

VACATION

A GUIDE TO VACATION LAND—GIVING DISTANCES AND ROUTES

LOG as registered by Statesman Scout, distances taken from speedometer readings.

Leaving Salem from corner of Commercial and Chemeketa street and crossing the bridge that spans the Willamette river, entering Polk county and enjoying paved roads as you travel westward, you arrive at Rickreall, which is just 10 miles from Salem.

From Rickreall take the west side Pacific highway and travel north to Amity. This road is all paved with the exception of a quarter mile where the road crosses the Southern Pacific electric line. Amity is 23.4 miles

from Salem. At Amity you have your choice of traveling 14 miles by pavement or 6.6 miles by gravel road to Bellevue. If you wish the pavement route, head straight north on the highway from Amity for 6 miles where a paved road forks to the left. Distance from Salem 29.6 miles. From here you travel west for 8 miles to Bellevue. If you wish to take the shorter but gravel road from Amity, turn west and you will find a fair gravel road which will lead you to Bellevue, which is just 30 miles from Salem. This is the more direct route and all distances from Salem to the coast

will be figured by this route. From Bellevue to Sheridan a distance of 4.4 miles there is excellent pavement. On entering Sheridan you cannot help but note the sign: "You Name It—We Grow It." Sheridan is 34.4 miles from Salem.

If you want to reach the beaches west of Tillamook, turn west on 3rd Street. The road is paved for two miles where you cross the Tillamook river. After crossing the bridge take the left hand road. There is good gravel road for 1 1/2 miles then 1 1/2 miles of plank road through some big timber. At a distance of 5.8 miles from Tillamook there is another fork in the road. Take the right hand road here. Two miles further and you arrive at Netarts, which is 100.7 miles from Salem or 7.7 miles from Tillamook.

At Sheridan you leave the pavement but there is an excellent gravel road to Willamina, a distance of nearly 5 miles. Willamina registers 39.3 miles by the speedometer from Salem. Cross the Willamina river and after traveling about 6 1/2 miles you will come to a fork in the road. The main highway turns to the right here but those wishing to see New Grand Ronde should take the road straight ahead which joins the highway again in 3 miles and makes the total distance no further. Two miles from this fork of the road you will arrive at Grande Ronde which is 47.9 miles from Salem. Going north from Grand Ronde 1 1/2 miles you will again be on the highway. This place is the Old Grande Ronde and is 49.3 miles from Salem. After leaving Old Grande Ronde the road leads gradually upward through timber and over a well graded and well kept highway to the summit of the Coast range mountains which is 885 feet above sea level. The summit is 57.7 miles from Salem. A few miles further and you enter Tillamook county and in less than another mile you arrive at Delph which is 61 miles from Salem.
