CHAMP SEEKS SOLUTION

DEMPSEY TO MAKE ARRANGEMENTS WITH MANAGER

SALT LAKE CITY, Utah, July 22.—(By Associated Press.)—Jack Dempsey, world's heavyweight boxing champion, accompanied by his wife, formerly Miss Estelle Taylor, arrived here late today from New York en route to Los Angeles.

Dempsey's hurried call to the Pacific coast is the result of his decision to wind up his business affairs with Jack Kearns, his

manager, and to control the reins himself. He said he would discuss matters with Kearns and that he hoped to arrive at a satisfactory agreement.

"My contract with Kearns runs for some time yet," the champion said, "and I will make no effort to have the contract severed. Kearns will receive his full commissions from all my earnings as stipulated in the contract, but when this contract expires, I shall do my own managing."

After his business is finished on the coast, Dempsey said he would return to New York and if it is deemed necessary go before the New York boxing commission to satisfy such demands as that body thinks should insure the Wills' bout for the future.

McTigue-Slatery and Flowers-Laughran Matches Are in Prospect

NEW YORK, July 22.—(By Associated Press.)—Paul Berlenbach of New York, world's light heavyweight champion, will meet his long time enemy, Jacy Delaney of Bridgeport, Conn., in a fifteen round title match at the Yankee stadium August 28, Tex Rickard announced today.

Supporting this championship match, Rickard is angling to match Mike McTigue, former world's light heavyweight champion, with Jimmy Slatery of Buffalo, N. Y., and Tommy Laughran of Philadelphia with Tiger Flowers of Atlanta in two ten rounders.

Delaney on the night of March 14, 1924, knocked out Berlenbach at Madison Square Garden at a time when the latter was traveling at the height of one of the most impressive knockout careers in the history of the fistie game. It was the first knockout Berlenbach had suffered and he himself had piled up a total of 23 consecutive knockouts, numbering among his victims some of the best middleweights.

The planes were forced down at Rock Springs, Wyo., at 1:20 p. m. by a heavy rain but otherwise the flight was without incident. Major Thomas G. Lanphier, commander of the flight, said that so far the flying has been good and that no great difficulty has been encountered.

DID NOT STRIKE GIRL

VALLEY GRILL OWNER CORRECTS EARLY ACCOUNT

Harry Corn, proprietor of the Valley Grill, declares that accounts of the fracas in his establishment Tuesday morning were inaccurate and denies that he struck Miss Nell Mitchell, waitress, though he threw up his arms to defend himself. Mr. Corn displayed two optics that were free from any discoloration to substantiate his remarks that he did not receive a pair of black eyes.

The trouble, he said, arose over the waitress placing some of her laundry with that of the restaurant, and that she was the aggressor. Wages due her and her sister, Susie Mitchell, who quit in sympathy with her sister, were paid to Archie Elliott, business agent for the culinary workers.

Because the plumber sought an encounter while armed with a sundry collection of tools, Mr. Corn refused to give battle, and believed that discretion was the better part of valor. He called the police himself, he said, in order to prevent an attack by the plumber.

MAY REJECT FORD BIDS

NEW PHASE DISCUSSED BY SHIPPING CONTROL BOARD

WASHINGTON, July 22.—(By Associated Press.)—Possibility that the bid of \$1,706,000 by Henry Ford for purchase of 200 shipping board vessels for scrapping may be thrown out on the ground that any sales made for

junking would be contrary to the merchant exchange act, is understood to have developed today with the despatch of a message to President Coolidge by Chairman O'Connor asking that the attorney general rule on the question.

Mr. O'Connor would not admit that such a message had been sent, saying any announcement would have to come from Swamp Scott. He stated however, that the board probably would not meet tomorrow, when it had been planned to take up the recommendation by Palmer of the fleet corporation for acceptance of the Ford offer.
