ROYANNA MAC WINS IN PROLONGED RUN

Keefer Mare Places in First Money After Winning in Six Heat Race

After running the event into six heats to determine the winner, Royanna Mac was awarded first money in the free for all trot after she had taken the last three heats in one of the most thrilling speed exhibitions seen here in years. Lilas Dee, driven by Williams took second money, with one heat and three second places, and Wm. Gray, an old favorite, came in for the third share of the $1000 purse with three thirds and a fourth. The fastest heat was taken by The Exodus who stepped it in 2:10½.

In the third heat, The Exodus, with Huber in the sulky, broke a short distance past the wire and continued running to the one quarter post, being distanced after taking two straight heats. Royanna Mac took the lead when The Exodus dropped out, and made a wonderful run with Lilas Dee who came in second. In the fifth heat, only the heat winners, Royanna Mac and Lilas Dee went to the wire. The Spencer horse taking this, as well as the sixth, easily. The extra heat was necessary in order to comply with the ruling which states that in a three in five heat race, a horse in order to take first money, must win three heats.

In the second race, a 2:20 pace, with a purse of $800, Amy Bond, a bay mare driven by Williamson, took the money with one heat and two seconds. The fastest heat of the week was run in this race when both Amy Band and Johnny Morrissey stepped the mile in 2:09¼. Incidentally, the track record for the pace is 2:2½, made here six years ago by O. U. C.

Johnny Morrissey, a black gelding, was drawn from the race after having taken the first two heats. Amy Bond then placed first after having came in second position twice. Third money went to No Limit, driven by Bailey.

The Consolation pace, with a purse of $250, was one of the best races of the week. Hal Paxton Jr., driven by Woodcock, took the race in three straight heats, also equalling the record of Johnny Morrisy and Amy Bond in making the mile in 2:09¼ in two heats. George H. Wilson, with Williamson in the sulky, placed in the second money and Thelma R., driven by Huber took third.

In the second heat of this race, Hal Paxton, after leading the field for three-fourths of the distance, was closed up on by Geo. H. Wilson, and the two horses came under the wire in the best finish of the week.

The races yesterday were managed better than for years past. No delays between runs, and few scores at the wire accounted for this. Between heats horses from the McCleave and Welsh stables entertained the crowd which broke all records for Friday attendance.

MONTANA TO MEET WSC IN TITLE TILT

First Conference Football Game of Season Will Take Place Today

SAN FRANCISCO, Oct. 2.—The second week of football on the Pacific coast brings together tomorrow some 22 teams in contests of more or less importance, with one coast conference game scheduled.

The University of Montana is booked for a conference tilt with Washington State College at Missoula.

California, playing its sixth season with no defeats, meets Nevada at Berkeley. Two years ago Nevada fought the Bears to a standstill, coming out of the game with a 0 to 0 score.

A game commanding some interest brings together Stanford and Santa Clara at Palo Alto. The contest will give a line on the Carlinal strength as compared with California. Last Saturday the Bears easily defeated Santa Clara 28 to 0.

At Seattle, Washington is ready for its annual double header. The West Seattle AC and a team from the USS Oklahoma oppose the Huskies this year.

Utah invaded Los Angeles to other of the more important games on the coast.

WALLA WALLA, Wash., Oct. 2.—Whitman College defeated the Cheney Normal school eleven in the first football game of the season here today by the score of 25 to 0.

Good line bucking and six long passes contributed to the success of the local team, Captain Conley playing a stellar game. Shepard and Turner starred for the visitors.

MOSCOW, Idaho, Oct. 2.—(By Associated Press.)—The University of Idaho Vandals opened their 1925 football season here today with a 16 to 14 victory over the College of Idaho eleven. A sensational passing attack together with some brilliant broken field running by Lowell, halfback, carried the Coyotes closer to victory than dope had forecast.

BEARCAT ELEVEN INVADES AGGIES

Entire Aggregation Will Go to Corvallis for Game This Afternoon

The entire Bearcat squad will journey to Corvallis today when Willamette will meet the OAC team. There are 20 men in the squad. Schweining, Fasnacht, Bill Mudra and Scott will not be able to make the trip.

Houston and Hartley will probably be in the lineup, and are expected to strengthen the team Mumford and Herrman, who are experiencing their first year in football, have been showing well in practice and will probably get the chance to play this afternoon. There are five or six freshmen in the lineup.

In spite of the loss of so many first string players, the team has been scrapping in earnest all week and plan to fight through the whole game. They hope to come out of the OAC game with a better score than that made recently at Seattle against the University of Washington.

OAC is reputed to have a fast team this year, and as they are out for the championship of the coast, it is more than likely they will try their best to run up a record score.

RUNNING RACES ARE BEST OF THE WEEK

Excellent Time Made on Track; Peace Flag Sold After Claim Race

Peace Flag, a five year old chestnut mare from the Ruth Parton stables, was purchased for $800 by Mrs. E. D. McElhaney yesterday, following the running of the claiming purse of $250. This is the first time in years that a claiming race has been taken advantage of. Mrs. Olive E. Held also entered a bid for the horse. Peace Flag came in second in the event, first place going to Randolph, with Jockey Buell up. The claiming race, listed as the "Wild Wild Susan," was for all ages, with a limited value of $800. The six furlongs was raced in 1:14½.

Virginia Hedgewith, ridden by Donavan, won the Pony Express event for two year olds that had never before been entered in a race. Sparrow, with Gipson up, came in second, and Ace o' Clubs, with Rowe in the saddle, placed third. The purse was for $150. The finish was close. The time, 49¾, was considered excellent for a field of colts.

In the Lucky Devil event, a five furlong run for a purse of $250, Bay Man, with Donovan up, finished first, and Lomond, Jr., with Rowe in the saddle, came in second. Skylark, a chestnut gelding, finished third, ridden by Gipson. The five furlongs was made in 1:02.

A special girls' race for one-half mile, was won by Miss McElhaney, riding Cicily K. Miss Barnett on Barbwire Billy, finished second, and Babe Ruth with Ruth Parton in the saddle, came in third. The time for the half mile was :50.

The summary:

Pony Express, for 2-year-olds never before entered. Four furlongs. Purse $150.

Virginia Hodgewith (Donovan), Sparrow (Gipson, Ace o' Clubs (Rowe). Time 49¾.

Lucky Devil, for all ages, claiming purse $250. Five furlongs. Bay Man (Donovan), Lomond, Jr., (Rowe), Skylark (Gipson). Time 1:02.

Wild, Wild Susan, claiming purse $250, for all ages. Six furlongs.

Randolph (Buell), Peace Flag (Rowe), Riverwood (Donovan), Stopover (Gipson), Wooldag (Frey). Time 1:14½.

COVELESKIE IS HURT

PLAYER'S MUSCLES REFUSE TO RESPOND TO TREATMENT

WASHINGTON, Oct. 2.—(By Associated Press.)—The possibility that Stanley Coveleskie may be unable to participate in the world's series developed today when, after days of treatment, sore muscles in the veteran hurler's back failed to respond favorably to nursing.

If Coveleskie is unable to take his turn in the series it was indicated that Alex Ferguson, the right hander recently obtained from the Yankees, will be used in his stead. Ferguson has pitched with unusual success since joining the champions.

AGGIES AWAITING BEARCATS TODAY

Clash Marks Northwest Conference Opening in Oregon; Game at 1:30

OREGON AGRICULTURAL COLLEGE, CORVALLIS, Oct. 2.—When the Aggies and Willamette mix here today for the opening northwest conference game in this state, a much better game than seemed possible after the Washington slaughter may be expected. Reports from Salem indicate that most of Rathbun's regulars were out of the lineup at Washington and are now back ready to fight for the od ambition of the Bearcats—holding the big state school to a low score or even a win if possible.

Last year they won glory by holding Oregon to a tie in the opener and they will doubtless do their best to repeat this year. The Aggies have been using two or three teams all season and it is certain that Schissler will use practically all his men to get them further seasoned for the Gonzaga game which has been set ahead one day to Friday, October 9. No overwhelming score is either expected or desired by Schissler who will be content with a decisie victory. The game starts at 1:30 and no seats will be reserved, practically all of them being under cover.

SALEM HIGH MEETS ALUMNI GRIDSTERS

Local Eleven Will Be Given Good Work Here This Afternoon

The Salem high school football squad are slated to receive a real workout this afternoon when they will meet the alumni team in the first game of the season.

A good team has been arranged for the alumni under the management of Patterson, and the graduates will give all they have in order to shape the school team for its first real game of the season, that with West Linn union high school to be played on Sweetland field next Friday.

The high school squad has been running through heavy scrimmage all week, not letting up until Friday when the team underwent a light workout with signal practice in preparation for today's mix.

DOG CATCHER BUTCHER

APPOINTMENT SIGNAL FOR "HOT DOG" STANDS

Claude Lewis of Stayton, recently appointed county dog catcher, has been a butcher in his day. This apparently innocent fact becomes startling when it is revealed that his appointment has been followed immediately by a myriad of "hot dog" stands at the state fair.

If the records disclose the facts of the case, it is seldom that a former butcher has been given the duties of a dog catcher. However, the experience that a butcher necessarily receives should stand him in good stead to fill the position.

Claude is the grandson of Reuben Lewis, who was one of the pioneers to vote at Champoeg for the organization of a provisional government for Oregon. Reuben, who was born in New York in 1814, was a pioneer of 1842.

Safeguarding your motor

In the cool of the night, huge trucks hurrying perishable foods to city markets, must not be delayed or halted. For serious loss would result. The operators of these trucks realize the importance of reliable motor lubrication.

Dependability is the outstanding characteristic of Cycol. And the motorist who uses Cycol is as confident of results as he is that the sun will rise.

Cycol does a *thorough* job of lubrication. Because of treatment given the crude itself at the start of distillation; followed by perfect filtration of the distilled oil; then *redistillation* and finally, separation by mechanical force. All these are in addition to the recognized purification processes employed by refiners. Next time try Cycol. Safeguard your motor.
