

LARGE CROWD GREET SPEED KINGS AT LONE OAK SPEEDWAY ON LABOR DAY

GEORGE SMYTH IN CLEVELAND VICTOR

30 Mile Event Taken by Canadian Driver; Over 7000 Attend Meet

Piloting a Cleveland Special to victory in both the 30 mile and 15 mile events, George Smyth, "mystery driver" and Canadian racing champion, won high honors on the Lone Oak speedway in the Labor Day races here yesterday. Bill McDonald, of Salem, won the 10 mile run easily, setting a time of 9:46 with a Frontenac Special. Smyth made the 30 miles in 31:31 2-5, and the 15 miles in 14:29 3-5. The 30 mile event was run on a muddy track although no accidents occurred to mar the speed tournament. Over 7000 people attended the races.

every lap of the event. The cars crossed the line on the final lap in the same order they started, McDonald first, Steward McKie second in a Baby Frontenac; Ira Cook third in a HVR Special; and Lou Hollahan fourth in an Essex Special. This race was for cars of 183 inches displacement or under.

In the 15 mile race Smyth led the field after the second lap, the other machines getting dangerously close, but never passing him. Maro Bianchi, piloting a Reed Special gave him the closest race, himself leading for the first two laps, and holding second place throughout the remaining 12 loops around the oval. Harry Hale in a Marmon Special finished in third place in the 15 mile event. Five cars started but a Templar, driven by Elgin Lucas was forced out in the fourth on account of carburetor trouble, and a Dodge Special piloted by Martin, withdrew in the seventh from overheating. The Marmon threw a tire in the 11th lap but managed to enter again and finish third.

The 30 mile race was raged on a sloppy track, a pelting rain having fallen at the conclusion of the 15 mile event. The track was in dangerous condition and the cars were sent around on a five lap tour to stir up the dust beneath the mud to make it safe for the long run.

Nine cars entered the 30 mile race, with only three remaining at the finish. Some remarkable driving was witnessed on the turns. Notwithstanding the slippery track, each car took the turns at high speed. Smyth, driving the Cleveland, was crowded severely several times. In the long grind he was overtaken by four cars, an Essex Special driven by Walker, of Medford, a Frontenac by McDonald, an HVR Special by Ira Cook, and a Reed Special by Bianchi.

The Frontenac took the first

four laps, with Bianchi second and Smyth third. In the fifth, Smyth came to the front and held it to the 11th lap when the Essex pulled out ahead from third place. Smyth regained the lead in the 12th, only to be forced to second place by Ira Cook in his HVR. Cook held the lead for four laps, and was forced out of the race later when he threw a wheel.

The Essex ran to quit in the seventh lap on account of a burned out bearing. This car was one of the speediest on the track, and was nudged through in fine shape by Walker at the wheel. The Reed Special was forced out for a time in the 10th lap, but later reentered. In the same lap the Baby Frontenac was obliged to take the pit with bearing trouble. The HVR quit in the 18th lap, and the Frontenac went to the pits with tire trouble in the 21st.

When the final lap was run, the Cleveland was about one-half mile ahead of the Marmon, with a Templar driven by Lucas following up behind.

After the races, Harry Groves leaped from an airplane in a parachute, although no attempt was made to lower the world record for altitude.

The Cleveland car will be on exhibition at the MacDonald auto company during the week.

SENATORS WIN TWO GAMES FROM RIVALS

Rain Stops Battle After Locals Score 2 to 1 Lead Over Toledo

Rain stopped the battle on Oxford field in the fifth inning yesterday, but not until the Senators had scored a 2 to 1 lead over Toledo to give the locals victories in both of the two-game series Sunday and Monday. Assisted by four homers the Senators took an 8 to 4 victory in the first of the two-game set.

Six home runs, four for the Senators and two for the visitors featured the mix Sunday. The homers brought in the only four tallies for the Toledo nine. Bouton was the only man to cross the plate without the assistance of a homer.

Brooks, fielder for the challengers, scored the only homer in yesterday's game, bringing in the lone tally for the visitors. Keene and Reinhart was responsible for the Senators' two counts.

TENNIS MATCH TO BE HELD SEPT. 12

Salem Players to Hold Tournament Saturday; Three Classes Enter

Four trophies will be offered for leaders in the city tennis tournament which opens here this week beginning Saturday, September 12, according to announcement yesterday of Ivan White, chairman of the committee in charge from the Salem tennis association. The tournament schedule calls for men's singles, women's singles, men's doubles, and a consolation men's singles tournament.

The tourney is being held later than usual this year, principally because so many of the players have been out of the city until recently, it was said.

Among prominent entries will be Stanley Emmel, ranking player for Willamette university and winner of the singles cap in the city tourney a year ago; Roy Okerberg, University of Oregon player, who with Dr. Bates of Salem won the doubles cup last year; Hale Mickey, Willamette player, and the entire high school team, consisting of Francis Lutz, Jack Minto, John Creech and Ivan White. The tournament will be held on the association courts located on the state hospital grounds.

When a physician advises you to take a month off and rest up, he should also provide the cash to keep up your installments.

DEMPSEY SHOWS GLOVES
HEAVYWEIGHT CHAMP BOXES IN EXHIBITION MATCH
 SAN FRANCISCO, Sept. 6.—(By Associated Press.)—Jack Dempsey, heavyweight champion pugilist, emerged partially from retirement, in the midst of a fight card at the ball park here this afternoon to box four exhibition rounds, two each with two opponents.
 Appearing stripped for action in an American ring for the first time in more than a year, the champion looked to be in tip top condition. No superfluous fat was evident. Though he did not extend himself in the exhibition, he displayed fast footwork, his famous weaving style of attack and an assortment of short, fast hooks.
 Dempsey's opponents, Bill Larue of the Olympic club, former national amateur heavyweight champion, and "Cowboy" Ed Warner, clowning it about much to the amusement of the crowd.
 The main event was a 10 round draw between Lou Paluso of Salt Lake City and Tommy Cello of San Francisco, lightweights. The referee's decision was not received with unanimous accord, many fans contending that Cello had earned the call.

Re-shingled for the last time with a roof that defies time, fire and the elements!

Notice these Features:
 1—In case of a sudden shower—the laying of STA-LOK Shingles is not hindered—for they can easily be handled no matter how wet. Or, if the rain is heavy—there's no need of covering the roof with canvas—when shingling over your old shingles.
 2—The white heat of a blow torch on a STA-LOK roof—proves its fire resistant qualities—thus eliminating the danger of fire from stray sparks.
 3—No need of unsightly yards—with torn shingles strewn over the lawn—when re-roofing with STA-LOK Shingles—as they are laid right over the old roof.

No matter how badly torn or cracked the shingles on your roof appear—Barbour Sta-Lok Shingles can be laid right over them.
 Moreover—there's a saving in laying Sta-Lok shingles over the old roof. The time, trouble and cost of ripping off the old shingles and cleaning up the yard—is spared by this new method—and in case of a sudden shower, possible damage to the interior is eliminated.

THE STA-LOK FASTENER
 Sta-Lok Shingles are quickly laid on new or old roofs at a minimum labor cost. The Sta-Lok Clip clamps each shingle at the bottom—and is practically invisible. A scorching sun cannot make them warp. Heavy winds cannot tear them loose.

A heavy coating of granulated slate—deeply impregnated—makes them highly fire resistant. The beautiful plain and color combinations—banishes the need of forever staining or painting—hence another saving!

10 MONTHS TO PAY IF YOU DESIRE!
 Our Dealers are in a position due to a special arrangement through us—to extend the convenience of our time payment plan. Beautify your home—at the same time safeguard your family against fire hazard by having a Sta-Lok roof put on—on such convenient terms that you'll never miss the money!
