

EIGHT DEAF STUDENTS ARE GIVEN DIPLOMAS

COMMENCEMENT EXERCISES HELD FRIDAY NIGHT

Excellent Program Offered; Work of Departments Inspected by Visitors

Exercises given at the Deaf school, Friday evening were a revelation to the crowd which packed the auditorium and overflowed the halls. The program was opened with prayer by Dr. Fred C. Taylor, Superintendent of O. L. McIntire spoke of the work and needs of the school, signing to the deaf, while talking to the hearing, a most difficult feat. Rhythm work under the direction of Miss Pauline Schmidt and Mrs. Rambouet, demonstrated the use of the piano in improving the speech of deaf children and showed long and patient practice in the difficult art of teaching deaf children to speak. Sixteen of the younger children in Dutch costumes, swung through a difficult drill in perfect time to music which they could not hear! They were trained by Miss Esther Morris assisted by Mrs. Mary Entress at the piano.

Mrs. Harry Harms sang the Star-Spangled Banner, while Miss Hilda Hughes, one of the graduates, rendered it in the beautiful sign language. An inspiring sight!

Dr. Carl Gregg Doney's address was listened to with close attention by those who could hear, while Superintendent McIntire rendered it in signs for those who could not.

After the program the industrial exhibit was inspected. One large room was filled to overflowing with fine furniture and toys made by the boys during the past year. Tom Makaki's work was especially fine.

The sewing department under Mrs. Sylvia Smith's direction, came in for a large share of praise.

In another room were the year books and other work of the school-rooms, representing faithful and patient work on the part of the teachers.

The following pupils were graduated: Alice Ruth Campbell, Lois Juanita Palmer, Hilda May Hughes, Alice Paralee Campbell, Theodore Lawrence Brickley, Henry William Breije, Lester Carrol Hummel.

Silverton

SILVERTON, June 6.—(Special to The Statesman.)—Graduation exercises were held at the Eugene Field auditorium Thursday night when 39 graduates of the Silverton high school received their diplomas. R. Goets, superintendent of Silverton schools, presenting them.

H. A. Reed, principal of the Silverton high school, was chairman of the evening and introduced the speaker, Rev. H. O. Holmes of Forest Grove. Rev. Mr. Holmes took for his subject, "By the Sign We Conquer." "And this sign," said the speaker, "to most people means the dollar-mark." Rev. Mr. Holmes continued to say that he placed genuine work ahead of the dollar when it came to conquering life's happiness. In referring to his stay at Jane Adams Hull house in Chicago, the speaker said: "There is as much happiness in the slums of Chicago as in the heights. Often there is more. Do you suppose Marshall Field, who lost his only son, is more happy in his palace than is the poor father in the slums who retains his? Money can't buy happiness. Work sometimes can."

Rev. Mr. Holmes suggested that the parents and children get closer together instead of as appears to be the present tendency—to grow away from one another. He suggested to the father to "take your family to church on Sunday mornings. And then on Sunday afternoons take your family (leave the neighbors at home) out and get acquainted with it. Don't always have a group of friends along. You won't get acquainted with your family in that manner." He also suggested that parents give their

children an opportunity to earn money instead of giving it to them. In conclusion, Rev. Mr. Holmes said: "It isn't more money we need for success. It is more work, more principal, more character." Other numbers on the program were vocal solos by Ruth Agnew and Alice Kaufman. Miss Agnes Hattberg, as valedictorian of the class, received her diploma first.

Two checks cashed at Silverton on May 20 came back here this week marked "No funds." The man passing the checks called at the F. W. Pettyjohn Co. garage and ordered a few gallons of gasoline. To pay for this he produced a check for \$15, supposedly certified to by the Bank of Huntington, Or. He stopped again at the Nofsaker battery shop where he passed another \$15 check. Both checks were on the Bank of Huntington, Or., dated May 20, and drawn in favor of Clyde Reynolds and signed by M. C. Watts. A rubber stamp was used in stamping the certification. "Certified by Cashier J. C. Kelly, Huntington, Or." When the checks were returned the name of the cashier written in was pronounced a forgery.

The Delbert Reeves post No. 7, American legion, has gone over the top in the legion endowment fund drive at Silverton. The last report is that \$719.78 has been subscribed. The committee in charge of the drive had Mrs. H. B. Latham as its chairman. She was assisted by Mrs. G. B. Benson, Mrs. R. E. Kleinsorge, Mrs. E. S. Palmer, Mrs. E. B. Kotteck, Mrs. Dewey Allen, Mrs. George Rowe, Mrs. Russell Scott, Mrs. Charles Johnson, Mrs. F. V. Treadgold, Mrs. George Steelhammer, Mrs. Charles Reynolds, Mrs. R. L. Gourlie, Mrs. C. W. Wilson, Mrs. Allen Porter, Mrs. Charles Hartley, Mrs. F. B. Renwick, Mrs. G. E. Anderson, Mrs. J. H. McCollough, Mrs. H. M. Simms, Mrs. F. A. Rahn, Mrs. L. Fischer, Mrs. P. A. Loar, Mrs. T. P. Risteigen, Miss Catherine Woodard, Miss Eleanor McClaine and Miss Marie Coxhouse.

The Silverton high school alumni association initiated the 1925 class of graduates at the Eugene Field auditorium Friday night. Following an hour of initiation a short business meeting was held at which time George Lukens, association president, explained the meaning of the alumni to the seniors. Miss Lois Macy, who had directed the alumni play given last Monday evening, and who was a special guest Friday night, was presented with a traveling bag which, to quote Donald Hutton, who made the presentation speech, "was in appreciation of services rendered and was to be used to come back with, rather than to go away." Mr. Hutton, manager of the alumni play, also announced that as many had requested that

Cuts Gasoline Cost to 10 Cents a Gallon

James A. May of 4435 N. St., Sloux Falls, S. D., has perfected an amazing new device that is enabling car owners to cut their gasoline bills in half by doubling their mileage from gasoline used. Many owners have made over 40 miles on a gallon. It also removes carbon, increases motor power and pep, prevents spark plug trouble and overheating. Anyone can install it in five minutes. Mr. May wants agents, and is offering to send one free to one auto owner in each locality. Write him today.—Adv.

the play, "Kempy," be given again a second showing would be held on June 12.

About 50 members of the Silverton Chamber of Commerce attended the luncheon held at the Cozy Friday noon. It was proposed that the chamber support the local band in band concerts rather than bring a chautauqua to Silverton, as has been done in former years. The proposition was adopted 100 per cent, and it was decided to raise sufficient funds by subscription to give the band adequate support. The concerts will be a weekly event, carried on much after the pattern of the Salem band concerts.

Munz O. Rolland died suddenly Friday morning at 2:30 o'clock from heart trouble. Funeral services will be held from Trinity church Sunday afternoon at 2 o'clock with Rev. L. Sherwin officiating in the absence of Rev. George Henriksen.

Mr. Rolland, who was 62 years of age, was born at Bergen, Norway, and came to Bode, Iowa, at the age of 10. Since the death of his parents, six years ago, he has made his home with his sister, Mrs. John Fuhr. Other relatives who survive him are two sisters, Mrs. J. Moe of Ferndale, Or., and Mrs. Neils Arne of Benson, Minn.

Three Drunks Jailed

The call of Polk county boozers caused Cecil I. Sutton, Otis Baughin, and C. Cleary to wander out the avenue prescribed by the Marlon-Polk county bridge. Their uncertain walk caused reports to be sent in to the police station and the thirsty trio was jailed, according to the reports on file at the Salem police station. The three are employees of the Western Union Telegraph company, it is reported.

Returns to Husband

Thelma Karther, 16-year-old bride, who ran away from home and was taken from the Southern Pacific train here, was turned over to her husband when he called yesterday. Hattie Fardrack was turned over to her father, when he called last night after communications had been received by the Salem police from the Portland officers. The two were planning to go to San Francisco.

Speeder Caught

William Bauer stepped on the gas throttle and as a result Officer Edwards caught up with him, and now Bauer's name appears on the words: "Ball \$10." F. E. Hogan did the same trick, but he too was pinched and his name entered on the court docket.

SALEM STUDENTS TO BE GRADUATED SOON

DEGREES GIVEN TO SEVEN AT STATE UNIVERSITY

Four Girls and Three Boys Complete Work; All Are Prominent on Campus

UNIVERSITY OF OREGON, Eugene, June 6.—(Special)—The University of Oregon will give degrees to seven students from Salem this month. They are Florence Blake, Edith Bragg, Doris E. Neptune, Nellie A. Rowland, Willard C. Marshall, Ben Maxwell and Ralph Hamilton.

Miss Blake will receive her degree in English, and Miss Neptune and Miss Bragg in education. Miss Bragg is affiliated with the Kappa Alpha Theta sorority.

Mrs. Rowland will be graduated from the Normal arts department. She is a member of the Normal Arts club, an organization of Normal Art majors, and she was treasurer of the club in her senior year. Mrs. Rowland is also a member of Orchesus, women's honorary dancing group, of which she was treasurer this last year. Mrs. Rowland is affiliated with the Alpha Chi Omega sorority.

Mr. Maxwell will receive a degree in journalism. He has been prominent in campus affairs. He is a member of Sigma Delta Chi, national honorary men's journalistic fraternity, and is a member of the Order of the Emerald 'O', having worked on the staff of the Oregon Daily Emerald, a student newspaper, for two years having been daily news editor his sophomore year. Mr. Maxwell served on the homecoming committee last year as well as the junior week-end directorate. He has been president of the University cooperative store.

Mr. Hamilton will receive his degree in economics. He is a member of the Sigma Nu fraternity. Mr. Marshall will be graduated from the business administration department. He is affiliated with Beta Theta Pi fraternity.

Runaways Reported

Albert Smith and John Smith, two boys of Albany left their homes Saturday morning and started out with about \$285 between them. It was reported to the police station yesterday by the chief of police of Albany.

MY MARRIAGE PROBLEMS

(Continued from page 4)
mute appeal I turned and saw those eyes glaring at me with almost maniacal rage through the yashmak veil.
"I have demonstrated—the glittering figure in the throne-like chair was saying with horrible nonchalance. "Oh, well, enough of such carriage!" His eyes swept over Katherine with leering insouciance. "Do you know, my dear, you're too good-looking to part with for a while at least. Besides, I must first find out how much you know before we let you sleep."
Like a flame his darting eyes fell upon me, and I shuddered back, but in an instant would have flung myself upon my knees at his feet as his gaze fixed on my father, and his guttural voice purred:
"Now, the old man. Only one

thing we need from you—the formula you are to give us this morning."

"I'll see you burning for a million years first!" My father's voice was stronger than I had heard it in months, as he cried: "Do you think that the United States entrusts vital secrets to cowards? I have destroyed the record in my charge. My memory alone holds it, and that you shall never read—"

Even before a shot rang out the great room was plunged into darkness. The spluttering roar of revolvers which instantly was heard swiftly died in the noise made by the feet of many running men.

I strove to wrench myself free from Grace Draper's clutch, a shot rang close beside my ear, my arm was released as I heard the woman at my side give a shuddering gasp and fall. And then I was seized in arms which drew me backward.

I felt the silken swish of the wall draperies against my cheek, then I heard a clang as my head hit something metallic, and I slipped into unconsciousness.

ON THURSDAY WILL BEGIN "MY HUSBAND'S LOVE" Adele Garrison's New Phase of "REVELATIONS OF A WIFE"

GRANGE SESSION BEST IN HISTORY

to initiate an amendment of the constitution at the next election. This measure will allow for the state operating and controlling water power. The result of the vote was practically unanimous. Upon a regular motion, an income tax measure will be initiated.

Senate Bill No. 204 which was introduced at the last legislature by F. J. Tooze of Clackamas county was unanimously endorsed. This bill was commended by the committee on taxation of the last legislature during the closing hours, but was not acted upon because of the press of other matters, or introduced for general discussion. This bill provides for

ARE YOU COMMITTING THIS CRIME AGAINST YOUR HEALTH?

An enormous number of people are weak, nervous and ailing, always complaining and doctoring, simply because they have committed the great American crime against their health—because while indoor life, overwork and improper diet have exhausted the iron from their blood, making it thin, pale and watery, they have made no effort to replace this iron which the blood must have to keep them well and strong.

You can easily determine, whether you have been committing this health crime. You can get more iron by eating plenty of spinach, lentils and green vegetables. But doctors always advise people who are anemic, weak, nervous and run-down to take iron in concentrated form—organic iron. Nuxated iron is organic iron like the iron in your own blood and like that in spinach and green vegetables. It is entirely different from the mineral iron used in the past, for it is readily assimilated and so acts much more quickly and surely. Besides, it doesn't irritate the teeth or disturb the stomach. Nuxated iron represents organic iron in such concentrated form that one dose is estimated to be equal to eating half a quart of spinach, one quart of green vegetables, or half a dozen baked apples. Millions of people have used it to quickly help make rich red blood, and give increased strength, energy and endurance.

Make this convincing test:—Get Nuxated iron today and take it for only two weeks. You will notice a marvelous improvement in health and strength, or your money will be refunded. Sold under this absolute guarantee by all good druggists.—Adv.

the appraisal of lands and other real property and merchandise at full value for taxation purposes.

The pledging of members by aspirants for the president and speakers of the legislature, before the meeting of the legislature was condemned.

Old age pensions came in for a hearing during the last day of the session, but the subject was put over for the next year in order to give an opportunity for further study.

A motion for the appointment of a committee of five to act in conjunction with a similar committee from the Washington grange to eliminate the fish wheels and traps upon the Colum-

The Danger Point

When your eyes refuse to do a normal amount of work without fatigue it is time to look for eyestrain and subsequent danger.

Headaches, dizziness, neuralgia and nervousness are symptoms of defective vision. In cases of that kind have your eyes looked after at once.

A careful examination will disclose any trouble.

Morris Optical Co.

the river was acted upon. The Master of the grange was directed to make an appeal for the next national grange session.

The commission form of state government sponsored by Representative Shrock was discussed and referred to a committee and is to be considered at the next annual meeting.

Among other important legislative measures were: suppression of motion pictures exhibiting effects of drunkenness; national legislation prohibiting manufacturing of substitutes of dairy products; farm relief measures, similar to the wheat relief loan measure passed by the 1925 legislature; and a definite program of reforestation policy.
