

100F GRAND LODGE CONVENTION NEARS

101st Annual Session Will Be Held in Portland From September 21-25

The one hundred and first annual session of the Sovereign Grand Lodge of Odd Fellows will be held in Portland September 21-25. The program for the occasion has just been completed and is now in the hands of the printer. It will be a souvenir booklet of the Pacific Northwest, containing pictures of all the leaders of the various branches in the Order.

On September 19, preceding the opening of Sovereign Grand Lodge, there will be an excursion on the S. P. & S. Railroad to the shores of the Pacific Ocean. The members of the Order in Clatsop County are providing a clam bake and seafood banquet for the thousand or more delegates who are expected to take this trip. The trip will be free to all officers and members of S. G. L., general military council officers and members of the Association of Rebekah, assemblies, grand secretaries and grand scribes, and members of the IOOF fraternal press association. All of these organizations of Odd Fellowship will hold sessions in Portland during Sovereign Grand Lodge week.

On the Sunday of September 20, special services will be held for the visitors in the First Baptist church. This will be followed by a reception in the afternoon at the Odd Fellows Home, 32nd and Holgate streets, given by the Rebekah Assembly of Oregon to all Odd Fellows and Rebekahs.

The regular sessions of the various branches of the order will be held in the new Odd Fellows Temple, corner 10th and Salmon streets opening on the morning of September 21. The evening sessions, general receptions, etc., will be held in the City Auditorium, while there will be several banquets held in the dining rooms of Hotel Multnomah, which is the official headquarters for Sovereign officers.

Much preparation is being made by all the lodges in Oregon, as well as Washington, Idaho and surrounding states for the grand parade which takes place on September 23. The line of march and plan of organization for this big parade has been established. It is expected that at least 40,000 members of the order will participate in the parade, and every lodge within a radius of 100 miles of Portland is organizing for exhibition in the line of march. Many of the counties of Oregon are organizing full county units. Tillamook County, with a membership of over 600, is expecting to place a float, brass band, and at least 400 members in their section. Yamhill County has over 900 members of the various branches of Odd Fellowship. They will also have a band, float, and sections of organized marchers. The chairman of their committee reports that fully half of the membership will be present on that day. Early in the arrangements Marion County organized the various lodges of that section for

participation in the big parade. Astoria will be on hand with her municipal band, and those who have seen them in parade during the past, know that they will make a good showing. Pendleton will be down with a big delegation from Umatilla County, while the 7,000 members of the order in Portland are expected to be in the line of parade almost to a man.

The parade will form on 14th and Morrison streets and the streets running south and west from this intersection. The time of starting is 12 o'clock, and the line of march will be as follows: From 14th and Morrison streets, east on Morrison to 12th, north on 12th to Alder, east on Alder to Broadway, north on Broadway to Pine, east on Pine to 6th, south on 6th to Morrison, east on Morrison to 5th, north on 5th to Pine, east on Pine to 4th, south on 4th to Taylor, west on Taylor to 10th, south on 10th to Madison, east on Madison to 6th, disbanding to the east and south as directed by the marshals.

The sections as arranged will be led by Chief of Police, L. V. Jenkins, Mayor George L. Baker, Walter M. Pierce, Governor of Oregon, and the general committee of arrangements and Oregon grand lodge officers. Following this will be the Patriarchs Militant, one of the finest carapisoned body of organized marchers in the world. In times past there have been as many as 3000 plumed members of this branch of Odd Fellowship in the line of march at Sovereign Grand Lodge. Next there will be the older members of the order in autos. It is expected that every fifty-year member will ride in this section. After this comes the main body of the parade, including all of Multnomah County and various sections from Canada, the eastern, southern, central and western states. The state of Washington and also Idaho will each form a separate section in the parade. Other sections include floats, and other special features will be in line with their various sections.

Taking it all in all, it is expected

ed that the Odd Fellows parade will be one of the most spectacular and dignified pageants that has taken place in Portland during the year.

EUGENE SITE SOUGHT

LINEN MILL PEOPLE DECLARE VANCOUVER HAS FAILED

EUGENE, Ore., Sept. 12—Representatives of the Washington-Oregon linen mills company, which has planned to build a large linen mill at Vancouver, Wash., were here today, conferring with officials of the Eugene chamber of commerce, asking that Eugene take stock in the company to locate the mills here. It was stated that Vancouver has failed to meet the necessary requirements. Another meeting will be held next Monday night, accord-

Woodhaven, N. Y.—Mr. K. M. Collins says, "Instead of plodding through my work wearily on account of sick headaches and sour stomach, I now enjoy good health and ambition, can do more and better work and life is worth living. I have never before given my name to advertise a medicine, but you cannot imagine how different I feel since I discovered Carter's Little Liver Pills." Carter's Little Liver Pills tonic the whole system through the liver and bowels. They act as a mild and effective laxative in a gentle manner without any bad after effects. At all Druggists.

ing to announcement of the secretary of the chamber of commerce. It was stated by William E. Douglas, president, and F. J. Galbraith, general manager of the company, that \$175,000 worth of machinery is now on the railway tracks at Vancouver, that \$100 a day demurrage is being paid and that prompt action on the part of the citizens of Eugene will bring the plant to this city. The mills if established here would employ 300 persons it was stated.

Farmer Loses on Bumper Crop of Corn, Is Stated

DES MOINES, Ia.—A bumper crop of corn does necessarily mean prosperity for the Iowa farmer. More likely it means money out of his pocket, says C. D. Reed, director of the weather and crop reporting service. In his bulletins, Mr. Reed has been repeating "More corn—less dollars." Basis for the statement was found in a fact pointed out

by the late Secretary of Agriculture Wallace, substantiated by figures in Mr. Reed's own office. The reverse is equally true, he declared, "Less corn—more dollars."

"Take the crop of 1924," said Mr. Reed. "It was the poorest we have had since 1901. The average yield was only 28 bushels to the acre. Despite the yield being 132,000,000 bushels shorter than the previous crop and that it was of inferior quality, it brought the Iowa farmer \$13,000,000 more

than the year before. "The 1921 crop—Iowa's greatest—is another example. The average yield for that year was 43 bushels an acre, a bumper crop even for Iowa, yet the total return to farmers was only \$133,000,000 compared with the \$250,000,000 which the average corn crop brings."

In that year Mr. Reed said the gross return for land that grew corn was \$12.90 an acre, the lowest figure since 1902.

A. P. Courter of Falls City purchased the Sappers, Inc., hardware store the first of the week, Mr. Courter took possession Friday morning and will be assisted in the business by his son, Cleve Courter.
