

THRILLING

Power and Pick-Up!

Power abundant in this Eight—so smooth, so exhilarating—that it brings you the thrill, and the spirit of buoyant freedom, of a fast yacht scudding before the wind.

Women, as well as men, find particular delight in its ease of control, remaining fresh in mind and body even after driving long distances.

Hupmobile, with its notable reputation for building cars that stand up for eight and ten year periods, never before produced the equal of this Eight in downright mechanical soundness and durability.

Come in today—and put this marvelous performer through its paces in your own way.

SALEM, OREGON

680,000

is the total of injured in automobile accidents in the U. S. in 1924. The number of killed was over 22,000—and 66 of the killed were in Oregon. **THINK OF IT!**

The MOST IMPORTANT factor of safety about the automobile is the BRAKE

Therefore have your brakes inspected regularly by a BRAKE SPECIALIST—one who has made a study of brakes and has the proper equipment to reline your brakes CORRECTLY when they need relining.
