

TEACHERS DOWNED SATURDAY 33 TO 0

Willamette Bearcats Have Little Difficulty in Winning; Team Green

Willamette University defeated Oregon State Normal school Saturday morning by a score of 33-0. The Teachers showed some good defense at times, but were unable to hold consistently. The Bearcats showed great possibilities for development and at times put over some line plunges that were pretty to behold.

The greenness of the Bearcat team was first manifested in the initial quarter when Monmouth blocked a punt, and the ball was anywhere. Several Bearcats had easy chances to nab the ball, but apparently through inattention they waited for a Monmouth man to get it. A Teacher did get it, and raced to the Willamette 10 yard line before he was stopped. But the Willamette line held well, and four downs gave the ball to the Bearcats.

A long pass, Riedel to Waddell, netted Willamette 20 yards. Then a long run, a 15 yard penalty against Monmouth for clipping, left the ball in Willamette's hands on the teachers' one yard line. Collingsworth bucked it over, but the kick failed.

In the second quarter Monmouth put over some good passes for first downs, but were unable to make any headway through the Bearcat line. Baker, Willamette half, plunged through the line for two long first downs, placing the ball on the three yard line, and T. Zeller put it across the goal line. Kick failed again.

In the third quarter, the teachers rallied, and so excellent was their defense that the Bearcats were unable to penetrate farther than the Monmouth 10 yard line. Willamette tried twice for field goals but was unsuccessful.

In the fourth quarter, Schweining, veteran half, was sent in to take Waddell's place with the Bearcats. The results of his experience were soon manifested. With the ball in Willamette's hands on the Monmouth 20 yard line, Riedel whipped a short pass to Winslow, who sped across the line for the third touchdown. With the ball in the possession of the Bearcats soon after the next kick off, Schweining plunged through the line twice for 20 yard gains, and then proceeded to smash the ball over. Riedel kicked goal. The final touchdown came when Schweining intercepted a pretty pass on the 20 yard line, and raced

2 TRAIN CRASHES TAKE DEATH TOLL

Hicks was instantly killed when thrown from the engine. The injured are being rushed to this city. No. 89, the other train, is one of the fastest operated by the road. W. D. Ramsay, 25, of Jacksonville, Fla., express messenger, was probably the most seriously injured. He suffered a severe fracture of the skull. In persons including six nurses, were brought to local hospitals. Passengers of No. 82 say they passed the first section of No. 89 at Seffner, Fla., which probably accounted for a misunderstanding of signals. Train No. 89 running three hours late, was traveling 40 miles an hour, trying to make up for lost time. No coaches left the tracks. The express car of No. 89 hurled the cab of the engine coaches were badly damaged, throwing passengers violently to the floors.

IDAHO UNIVERSITY WIN FROM U. OF O.

Eugene Eleven Defeated by Score of 6 to 0; Passing Attack Fails

EUGENE, Or., Oct. 10.—(By Associated Press.)—The University of Idaho football team scored a 6 to 0 victory over the University of Oregon here today before 10,000 spectators. The invading Vandals team scored its touchdown in the third quarter after 13 minutes of play. Regret punted 40 yards to Minnaugh, who fumbled. Idaho recovered and Cameron reeled off six yards through right tackle. A pass from Riebel to Erickson gave the Gen starters seven yards. Duff went through left guard for three yards and Cameron carried the ball over the Oregon goal line for the first and only touchdown of the game. The midday Regret failed to connect the try for point. Oregon had a good chance to score in the waning minutes of the fourth quarter when Shield recovered a fumbled punt by Riebel on the Vandal 10-yard line but lost the ball on downs. The Oregon team lacked the necessary punch to run the ball into Idaho territory for any great distance. Oregon started a forlorn passing attack in the final moments of the contest which resulted in several completed passes. However, the last pass tried by the Vandals was intercepted by an Idaho man who ran to Oregon's 10-yard line before he was finally stopped. Idaho failed to carry the ball over the line before the game ended.

Danish Competition Causes Irish Pig Trade to Slump

DUBLIN.—The condition of the Irish pig trade is described as the worst for 30 years. The Irish pig is being driven from the British markets, mainly owing to the competition of the Danes. Before the World War Ireland had 976,000 pigs while Denmark had 600,000. Now Mr. MacKenna, a member of the Dail, estimates Denmark has 1,800,000 pigs and the Irish figures have declined. He also attributes the Irish decline to the high cost of feeding stuffs, to the partial failure of last year's potato crop, and to a more or less widespread disinclination to breed pigs.

Bits For Breakfast

Salem grows and grows— And some of the schools are going to be still more overcrowded— And a new home a day, the way they are being built now, will not for long be enough to house the new people. The presentation of the state's side of the case against Tom Murray has been done in a masterly manner. It could scarcely have been better done. This is said to the credit of John and Allen Carson and Lydie Page, and it is entirely deserving. It is not the opinion of the Bits for Breakfast man only, but it is the general verdict of men who have closely observed the conduct of the case. If you can help the Slogan man prove that this is the best dairy country in the world, please do so. It is important. Something should be done in Oregon about school books. The

MONTANA DEFEATED BY "HUSKY" ELEVEN

Washington University Wins From Grizzlies by Score of 30 to 10

STADIUM, Seattle, Oct. 10.—(By Associated Press.)—With its old backfield, but a new line, the University of Montana here today made the score 10 to 30 in a defeat by the University of Washington, which last year beat the Grizzlies 52 to 7. This year's last in this bowl, Bill Kelly was a Montana star. Fullback, one, and Harold Patton, one. Guttormsen kicked a field goal in the third period. Montana made four first downs and Washington 9. Annual Subsidy Granted Theatre by Free State DUBLIN.—The Free State possesses in the Abbey theater the first and only state endowed theater in any English speaking country. The Free State has granted it an annual subsidy of \$1,750. Senator William Butler Yeats, the Poet and Nobel prize winner, hopes that America will follow the example thus initiated in the Free State, since theaters are an important part of national education where not endowed may have to lower their quality through the struggle for existence. Senator Yeats says there is no European country where the plays produced in the Abbey theater have not been performed, and some of them have even been translated into Oriental languages. Finance Minister Blythe, acknowledging the thinks of the Abbey theater for the subsidy he granted, said he had been a regular attendee at the Abbey for the past 20 years, and considered that it was doing a work of national importance.

Russian Church Conclave Summoned by Holy Synod

MOSCOW.—The third all-Russian church conclave was announced to start tomorrow in the large cathedral of Christ the Savior. The conclave was summoned by the Holy Synod, which is the only orthodox ecclesiastical authority recognized by the soviet government. Its chief object will be the liquidation of the dissensions in the orthodox church which originated with the abdication of the late Patriarch Tikhon. Since the latter's death the tension between the two leading groups—the Tikhonites and the reformists supporting the Holy Synod—has been somewhat appeased, and the Holy Synod is now inviting the Tikhonite bishops to participate in the conclave and to join in discussing means of adopting Russian church life to the conditions of the soviet political regime. The Holy Synod unites more than 60 per cent of Russian orthodox faithfuls. The numerous ecclesiastical groups which were formed in the beginning of the split in the Russian orthodox church in 1921 have now joined either Tikhon's followers or the Holy Synod. Thus, the only two parties in the Russian church remain the Tikhonites, which are headed by the "black" clergy and are opposed to any reforms in the church, and the Holy Synod which is supported by the secular clergy and which wants to bring Russian church life in conformity with present conditions. The newly elected oecumenical Patriarch Basil, the former Nicenean Metropolitan, is expected to attend in order to help the reestablishment of the Russian church.
