

BENEFIT GAME IS SLATED FOR PARK

Salem Senators to Meet Selected All-Stars on Oxford Diamond Sunday

The Salem Senators will meet a picked all-star team from the local Sunday League at Oxford park Sunday. It was announced yesterday. The game is to be a benefit affair to help cover the \$250 deficit that the local club has incurred this season, but aside from all that the mix promises to offer one of the liveliest sessions of sport on the local grounds this season. The games with outside clubs have given Salem some real sport so far, but when the locals meet locals Sunday it is going to be worse than the proverbial situation where Greek meets Greek, say the prophets.

A field day program in which members of both teams will take part is being arranged as a side feature to the event Sunday with a schedule including a 100-yard dash, fungo hitting, accuracy throwing, distance throwing, circling bases, and kindred sport allied to the baseball game.

Both teams will donate their services free of charge in order that the largest amount possible can be raised.

The amateur all-star team will be picked from the two leading teams of the Sunday league by "Doc" Barrick of the YMCA and Bankers team, and by Carl Gabrielson of the American Legion. The league has been furnishing a lively brand of ball during their season and with a combination of the best that the whole league has to offer a real contest is expected despite the record of the semi-professionals.

Tickets are to be placed on sale all over the city and a wide patronage is being asked in order to keep baseball here on the standard set this season. The price is to be 50 cents. Those who cannot attend are being urged to buy tickets nevertheless to help the club out of its feet.

The reason for the failure of the local club to meet expenses this year is explained by the fact that subscriptions this season amounted to only \$800 compared with the \$2200 secured last year. The ruling of the interstate league compelling a 69-40 per cent split on gate receipts has also decreased the amount taken into the club's coffers this year.

PLAN NOVELTY TOURNEY

ILLIHEE GOLFERS MUST WEAR WOMEN'S CLOTHES

A novelty tournament is being arranged by the tournament committee for the Illihee Country club Sunday, according to G. P. Sharkey, professional.

Only members wearing ladies' wearing apparel will be admitted to the grounds. As there are some substantial prizes offered for the matches, a large turnout is anticipated.

A Country club "cop" will be stationed at the entrance to the grounds and will admit no one not properly attired. All male members of the club have been given ample notice of the tournament.

BATTLE OF WORDS WAGED OVER FIGHT

Proposed Dempsey-Wills Bout Turns Loose Contradictory Statements

NEW YORK, Aug. 5.—(By Associated Press).—The trans-continental battle of words over the proposed heavyweight championship clash between Jack Dempsey and Harry Wills in 1925 waged furiously today.

Verbal broadsides of contradictory statements were turned loose in three sectors, but after being sifted, they all appeared to agree that Dempsey and Wills will climb into the ring to fight it out with blows, instead of words, some time next year.

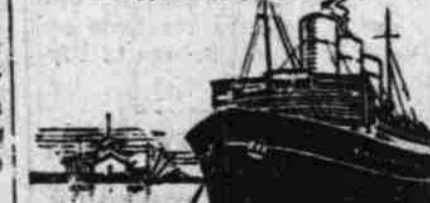

The high spots of the day's long distance sharpshooting follows:

Jack Kearns, Los Angeles—Telegraphs Tex Rickard: "Definitely eliminating New York state" as a site for the match, but holding open prospect of engagement with Rickard or "any responsible promoter" anywhere else. Asserts agreement with Rickard only verbal and tentative and not binding. Willing to fight for Floyd Fitzsimmons near Chicago if Wills agrees.

Jack Kearns, Chicago—Announces on way to New York to "iron out all difficulties with the New York boxing commission on both the Dempsey-Wills and Shade-Walker matters;" that Dempsey will fight Wills only under his (Kearns) management. Difficulties with Dempsey not concerned with ring affairs and will receive bids for Wills' fight from any promoter in the world willing to post forfeit of half million dollars up. Figures big match will draw two million-dollar gate.

Tex Rickard, New York—Insists Dempsey will fight only under his direction and confident battle with Wills will take place in New York around July 4, 1926. Has "understanding" with Dempsey and is ready to stage battle here or in Jersey City. Brands talk of fight going elsewhere as "hot air."

CORVALLIS CHAMPS MEET LEGION TEAM

Fast Contest Is Slated for Oxford Park Friday Evening at 6 O'Clock

The American Legion baseball team, winners of the city league series, will meet the Hecker team of Corvallis on the Oxford field in a seven-inning game beginning at 6 o'clock Friday night, it was announced yesterday by P. H. Acton, manager. The visitors are playing under the name of a Corvallis contracting firm.

The American Legion team completed a successful season, being defeated but once during the season by the Knights of Columbus. In the three-game finals with the United States Bankers, the Legion lost one and won two games and clinching the championship for the third consecutive year.

More than the ordinary amount of interest has been taken in the city league this year, and for the deciding game of the season more than 350 persons paid admission and obtained their money's worth.

A small admission fee will be charged Friday as the Legion has some obligations to meet and is putting the money in a good cause, Manager Acton said.

Arrangements have been made with the manager of the Corvallis team to play there next week.

EVOLUTION STATUTE IS TO BE ATTACKED

Scopes' Defense to Determine Constitutionality of Tennessee Measure

CHATTANOOGA, Tenn., Aug. 5.—(By Associated Press).—Not only does defense counsel for J. T. Scopes, Rhea county teacher, convicted of violation of the Tennessee evolution law, hold that the theory of evolution denies and is in conflict with the story of the Divine creation of man, as taught by the Bible, as published yesterday in connection with the filing of a petition for injunction in federal court here, but this theory will be more strongly reiterated in a companion petition to be filed tomorrow.

Such was the statement tonight

of Dr. John E. Neal, senior counsel for Scopes in the trial at Dayton, who remained in the city and drafted what he designated as the taxpayers' bill.

The bill will be filed in the name of J. Robert Wilson of Rhea county, in behalf of himself and other fathers and children "like situated," and attacks the constitutionality of the evolution law both as taxpayer and as a parent.

The bill will allege the same grounds of complaint as the petition filed yesterday that the Tennessee law is in conflict with the United States constitution in that it deprives the plaintiff of liberty to teach his children the truth, and that by barring the teaching of evolution the money of the taxpayers is being wrongfully used.

Dr. Neal stated that the bill will be predicated on the theory that evolution is in conflict with the story of Divine creation of man, as taught in the Bible.

PORTLAND MAN VICTOR

MACKIE DEFEATS MILLER OF PALO ALTO AT TENNIS

PORTLAND, Aug. 5.—Upsetting the dope in today's play of the Oregon tennis championship, J. H. Mackie, Portland, won from Sutton Miller, Palo Alto, in a three-set match. Mackie was steady throughout and carried too much experience for his younger opponent, winning 6-4, 3-6, 6-2. Catlin Wolfard, San Francisco, went into the semi-finals by defeating Harry S. Gray 6-1, 6-2.

and Robert Kendall, Portland, put out Bartlett, Portland, 6-1, 6-2.

In the men's doubles, Robert Kendall and J. H. Mackie gave the visiting Californians, Herbert Suhr and Stanley Almqvist, the closest match of the day, losing 6-4, 6-3.

Mrs. Golda Myer Gross, San Francisco, won two straight sets from Miss Stella Fording, Portland, 6-0, 6-2. Miss Carolyn Swartz, San Francisco, won from

Miss Tokuko Moriwake, Honolulu, 6-1, 6-2, in an interesting match in which the San Francisco girl displayed her usual ability. Mrs. Ream Leachman, Vallejo, who has made a clean sweep of the tournament to date, winning all her matches in love sets, eliminated Mrs. J. A. Carr, Portland, 6-0, 6-0.

Prohibition is working smoothly now, and the only job left is to stop the sale of liquor.

How Many Miles in Your Motor?

And What Do They Cost?

The answer is not in the price per quart of oil, but how much per mile. Nor are the higher priced oils necessarily the best.

For example: There isn't a better motor oil in the world than Aristo Motor Oil. It is refined in California, from selected western crude.

Because of volume production, and low freight rates, it easily under-sells the eastern oils.

Some people think that the higher price means a better oil. Nothing could be farther from the truth. Aristo, as an instance, is made without regard for cost—with concern only for quality. And it couldn't be a better lubricant if you paid twice as much for it.

Aristo combats the formation of carbon. It is an unexcelled lubricant. Its saving is thus in service as well as price.

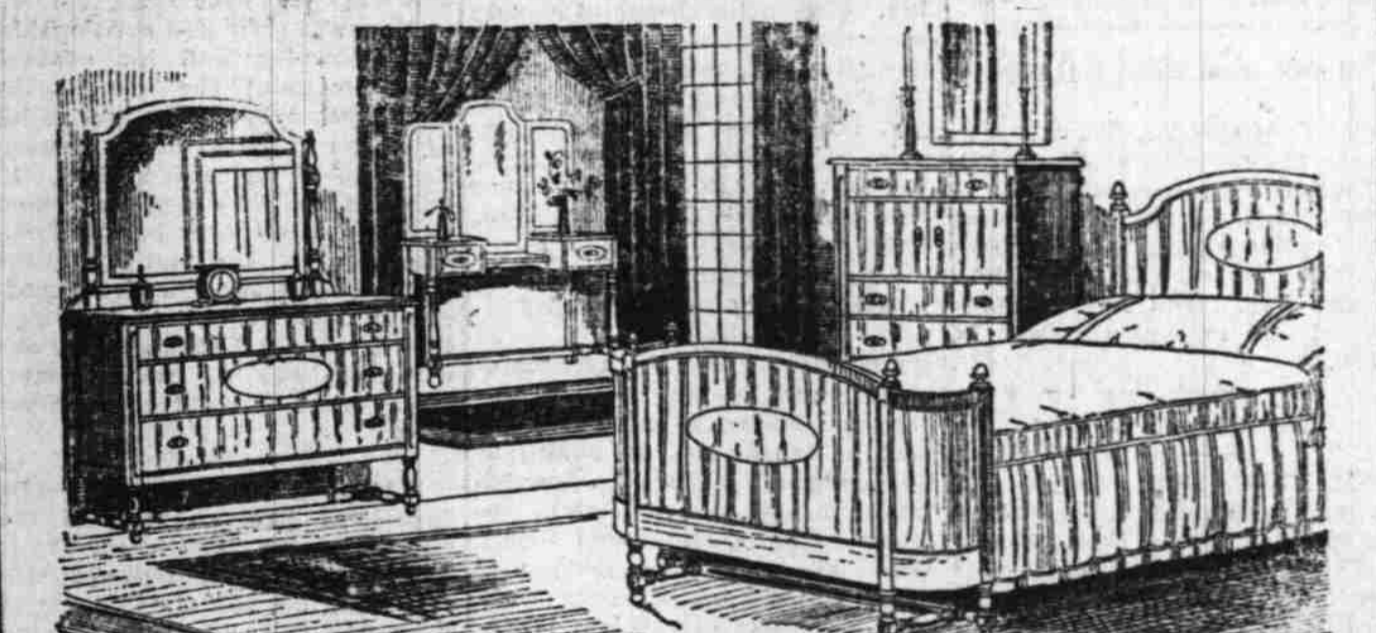

Made by the Union Oil Company, sold at Union Oil service stations and by independent dealers of the first class everywhere.
