

# AGGIES TO MEET GONZAGA FRIDAY

### Game With Willamette Gives Coach Schissler Chance to Size Up Men

CORVALLIS, Or., Oct. 3.—(Special.)—Gonzaga university plays the Aggies Friday at Corvallis in the first and toughest game of the season. Willamette's game yesterday gave Coach Schissler just the opportunity he wanted to size up his backfield combination.

This is the one he will start against Gonzaga. Wes Schulmerich and Bob Quinn, halves; Web Edwards, quarter; and Paul Sander, fullback. Schulmerich, playing his second season and in excellent health, will be a star. He is a line-plunging ball carrier, an accurate field goal kicker, and Kulte Rocke affirms in his newspaper articles that he is one of the leading passers on the coast this season.

But Coach Clipper Smith a Gonzaga has a veteran outfit minus only the great Houston Stockton. The Aggies' assistant coach, Clyde Hubbard, scouted the Gonzaga-Cheney normal game a week ago and saw four backfield men, the only quartet of their kind on the coast this year, that can each pass, kick, run with the ball, or run the team as quarter, not to mention a line that is veteran from end to end, except for one freshman who has beaten out lettermen.

Another freshman, a powerful Mr. Luce, steps into Stockton's job at full over other lettermen, and fills Stockton's boots very well a backing up the line as well as the other ways mentioned.

Flaherty generally plays quarter for Gonzaga, Bross and Ingram halves.

In two years Gonzaga has not been defeated, and has played such teams as Idaho, Washington State, Nevada, Montana, Detroit university and Multnomah club.

Last year Idaho and Mr. Skippy Stivers together beat the Aggies 22 to 0 right here on Bell field. Gonzaga held Idaho 0 to 0. Let no one get the idea that the Aggies are the same team in speed and execution that they were last year. Then they were mostly sophomores. Now they are veterans in every position save one.

The build up of Professor Sam Dolan will be seen in this game as referee. Gonzaga was glad to agree to the former Aggie and Notre Dame all-American tackle because of his speed in working what promises to be a fast game. Ted Fank is umpire and Mike Moran head line man.

The biggest asset the Aggies have is their powerful line. Dallas Ward and Robbins are at the ends, Big Jim Dixon and Lewis Dickerson, 200-pounders, at tackles; Glen Olmstead and Roy Rickert, guards, and the lanky Lloyd Balcom at center.

This week will be a double-header in big league football in the Willamette Valley. Gonzaga-Aggies at Corvallis Friday and Oregon versus Idaho at Eugene, 40 miles south, on Saturday.

## SALEM SENATORS' SEASON IS ENDED

### Locals Make Good Record With 19 Wins and Four Defeats to Credit

"Frisco" Edwards, this year's manager for the Salem Senators, has announced that the baseball season of 1925 for the Senators is already completed, as he has not been able to sign on any more teams of sufficient quality to make retention of the local team worthwhile.

The Senators have been considerably weakened by the loss of five boys who had to go back to school, and Edwards has deemed it advisable to call the season quits for this year, and to lay plans for a team next year that will be as successful as the team that has just completed its season.

During this season the Senators have played 23 games, winning 19 and losing four. Two of the games were lost to the fast Albany team, and the other two were lost to the Luckenbach ship nine of the Interstate league. Manager Edwards has expressed the wish to thank the supporters of the Senators for the remarkable turnouts they have made during the past season, and declares that to show his gratitude he is going to try to develop even a better team next season.

## SPEED MARKS ARE BROKEN AT RACES

### Records for Week Smashed When Two Horses Step Mile in 2:08 1/4

All speed records for the week were broken on Lone Oak track yesterday in the free-for-all pace when two horses, Mary J, driven by Williams, and George M, with Montgomery in the sulky, both crossed the wire in 2:08 1/4. George M won first money in the race by taking three heats after placing seventh in the first heat. Mary J took second money and third went to Lady Lincoln, with Smith driving.

In every heat the entire field of horses was driven to a fighting finish. Excellent heats were obtained in each, and the full field was bunched clear through to the stretch. In the second heat six horses came under the wire in a bunch, so close together that anyone not in line with the finish posts could not accurately determine the winner. In the third heat the rest of the field was not up to the front as well, but George M and Mary J made a flying finish that is seldom seen. The fourth heat was for money winners only and was taken by George M, giving him three out of five.

Nadine, driven by Spencer, was successful in the 2:20 trot, and took first money with two heats and a fourth position. Alicia McKillo placed second three times, and third money out of a purse of \$800. Jean Luck, driven by Ireland, took the first heat of the race, and then in the second heat broke under the wire and ran the entire distance around the track and was distanced. In view of the fact that she won the first heat she was awarded second money by the judges.

Wilbur Daphney took the consolation trot with a purse of \$250 second going to Dick Dudley, with Ireland driving.

The meet at the state fair this year featured some of the best speed exhibitions seen here for many years. The races were run off with little delay and no protests were received by the judges. An unusually large number of fair visitors patronized the races.

SAN FRANCISCO, Oct. 3.—Application for permission to construct 62 miles of railroad line from Cornell, Cal., to a connection with the Nevada California Oregon railway at Alturas, Cal., has been filed by the Southern Pacific company with the interstate commerce commission at Washington, D. C.

The formal application filed with the commission follows the announcement of W. M. Sproule, president of the Southern Pacific, on Sept. 15, that decision had been reached by the company to have its main line from Klamath Falls to the east "run through Tule lake to a suitable connection with the Nevada California Oregon railway, to be standard gauged." Formal application to construct the Klamath Falls to Cornell portion of this line was filed some time ago.

## DONAVAN IS NAMED TOP RIDING JOCKEY

### Six Races Won During Meet, Good Time Is Made in Running Events

Jimmy Donovan, one of the most popular jockeys at the fair this year, was signally honored yesterday when he was presented to the spectators as the top rider of the meet, after riding first in six races during the week. Donovan has also cleaned the boards in the south and on the Atlantic seaboard and has won races on practically every track in the country.

Donovan won the Ancient Highway event, a race for all ages for a distance of 5 1/2 furlongs and a purse of \$150. He was riding Little Pointer, a chestnut mare that has been going good during the meet. Jockey Rowe on Slat came in second.

## HIGH SCHOOL WINS FROM ALUMNI 7-5

### Hazadore, for Graduates, Races Length of Field With Fumbled Ball

The Salem high school football team was victorious over the alumni team Saturday afternoon, pulling out with a score of 7 to 6.

The Salem high aggregation showed promise of being a powerful contender for the Willamette valley championship when they launched their attack on the alumni. Most of the time their defense was perfect and except for two or three times, the alumni were unable to punch holes in the high school line. On defense the high school eleven were especially strong, on off tackle play and center backs. They tried very little passing throughout the game.

A high school bunch were the first to score, putting over a touch down in the first quarter, when Glabo, intercepting a pass, ran from midfield for a touch down. Temple kicked goal. The alumni made their score in the last quarter when Hazadore recovered a Salem high fumble on the alumni eight yard line, and ran the length of the field to within a yard of the Salem line, where he stumbled. Fatterson bucked the ball across the line on the next play, but failed to kick goal.

Towards the last of the game the alumni began to get used to their combination, and were showing some fine work. They tried pass after pass, but not one of

## BEARCATS DEFEATED BY AGGIE GRIDDERS

### Willamette University Is Held Scoreless by OAC Football Players

CORVALLIS, Ore., Oct. 3.—(By Associated Press.)—Oregon Agricultural College football team defeated Willamette university here today, 51 to 0. Two of the Aggies' eight touchdowns were made directly on forward passes. Schulmerick started the scoring with a field goal from place kick on the 28-yard line. He also made a touchdown, and four try for points completed three. Webby Edwards, quarterback, made three touchdowns. Robbins, end, caught a pass and fell with it across the goal line. Denman made one and Bob Quinn two touchdowns.

"OAC has as good a team as Washington. They played the smartest football of the six seasons I've seen the Beavers in action," Coach Guy Rathbun stated last night. "Four of the touchdowns they made were the result of clever trick plays with long runs."

Four letter men, Fasnacht, Wolstrom, Schweining and Robertson, were not used by Willamette yesterday, Hartley, Harton, Stotzheise and Rhodes, being the only letter men used.

The Willamette squad showed great improvement over previous matches and the alumni at the fray were well pleased with the game fight against heavy odds. Five freshmen played most of the game.

## PLUMBING IS ADVERTISED

### DISTINCTIVE TRUCK HAS MERCHANDISE DISPLAY

A distinctive truck that has been given the name of the Crane Company Traveling Show room for local dealers was parked Saturday at the corner of Court and Commercial. It is making a trip from Spokane to San Diego, and has taken two months to come from Spokane to Salem.

In the truck are various fixtures of the bath room, such as bath tub, sinks of all sizes, etc. A large tank, driven by an electrically operated pump, supply the fixtures with running water. Plumbing connections are made both ways from tank to fixtures so that the same water may be used two or three days without changing. There are only two such traveling show rooms in the United States, the other traveling along the Atlantic coast.

## CLAIMS TO BE REJECTED

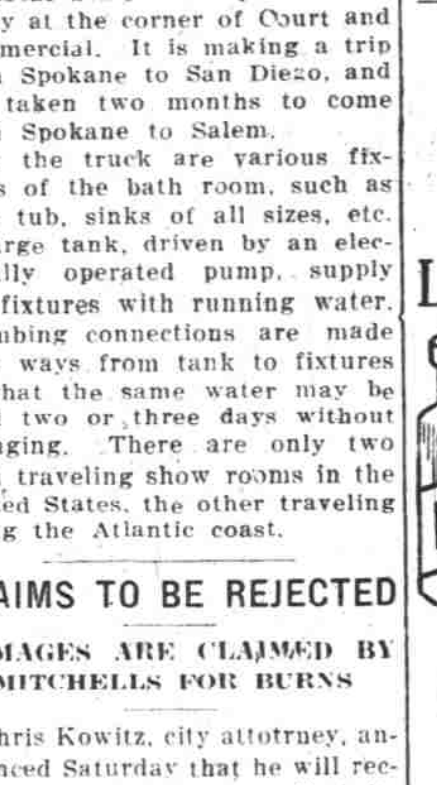

### DAMAGES ARE CLAIMED BY MITCHELLS FOR BURNS

Chris Kowitz, city attorney, announced Saturday that he will recommend to the city council at its meeting Monday night, after having made a thorough examination of the case, that Allan Mitchell be refused his claim of damages to the extent of \$560.00, alleged to have been caused him when hot coffee was spilled on him at the Salem auto camp due to a defective table, belonging to the park.

The issue in the case has seemed to be whether or not the table in question was any more defective than that which might be expected in a place such as the auto camp. Mr. Kowitz expressed his opinion that the Mitchells do not have a "valid claim for damages against the city," and for this reason he will recommend that the damages not be paid.

"Love Me Little, Love Me Long"

"Love Me Little, Love Me Long"

Love me little, love me long. Is the burden of my song. Love that is too hot and strong Burneth soon to waste. Still I would not have thee cold. Not too backward—not too bold. Love that lasteth 'till 'tis old. Fadeth not in haste. Love me little—love me long Is the burden of my song.

Say thou lovest me while thou live I to thee my love will give. Never dreaming to deceive While this life endures. Nay—and after death in sooth I to thee will keep my truth As now—in my May of youth. This my love assures. This—the burden of my song, Love me little—love me long!

Written in the year 1569—author unknown—revised and revived by Burnett Bros., jewelers, creators of the "Love-long" Wedding Ring.

THE Lovelong Wedding Ring is a feature of the Burnett Jewelry Stores along the Pacific Coast. It is the only wedding ring ever devised that carries a promise inside it. Each genuine "Lovelong" Wedding Ring is stamped on the inside imperishably engraved, with the one pledge that every woman hopes for.

THE author of the song which inspired the name "Lovelong" is gone and forgotten—"Love Me Little—Love Me Long" was originally printed in the year 1569—but thought the author is forgotten the song remains—one of the gems of English poetry.
