Cost of Executing Two Eskimos $20,000, Sail

EDMONTON, Alta.—Authorities here have placed $20,000 as the cost of the trial and execution of two Copper Eskimos, Alimomlak and Tatamigana, on Herschell Island a year ago. Knud Rasmussen Arctic explorer, differs from this estimate and puts the cost between $50,000 and $75,000.

Commenting on the Copper Eskimos, Rasmussen expressed the opinion that before law enforcement is undertaken efforts should be made to educate them to an understanding of the law of civilization. He pointed out that Copper Eskimos were in a state of primitive savagery. During hard times killing of female children is customary, and the slaying of a husband to obtain his wife is not regarded as a serious wrong.
