

MICKEY WALKER WINS CLOSE DECISION IN TERRIFIC RING BATTLE

SHADE IS DEFEATED IN FURIOUS MATCH

Title Holder Wins Verdict on Rally Staged in Final Round of Fight

YANKEE STADIUM, New York, Sept. 21.—(By Associated Press.)—Mickey Walker of Elizabeth, N. J., retained his world's welterweight title when he scored a judges' verdict over Dave Shade of California in a furious fifteen round title match at the American league baseball park tonight.

A thrilling rally in the final round won the verdict for the champion, who had been absorbing plenty of punishment from his challenger in the early rounds.

Walker had been wearing down his challenger with a concentrated body attack and reaped his harvest in the final round when he hammered Shade about the ring with a charge which retained for him the world's 147-pound crown.

Both men casting science aside, slugged with abandon and without let up. Until Walker's sensational finish the consensus among newspaper men at the ringside gave the crouching Californian an edge over the champion. Even after Walker's spectacular rally under which Shade bent like a broken reed, opinion remained divided, a chorus of boos accompanying the ovation which greeted the verdict. Referee Patsy Haley cast the deciding ballot. One of the judges, George T. Kelly of Yonkers, cast a vote for Shade on the strength of his superior fighting in the early rounds. Richard Nugent of Buffalo, the other judge, turned in a slip for Walker. Haley's ballot then settled the issue.

Johnny Grosso of Mount Vernon, N. Y., won a judges' verdict over Joe Silvani of New York in a six round preliminary to the Walker-Shade welterweight title. The men are heavyweights.

Frank Moody of Wales, scored a technical knockout over Kid Norfolk, negro heavyweight of New York in the fourth round of an eight round preliminary. Norfolk was down three times for counts of four, eight and four before the white towel of defeat fluttered into the ring.

Tox Rickard, promoter of the fight estimated the crowd at 45,000 and the total receipts at \$200,000. It was easily the largest crowd of the outdoor season.

MICKEY RETAINS HIS CROWN

Here's Mickey Walker's fighting face. After one of the most thrilling furious ring battles seen in years, he still retains the world's 147 pound crown. Dave Shade, his most persistent challenger, put up one of the stiffest fights in his career. A thrilling rally in the last round of the match gave the decision to Walker after fight fans had witnessed what was without doubt one of the most brilliant ring battles in history.

The fight, round by round, is as follows:

ROUND ONE

The champion took the aggressive after a clinch and scored heavily in the infighting against his crouching challenger. The champion was pounding on Shade's body. Shade staggered Walker with a straight left jab to the face. Shade's most forceful blow with a right to the head. Another right sent Walker to the ropes. Both landed damaging blows in a furious encounter near the ropes. Shade's crouching position and his dodging tactics puzzled the champion. They were sparring at the bell.

ROUND TWO

Shade's left sent Walker backwards. They locked arms but both got one free and they pounded away in a fierce fashion. Shade almost upset Walker with an overhead right. Clinch followed clinch as Shade crouched to protect himself from Walker's charges. Shade scored a beautiful right uppercut which turned Walker half around. The crowd was in an uproar as the bell ended a furious skirmish.

ROUND THREE

Walker hooked his left to Shade's jaw. Another left caught Shade's jaw and a clinch followed. Shade staggered Walker with a right to the face. Walker almost floored Shade with a right to the jaw. Both landed weakly to the head. Walker scored with his left and Shade clinched. Five times Shade landed to Walker's face with a hard right. The referee had to pry them from a clinch as the bell ended the round.

ROUND FOUR

Walker continued to punch away at Shade's body, as the challenger drove into a clinch at every charge. Both missed frequently. Walker stung Shade with a right cross to the jaw and followed it with a beautiful left. There was plenty of infighting. Walker staggered Shade with his left but took a right uppercut on the return jab as the bell ended the round.

ROUND FIVE

Walker crashed over a wicked left to the head which almost floored Shade. Shade came back with a furious charge and for a few seconds they hammered away without a thought of protection. Walker missed a right cross and Shade swore with both hands to the head. Walker got over a pretty left to Shade's body but little damage was done. Every other charge was a clinch. Shade scored heavily to Walker's head without a return. They were milling at a fast clip when the bell rang.

ROUND SIX

The challenger opened up a serious attack at the champion as the round opened, landing effectively with both hands. Walker put over a vicious right square to Shade's face which sent the challenger back on his heels. Four times Walker landed to the head without a return. Another left caught Shade off balance and he almost fell. The crowd was in a frenzied uproar as the right assumed faster proportions. Both landed vicious blows to the head and body in a terrific exchange. Both of the fighters nearly went down under the slaughter. The bell halted a furious exchange.

ROUND SEVEN

Shade was bleeding from the mouth and from a cut under his right eye as he came up. Walker landed with both hands to the head. They locked in a clinch but the infighting was even. A straight right sent Walker to the ropes. An uppercut jarred him. Both landed smashing drives

PLANE CRASHES ON SHIP

AVIATOR IS HURT IN U. ACCIDENT AT SEA

SAN DIEGO, Cal., Sept. 21.—(By Associated Press).—One of the most unusual crashes in the history of naval aviation occurred aboard the aircraft carrier Langley today three and a half miles southwest of Point Loma, following the catapulting into the air of 15 land planes from the deck of the big aircraft mothership.

With Lieutenant A. W. Gorton in the pilot cockpit of a CS plane, and C. F. Smith, aviation machinist's mate, first class; A. C. Stevenson, aviation chief rigger, and E. J. Hess, aviation fitter, first class, in the passenger cockpits the ship attempted to take off from the Langley's deck.

The plane had attained a speed of nearly 40 miles an hour and was within 100 feet of the jump-off when the tailhook caught in a wire. Instantly the plane turned and plunged off the starboard side of the deck, striking the sea nose on. Smith was the only man hurt, receiving a lacerated scalp.
