Hillsboro Licks Papermakers 9 to 0 While Camas Defeats Albany 4 to 1

For the first time this season the Senators came out of a game with the low end of the score when they were defeated Sunday by the Luckenbach ship company team of Portland by the score of 5 to 2.

The visiting team offered an exceptionally fine brand of ball and were reinforced through the addition of Rudy Kallio, hurler, formerly with the Boston Americans and later released to the Salt Lake club. The Senators drew first blood, scoring Bouton, who had got on first on Strannahan's error.

Bill Ring, of the visitors, was fined \$5 by Ed Rankin, umpire for climbing up the wire netting of grandstand in the final canto.

The score was tied at 2-all in the ninth, but the Senators were unable to add to the figure while the shipmen managed to get three men across the plate.

Coleman, Luckenbach right field, turned his ankle in the eighth inning while sliding into second base.

Batteries for the game were: Senators: Barham, Ashby and Edwards. Luckenbach: Kallio and Helmcke.

TY COBB'S MEN SEEM UNABLE TO MAKE BREAKS

Ty Cobb's Tigers are still struggling valiantly to hit a winning stride that will carry them into the pennant fight. In addition to their other shortcomings Cobb's men now seem unable to "make the breaks" the way they normally do. These two photos prove it. Upper one shows Harry Heilmann, star slugger, out at the plate in a Cleveland game. Myatt is tagging him. Lower photo shows George Burns, of Indians, going under a poor throw to Haney at third.
