Classes Are Successful

An enthusiastic group of women met at the club house of the Salem Woman's club from 2 to 5 o'clock yesterday afternoon for the first study classes which have been carefully organized under the direction of the education committee of which Mrs. George H. Alden is the chairman.

Yesterday classes were held in Oregon history, in current events and in modern literature. On Friday at 2 o'clock at the club house a class in psychology will be conducted. The Monday classes will meet on every other Monday and the psychology class the first and third Fridays. Dr. Charles L. Sherman, head of the philosophy and psychology department at Willamette university has been secured for the Friday class.

Professor Robert M. Gatke assumed charge of the club department in Oregon history yesterday when he opened his class in a splendid manner around the table—as if for a seminar group. He listed a usable and comprehensive bibliography which will assist in carrying his subject far.

The class in current events, with Mrs. George H. Alden taking charge, was conducted as a stimulating open forum. The same group of women, interested in one class stayed for the remaining two, the third in the group being that in literature with Mrs. J. C. Nelson assuming charge in the absence of Reverend Martin Forrester who has been called east. Mrs. Nelson dealt with her subject in a refreshing manner.

The only credential required to enter the classes is a card of membership to the Salem Woman's club. To the classes, themselves, there is no fee.

Congressman Gives Talk

The members of Chemeketa chapter of the Daughters of the American Revolution, meeting on Saturday afternoon at the home of Mrs. Russell Catlin, had the pleasure of hearing an exceedingly enlightening talk on the subject of "International Relations," given by Congressman W. C. Hawley. Congressman Hawley dealt upon the mission of our embassies abroad and of the consular service in general rather than upon any policies.

Mrs. Catlin contributed in an instructive manner to the program with the reading of Marie Moderville De Bell's article entitled "After Thirty-five Years," which summarizes the history of the organization since it was first founded on October 9, 1890.

During the afternoon, Mrs. Harry M. Styles, a member of the local chapter, made the presentation of an historic iron kettle to her unit. This ancient utensil was used by her ancestor, Colonel Leach, in the revolutionary war, and will be placed on exhibit by the Daughters in a cabinet which will be placed permanently to hold relics of this sort, in the state house.

During the afternoon the members of Chemeketa chapter voted five dollars to go toward the Carolyn Scott Harrison Memorial dormitory at Oxford college, Ohio, where the wife of President Harrison received her education. Mrs. Harrison, whose memory is being commemorated in this manner, was the first president general of the national Daughters of the American Revolution.

Plans were made at the meeting on Saturday for a "bundle day" on November 7 at the home of Mrs. David Looney at Jefferson, when the organization meets for next month's regular meeting. Bundles will be exchanged at this time for a sum of 25 cents or some similar sum.

Pygmalion Tomorrow

"Shaw takes the ancient fable of Pygmalion and his statue, and makes it, with sparkling felicity, into life. Liza Doolittle, a cockney flower-girl, is trained by a scientific teacher into a brilliant and beautiful society woman. But other things happen also. You must meet jolly Pickering and Shakesperian Doolittle. Liza's father to appreciate how much of contemporary fun and laughter the dramatist has created with his "curbstone English" and "commercial millionaires!"

The play is rightly centered. "Do any of us ever understand what we're doing? If we did, would we ever do it?" You and I will find ourselves, as well as Mr. Higgins and Henry, in this gay comedy with the ending a concession so typically Shavian."
