VICK BROS.

Careful Driving Urged—Drive carefully—especially if the streets continue to be wet today, is the warning of police who are receiving the usual large number of accident reports incident to the first rain after a long dry spell. The streets and highways were yesterday covered with grease that has had 72 days to accumulate and the rain of yesterday did little but make the pavement slippery. It will take several days of driving rain to wash the streets clear of the oil, and until this happens they will be unusually dangerous whenever the least bit wet.

Salem Corps Withdraws—Because in a way the drum corps of the local post of the American Legion is acting as host to the corps that will come here for the competition at the state fair, it is probable that the local corps will not enter the \$1000 prize competition, it was announced yesterday by Carl Hinges, manager. The local men would have a very good chance of winning the laurels, but it has been decided that competition would be un-sportsmanlike, he declared. Most of the corps that will enter the contest have already succumbed at least twice before the ability of the local organization.

Same Registration Expected—Present indications are that the registration at Willamette university this fall will be about the same as last year. President Carl Gregg Doney declared yesterday. Although a large number of applications and letters of inquiry have been received, the requirements of admission have been so raised that it is expected that the number who actually enter will be about the same as last year.

Five Births Reported—Birth reports were made to the city health officer yesterday for Dortha Phyllis, born to Mr. and Mrs. George W. Aneritt of 1455 Mills street on August 17; James Wesley, born to Mr. and Mrs. Dwight Tibbits of 311 Richmond avenue on August 19; Richard Harold, born to Mr. and Mrs. Harry Egner of Twenty-second and D streets on August 17; Albert Daniel, born to Mr. and Mrs. Daniel Glasser of Salem on August 21; and William Clair, born to Mr. and Mrs. Richard I. L. Steeves is to preside.
