OWN YOUR OWN HOME!
The instinct for a home is as natural in humanity as the instinct to mate. A young couple beginning family life in their own home, secure at once a back ground, an anchorage.
Children brought up in their own home have the supreme advantage of a domestic sentiment that is one of the most valuable of spiritual possessions.
Without their own house, there is an inescapable sense of being transients, of having no firm foundation for family life.
We have several new bungalows, 4 rooms and breakfast nook, we will sell, just like rent.

The School Lunch Box

Sandwiches as a rule make the foundation of the school lunches. These may consist of chopped boiled eggs, peanut butter, chopped meats, nuts, olives, or chopped fruits such as raisins, dates or figs. Any of the above mentioned food combined with mayonnaise dressing or melted butter and spread between slices of buttered bread makes a most appetizing sandwich, which all children will enjoy.

Fruit, you must remember, plays a most important place in the diet. A small glass of canned or dried fruit to be eaten with bread and butter or an apple, orange or banana.

Sweets in the form of cup cakes or cookies of some kind to be eaten with the fruit makes a good dessert. Add a few pieces of candy or small package of raisins.

Try and wrap each sandwich or article of food in oil paper, and see that the softer foods are placed on top, to prevent mashing anything.
