Unquestioned and Unquestionable!

There is no business or profession involving obligations to its patrons so sacred as to be above the machinations of men of easy ethics — men who consider gain before duty. And it is worth remembering that in the optical field (where one's eye-sight is involved) the record of Morris Optical Co., maintained through 25 years of service to a steadily widening patronage, stands today an unquestioned guarantee of security.

It Was Needed

and so we have it; that in brief is the story of the family room, from which the relatives and closest friends may see and hear the ceremony without being exposed to the gaze of those within the chapel.

The family room affords perfect privacy and seclusion when these things are most desired. We feel that it is an indispensable part of our equipment.
