OWN YOUR OWN HOME! OWN YOUR OWN HOME!

The instinct for a home is as natural in humanity as the instinct to mate. A young couple beginning family life in their own home, secure at once a back ground, an anchorage.

Children brought up in their own home have the supreme advantage of a domestic sentiment that is one of the most valuable of apiritual possessions.

Without their own house, there is an inescapable sense of being trans-ients, of having no firm foundation for family life.

PICK UP IN LOTS—A DOZEN LARGE lots in Yew Park for \$1000 cash. No gravel. These lots are in the path of important future development. Sea today.
