

STATE GOLF TOURNEY CALLS LOCAL WOMEN

MESDAMES OLINGER, BAKER AND GILLINGHAM PLAY

Fred Williams Resigns As Chairman of Illihee Club Tournament Committee

All golf eyes during the week have been turned toward Portland in the Oregon state championship games. Other than Ercei Kay, none of the men of the Illihee country club participated in the state matches and Mrs. Olinger, Mrs. Baker and Mrs. Gillingham participated in the ladies matches, all of them making a splendid showing.

Owing to pressure of business Fred A. Williams, chairman of the tournament committee has requested his committee to relieve him of the responsibility of inter-club matches for the next two or three months, and Rex Sanford and Don Young have consented to arrange for inter-club matches and the picking of the team during this time.

There seems to be a demand among many of the younger members for the summer matches and it is hoped that there will be full cooperation in order to make as good a showing as possible during the summer months. Mr. Sanford and Mr. Young are negotiating with several of the clubs and it will be a great benefit for the Illihee as well as the players to carry this work on.

Announcements will be made later of the club matches and the club matches and the trophy buttons for the 25 having the lowest medal scores at the country club will soon be ready for distribution.

TILDEN SCORES VICTORY

GEORGE M. LOTT, JR., OF CHICAGO, MEETS DEFEAT

ST. LOUIS, July 18.—(By The Associated Press.)—William T. Tilden, II, Philadelphia, today won his fifth national clay court tennis tournament victory since 1918, defeating George M. Lott, Jr., Chicago. The score was 3-6, 6-3, 2-6, 6-2, 8-6. The success gave Tilden a second grip on the singles challenge trophy presented by the United States lawn tennis association. The fifth game of the final set proved the turning point of the match, the champion beginning to get in his side line placements after depending chiefly on his cannonball delivery. He won the game and swung into a 3-2 lead.

SENATORS PLAY TODAY

LUCKENBACH TEAM OF PORTLAND IS OPONENT

At 3 o'clock this afternoon the Salem Senators will cross bat with the Luckenbach team of Portland in what should prove one of the fastest games of the season. The Luckenbach aggregation took a close game for the locals earlier in the season and are determined to repeat their former triumph.

If Salem drops this game it will give the Luckenbach team a chance to win the championship of the league. Salem can lose however and still be one ahead of the Luckenbach outfit. Two losses for Salem will place them in a tie with the Portland team.

Wayne Barham will start on the mound for the locals. Wayne has the stuff, at times, and if today is one of those times, look out Luckenbach. Bill Ashby will be held in reserve to replace Barham in case that gentleman fails to deliver.

Other games in the Inter State league for this afternoon are Hillsboro. Papermakers versus Hillsboro; at Camas. Camas versus Albany. Dope favors Camas for a win and the Papermakers are given an even break with Hillsboro.

SPEEDY DANCING BILLED

FAST SONGS AND STEPS ARE ON ELIGH PROGRAM

Ackerman & Harris are sending to the Bligh theater as the headline attraction today "Fuster Quillan and company." The offering is one of the fastest singing and dancing acts on the vaudeville stage today. Each individual is an artist with an unlimited amount of personality, while Buster, who's boss, is ranked well among singing and dancing comedians.

Comedy of the ultra sort is dispensed by Walter Laddie and Rose Garden in their song and dance travesty, "At the Lawn Party." Walter, the neighbor's boy, and Rose, the lady's maid, depict in comedy satire their impressions of the different types of people that

make up these social gatherings. A pair of vaudevillians are Nichols and Pearl. Combining laughter with singing, they put over a nifty turn. Miss Pearl is a comedienne of ability. Jack Nichols has been lately featured in some of the eastern musical comedies. Jack Atkins, "The Census Taker," is a somewhat different monologist, who derives his comedy as he goes from house to house as an enumerator for Uncle Sam. His monologue brings laughs from all sides of the house.

Billy and Ethel will be seen on the revolving ladder. They will offer many thrills with their novelty act.

As an added attraction, Mr. Bligh has secured the motion pictures of the Elks' national convention parade taken in Portland last Thursday.

Endowed with Modesty

HOW DIFFERENT from today. Women and men were not allowed together on the same bathing beach.

Today how different. Women as well as men are creating for themselves endowment insurance that guarantees their independence.

We shall be glad to explain to you this most effective of all methods of saving and investment.
