WOMEN'S CLUBS PLEAD FOR TREE PROTECTION

The movement started by the State Federation of Women's clubs to save beautiful trees and conserve the scenic beauty of the state has borne fruit in many directions. The last legislature enacted a law under which the state highway commission can acquire rights of way on the sides of the state highways, or can acquire lands on which camp grounds or parking areas are standing, or borders of natural forest along scenic river banks, by purchase or condemnation of land. Mrs. F. A. Elliott of the Salem Women's club is chairman of the state federation forestry committee, and Mrs. May Risteigen of the Silverton Women's club is state chairman of the "Save the Beautiful Trees" movement. Under the leadership of Senator Charles Hall of Marshfield steps are being taken to save the only grove of redwoods in Oregon in Curry county. A survey and report to the highway commission interested that department of our state government in preserving the beautiful scenery along the state highway between Albany and Corvallis. The Kiwanis club of the latter city has named a committee of ten, each member to look after one mile of the road on the river bank in Benton county. The Kiwanis committee met with a cordial response among the property owners along the river road and

Special musical numbers were contributed by Miss Helen Soliz, violinist, with Miss Louise Findley accompanying; and by Mrs. Stanley Bayliss, vocalist, with Miss Engstrom at the piano.

Hallowe'en Luncheon One of the most charming of the seasonal affairs, emphasizing the Hallowe'en motif, was the 1 o'clock luncheon Friday at which Mrs. Louis Lachmund was the hostess. A color scheme of orange and black predominated on the table, with marigolds and zinnias giving the floral note. Orange candles burned in crystal holders.

Novel corsages in the orange shades were used as favors. Covers were placed for Mrs. Dan J. Fry, Jr., Mr. David Eyre, Mrs. George Dorcas, Mrs. Frederick Lampert, Mrs. O. C.
