

### BILL HUNT WINS IN THIRD ROUND

#### Knockout Terminates Boxing Match at Silverton Last Friday Night

SILVERTON, Ore., Sept. 27.—(Special.)—Perhaps the most successful boxing match ever held at Silverton was that of Friday night at the Hippodrome. A very large attendance was at hand and all the rounds were snappy and fast.

The management was encouraged by the manner in which the Friday night matches were met to such an extent that another entertainment of the same sort is promised for the near future.

The main event Friday night was between Bill Hunt of Salem and "Moose" Norbeck of Portland. Hunt knocked Norbeck out in the third round.

A second event consisted of "Fat" Wills of Mount Angel and Conney Hannon of Silverton. Wills was handicapped by a broken hand which he received in the first round. Hannon secured the decision at the close of the sixth round.

H. Hicks and George Johnson both of Silverton fought a fast fourth round match with the decision going to Johnson.

In the fourth event L. Shurley and Arthur Bye also both of Silverton fought four rounds to a draw.

Byron Anderson won over Harry Wells at the end of the second round in the fifth event.

#### CONFERENCE SUGGESTED

VICTORIA, B. C., Sept. 26.—Charles Dailey, foreign correspondent for a newspaper in Chicago, arriving here today on the President Jefferson from China where he has spent the last five years, predicted that a conference of world powers in China October 26 to discuss a proposed increase of tariffs on Chinese imports and exports would result in a temporary settlement.

#### FOOTBALL RESULTS

Washington 108; Willamette 0. California 28; Santa Clara 0. U. of C. Southern branch 7; San Diego Teachers 0. U. of Southern California 74; Whittier 0. U. S. S. Oklahoma 3; College of Puget Sound 0. Gonzaga 37; Cheney Normal 0. Olympic Club 9; Stanford 0. University of Southern California 33; California Institute of Technology 0. Washington High, Portland 17; Chehalis High 7. MAAC 22; Portland Water Front 6. Cornell 80; Susquehanna 0. Dartmouth 59; Norwich 0. Marquette 10; Loyola 0. Colgate 28; Canisius 0.

### CHEMAWA DEFEATS COMMERCE ELEVEN

#### Indians Get Away to Good Start and Take Opening Contest 19 to 6

The Chemawa Indians defeated the Commerce high school team of Portland Saturday by a score of 19 to 6. The Commerce eleven made heroic attempts to check the Indian onslaught, but the fast combination from Chemawa was too much for them. The Indians were in fine shape, and showed well on the offense. They were well on the defense, also, only Commerce took advantage, and put over a touchdown for their only score of the game. The Portland team was weak on the offense most of the time, and the Indians clearly had the best of it throughout the game.

#### INVESTIGATION ORDERED IN SUBMARINE DISASTER

(Continued from page 1.)

half from the point indicated by the bearings.

From press advices and its own dispatches, naval officers were inclined to the belief that the S-51 was proceeding according to its right under the law of the sea when the collision occurred. Both ships, it was said, apparently were approaching with the steamer on the port side of the submarine. This would have given the S-51 the right of way and would have required her to proceed without changing course or speed until the collision was unavoidable, it was stated.

In addition, the submarine, it was said, was struck abaft the conning tower, indicating that the City of Rome was an "overtaking ship," and should have given right of way to the submarine for that reason also. That the steamer saw only one white light would be evidence of this, it was added, as that was the stern light, while from abaft the red and green lights on either side of the submarine could not be seen.

From where the submarine was hit it was concluded that if the bulkheads held, as they should in a depth to as great as 200 feet, the officers and men in the forward section where the crew's quarters are, might be alive. For those in the engine room little hope was held out, nor was there much hope for any who may have been toward the stern near the batteries because of the danger from chlorine gas. That section, however, is not frequented ordinarily by men at night.

treated in true Gothic style with rare isle arrangement, including eight massive free standing columns and a grand staircase at either end. Its decorative treatment will be in accord with the architecture and will include several fine murals in key with the building and the theme of its name.

It is hoped that the building will

### SENATORS TO PLAY IN ALBANY TODAY

#### Return Game May Enable Locals to Aton for Defeat Given Last Week

The Salem Senators play a return game with the combined team of Albany and Toledo this afternoon on the Albany grounds, providing too much moisture isn't precipitated before the game is called.

The Senators are out for blood in today's game, as they were given a trouncing last week by the same team on the Salem lot. The combined team offers a fast combination and excellent fielding, and the Senators have a job on their hands to extract revenge.

Because of the college ruling, which allows college athletes to play semi-professional ball during the summer but prohibits their doing so during the school year, five men will be out of the Senator lineup. They are Ashby, Adolph, Bouton, Mapes and Rinehart. But Manager Edwards has

obtained some new stars to fill in the gap, among whom will be "Lefty" Schroeder, who used to play the mound for Portland. He will pitch in this afternoon's game and several players from Mt. Angel have also been lined up. Kenneth Williams, who has figured prominently in major league circles, battling heavily for St. Louis, has been urged to join in today's game, but can hardly do so because of his major league contract. Williams is here visiting Vic McKenzie, and while he will hardly be able to get into the game, he may assume the duties of umpire for the day.

Manager Edwards has expressed the hope that all Salem fans who can will journey to Albany today to see the boys in their endeavor to turn the tables on the team that humbled them last Sunday.

### FRANKIE LEWIS TO MEET CAL HERMAN

#### Big Bill Hunt, Husky Salem Fireman, Will Be Seen in Action Again

In the first boxing show to be held in Salem since the passage of the city ordinance regulating the sport, Frankie Lewis, popular Salem boy, will meet Cal Herman, of Salt Lake City, in the feature match of the bouts to be held in the Armory on Thursday evening, October 1. On the same card, Bill Hunt of Salem will meet Speed Murphy of Portland. Two snappy preliminaries will also be held.

The fight between Lewis and Herman promises to be one of the best ever seen here. Lewis' style is well known here, and this coupled with the fact that Herman has 28 knockouts to his credit, should mean that Salem fans will receive their money's worth. Both of these men have defeated Ingersol, one of the best men on the coast. Lewis is working out every evening at the Armory at 7:30 o'clock, and is in tip-top condition.

The match between Bill Hunt and Murphy will also be good. Hunt fought in Silverton on Friday night, and stowed Knowbeck away in the second canto of the match. It will be remembered that this same Knowbeck KO'd the famous Oregon Giant in "Portland not long ago, thereby gaining no small amount of fame.

"Hunt is one of the coming heavyweight champions of the coast," Harry Plant, matchmaker, said last night. "He has speed and is crafty. There is no doubt but that he is one of the best boys in the ring on the Pacific coast."

Harry Plant has been appointed official matchmaker by the new boxing commission elected under the city ordinance.

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers.

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.
