Hello Bill--

Glad to see you. You're surely looking fine now; tell me, how's everything in general, and by the way, how are you getting along with your feet? Do they bother you any more?

No Siree, Jimmie! Not since wearing a real fitting pair of shoes that I bought at ROTTLE'S, the place you recommended. I am indeed having comfort with my feet. They look nice, dont' they? and they only cost me seven dollars. Nothing beats 'em. You surely steered me right.

You too, can be correctly fitted in the proper. size, last and leather to fully meet your requirements for all or any occasion.
