherwise stipulated, and free from withered, sun scalded berries, undeveloped, which have not attained full growth.

The Plaything of Lightning Juan Accepts Homage

HAVANA, June 2.—Juan Acosta Izaga, a farmer living near Ciego de Avila, Camaguey province is the object of awe on the part of his neighbors. Men step back when he walks past them, and women make the sign of the cross.

A few days ago Juan set out to ride in the midst of a heavy rain and electrical storm to the farm. A bolt of lightning killed his horse and knocked him unconscious.

With the first rays of the morning sun farmers going to town found the apparently lifeless body. A rural carpenter was giving the finishing touches to a rude coffin when a doctor arrived. After a few minutes of medical attention Juan opened his eyes, stood up and began talking. The terrified farmers fled.

PIONEERS TO GATHER

PENDLETON, Ore., June 4.—The 33rd annual reunion of Umatilla County Pioneers will be held at Weston tomorrow and Saturday when a program including speeches and musical selections will be given. Speakers will include Rev. Herman S. Reichard of Walla Walla, Representative John H. Secor of Pendleton, Mayor Nelson H. Jones of Weston, and M. A. Hartman of Pendleton, president of the association.

TENNIS TEAM SWAMPS PLAYERS FROM EUGENE

SALEM HIGH NOW CLAIMS VALLEY CHAMPIONSHIP

Visitors Fail to Take Single Match; Play Will Continue This Afternoon

The Salem high school tennis team won the Willamette valley championship from the University high of Eugene by winning five matches here Friday. The visiting team failed to win a game.

All the singles were hotly fought and Eugene came close to nabbing a couple of rounds, but the extra spurt to the Salem players saved the day.

Results of the matches are as follows:

Ivan White, Salem, defeated Ridings of University high by 5-7, 6-4, 6-3. Francis Lutz won over Hemphill 6-1, 6-1.

Coach of Salem defeated Adams 6-4, 6-5, 6-2.

In the double events White and Lutz continued their winning fresh, cleanly picked, free from streak by taking the match from Adams and Hemphill by a score of 8-6, 6-2.

Crens and Minto defeated Miller and Sterns of University high by a score of 3-6, 6-4, 6-2.

This afternoon on the Salem grounds the local tennis team will play the last match of the season with the Eugene high school. The same lineup of the local organization will take to the field.

ARMS MEETING PEACEFUL

CONCILIATORY ATTITUDE IS TAKEN BY UNITED STATES

GENEVA, June 4.—(By Associated Press.)—The conciliatory attitude of the American delegation today prevented any growth of the ill-feeling which was manifested yesterday when the arms traffic conference on a roll call reversed its previous decision that foreign visas would be required on the exportation of certain types of rifles and revolvers.

Hugh S. Gibson, the American minister to Switzerland, reopened the question by submitting an amendment obligating exporting countries to insist upon exporters obtaining a foreign visa if the importing country gave no notification that its laws required some sanction for the entry of the arms in question. The entire problem was referred to a committee to elaborate a satisfactory formula.
