### FISHING IS GOOD OVER WEEK-END

Where to Go and How to Get There is Told by George E. Cadwell of Anderson's Sporting Goods Store.

Trotting for Salmon—Reports from Pacific City and Tillamook state that the salmon fishing has been very good the past week and that very few fishermen are returning without a salmon or two.

The popular spinners are the heart-shaped No. 4 and 5 brass, with the red inside and heart-shaped 4 or 5 hammered bronze.

Local Bass Fishing—Several nice catches of bass were made after the season opened June 15. The warm weather of the past few days have made the bass strike freely at spinner and plug. Tandem bucktail spinner and dawg-ai minnows can assure the bass fisherman a nice catch.

Butte Creek and Abiqua River, via Silverton. These streams are within easy reach of Salem and afford a nice one-day trip. These streams are abundant with trout, and if this weather conditions, etc. are right for fishing, will keep the fisherman busy. Spinners and flies can both be used with good success. The best flies at this season of the year are blue upright, caddis and black gnat.

Big Luckiamute River, via Mouth to Haskins—Two good catches reported this week from this stream on blue upright and royal coachman flies. Fish also taking spinner baited with salmon paste.

Little North Fork Santiam, via Turner, Stayton and Meham.—This stream is not at its best fishing until the last of June although some good reports came from there this week. The water is reported to be about right for good

fishing, and the roads are in fine condition from Meham on. The flies bringing the best luck are blue upright, caddis, royal coachman and gray hackle peacock. Salmon eggs and spinners are very good also.
