

JACK MUST APPEAR BEFORE N. Y. BOARD

Dempsey Obligated to Appear in Person Before Wills Match Agreed to

NEW YORK, July 21.—(By Associated Press).—Jack Dempsey cannot do business with the New York state athletic commission by proxy. This was evidenced today when members of the commission informed Tex Rickard, who sought to represent Dempsey at today's meeting, that Dempsey or his legitimate manager must appear before the board to conclude arrangements for his proposed match with Harry Wills, negro heavyweight.

Although commission members were perturbed at Dempsey's failure to appear today as he promised, no action was taken, Dempsey's status remaining the same as it was last Friday. Rickard promised Dempsey would appear as soon as he completes his business on the Pacific coast and the boxing moguls consented to postpone any action for two weeks, provided Dempsey returns and signs articles of agreement with Wills at that time.

Rickard refused to tell if he had discussed with the commission the possibility of Dempsey appearing in any tune-up matches before the Wills match, but Paddy Mullins, Wills' manager, said that any articles for a Wills-Dempsey match which he signed must contain a clause forbidding either principal from engaging in any matches before the title meeting. This virtually quells any talk of Dempsey meeting Gene Tunney, Bartley Madden or any other challenger before he meets Wills, if he expects to keep peace with the New York state boxing authorities.

CHEYENNE, Wyo., July 21.—(By Associated Press).—Jack Dempsey, heavyweight champion who passed through Cheyenne tonight en route to Los Angeles, declared: "I personally appeared before the New York commission before I started west and accepted Wills' challenge; therefore I don't understand why the commission requires that I shall appear again."

Dempsey was shown a dispatch stating that the New York boxing commission had declined to accept Tex Rickard as his proxy and had ordered that Jack should personally appear to conclude arrangements for his program preliminary to a title fight with Harry Wills next year.

"I supposed it was all fixed," Dempsey said "and I don't see any reason why I should talk to the commission again. But its all right with me. I'm going back to New York when I finish my Pacific coast business and will see the commission then."

EAGLES WIN CONTEST AGAINST PAPERMAKERS

THIRD GAME WILL BE PLAYED FOR CHAMPIONSHIP

Before Last Night 4 to 2; Deciding Title Battle Slated Thursday Night

The Eagles took the second game in the championship series for the Sundown league from the Oregon Pulp and Paper team last night by a score of 4 to 2. The game was well played and interesting to the last minute of play. The Eagle's victory ties the score at one each in the series race.

In the first inning the Eagles took the lead, when Chapman and Schultz scored. The Papermakers came back strong in the next inning, however, and tied the tally with a run each by Wilkenson and Gross. The score remained at a two to two tie until the last frame, when Horton rounded the bases for the third run, and was followed in the same inning by Schultz, for the fourth run.

Red Hagadorn and Frisco Edwards, held the battery positions for the Eagles, and Lauderback and Versting for the Papermakers. Mason umpired the game.

Thursday night the deciding game of the series will be played. The Legion and the Bankers meet tonight in the first game of the championship for the Twilight league. This will be one of the best games of the season, as the teams are evenly matched and keen rivals. Mason will umpire.

DARROW REPLIES TO BRYAN STATEMENTS

that this compliment, coming from him, was intended for me alone. While it was addressed to me it was intended for all who dare differ from him to the extent of believing in the Bible, the God whom it reveals, and the supernatural Christ of whom it tells. I shall answer for all Christians as well as for myself, but I feel that the answer will receive more consideration if it is separated from the proceedings of today.

"Mr. Bryan had done me the honor to say that I am the finest product of evolution," Mr. Darrow said. "I do not believe I am. Mr. Bryan is not the finest product of evolution but he comes under the

conceived of the Holy Ghost and born of the Virgin Mary, as recorded in Matthew and Luke? Do you believe that Christ rose from the dead as described in the four gospels?

Mr. Darrow—I do not believe in miracles. I believe the universe acts and has always acted in accordance with an immutable law, and that whatever may be back of the united universe has never violated the law.

Mr. Bryan—Do you believe in the immortality of the soul?

Mr. Darrow—I have been in search of proof for this all my life, with the same desire to find it that is incident to every living thing and I have never found any evidence on the subject.

Mr. Bryan—if you believe in evolution, at what point in man's descent from the brute is he endowed with hope and promise of a life beyond the grave?

Mr. Darrow—I have no knowledge on the question of when man first believed in life beyond the grave. I am not at all sure whether many other animals have not the same hope of a future life that man has. The origin of this belief may have arisen in vivid dreams concerning the return of the dead.

I have never tried to impose my views on religion on any human being. I have a right to my own views, and I try as hard to protect the right of every other man to his views as I do to protect my own.

Silverton

SILVERTON, July 21.—(Special to The Statesman.)—Death came suddenly to James E. Marquam, one of Marquam's oldest residents, Sunday. Mr. Marquam and his wife spent the day on a picnic at Wilhoit Springs and when cranking his car preparatory to going home he suffered a stroke and died immediately. The body was brought to the undertaking parlors of Jack & Ekman at Silverton where it will remain until the funeral, which will be held at Marquam Wednesday afternoon. Interment will be in the Miller cemetery.

Mr. Marquam was born June 12, 1859, near the town which now bears his name. On June 1, 1876, he was married to Mary E. Ross, who survives him. Besides his widow he is survived by the following children: James C. Marquam of Portland, Omer Marquam of Marquam, Jewel Knight of Canby and Dolly Bentley of Marquam. Two other children preceded their father in death.

Of interest to Silverton readers was the account in Sunday's Portland papers of the tea given last Tuesday at Eugene complimenting Miss Ethel Durno, whose engagement to Donald McDonald of Eugene was announced. Miss Durno is well known in Silverton, as her home was here until about eight years ago. She was a popular member of the younger set while in Silverton, as was also Edwin, her brother. The wedding of Miss Durno and Mr. McDonald will take place next month.

The baseball nine made up of men employed on the night shift at the Silver Falls Timber company and entitled Night Owls, challenged the Silverton nine known as Eagles. The game was played Sunday afternoon on the Silver Falls ground with only a small crowd present. The Eagles proved their superiority by winning with the decisive score of 13 to 1. Batteries were Lane and Horigstad for the Eagles and Jones and McGinnis and Ployhart acted as umpires.

The city park of Silverton was the scene of the annual picnic held by the Trinity church Busy Bee society Saturday. About 50 girls gathered at the park in the afternoon for swimming and other sports. Various races, such as potato, peanut, paper and running were participated in by a number of the girls. Some of the girls taking prizes were Evelyn John-

Maccabees Are to Hold Convention in New York

WASHINGTON — Ten thousand members of the fraternal order of the Maccabees will assemble here Monday for the four days quadrennial convention of the order, according to advance registrations at Maccabees' headquarters here.

An outstanding feature of the convention is that virtually all the 10,000 delegates are expected to arrive by automobile. During the past year the fraternal order has been preparing an international automobile caravan to bring its members to the convention over the motor highways from every part of the United States and Canada. More than 2,000 automobiles are registered for the caravan. They will take part in a parade July 20, which with its allegorical floats and bands in motor cars is expected to be the largest automobile parade ever known.

On the evening of July 20 will be the largest class initiation ever celebrated by a fraternal body, 5,000 candidates being taken into the order at once. At this convention women members for the first time will take part in the activities of the Maccabees, the order having thrown open its doors to women June 1, with the installation of Martha Washington Hove No. 1 in Washington. The 200,000 men of the order are divided into tents, there being 4,000 in all parts of the United States and Canada.

On Friday, July 24, the convention will adjourn to Chatham, Pa., to inspect the International Home and Relief Association for orphans and aged members of the order.
