immediately to direct the demolition of the antiquated, damas .Cook was married, although his buildings and to outline the plaus wife obtained a divorce from him of Santa Barbara. An indication of the spirit that pervades the city was furnished by the statement of one of the bank presidents, who said that of the hundreds who came to the temporary banking quarters amid the ruins today the great majority made deposits and only a few withdrawals. It was cleaning up day in Santa Barbara. Firemen from Los Angeles swarmed over the twisted buildings removing dangerous overhangs of brick and stone; storekeepers returned to thein places of business and began the task of getting rid of the wreckage and salvaging what could be used; housewives went to market as they had done before. On the grimmer side of the picture, the death toll mounted to 10, when Los Angeles policemen, peared in the Oregon Statesman helping in clearing away the debin regard to the Salem hospital, ris, found the body of R. M. Litch-I wish to correct the statement in field, wealthy Santa Barbara resident, under a pile of bricks on a offer to contribute \$60,000 for the State street corner. Earlier in building of the two wings of the the day Herrado Charish, injured hospital building no provision was Mexican, died at the Cottage hosmade that he was to be employed pital. This left the list of injured by the hospital in any capacity, at 29, and hopes for the recovery of all were held out by attending By nightfall the work of temporary rebuilding was virtually ompleted in the Santa Barbara Telephone company's plant and an that he would want to have charge immediate resumption of local of the construction work when the phone service was promised.
